A flamboyant show of Valentine's Day love in Del Lago

Perhaps you didn't know that a gathering of flamingos is called a flamboyance. This gathering of the plastic variety of the birds appeared as a special surprise in the front yard of a Del Lago residence just in time for St. Valentine's Day with a sign proclaiming the love of Paul Spisar for his wife Nancy. Fortunately the plastic flamingo is not on the endangered species list here at The Villages!

Learn about new Center for Wildlife Care

By Bob Dando

On **Tuesday, March 5**, the Villages Men's Fun Social Club will host a presentation by Holly Comer and Michael Chen on the Wildlife Center of Silicon Valley.

Social Club members should make lunch reservations a week in advance on the computer website referenced in the monthly Social Club newsletter. Non-member guests are invited to attend the presentation and should arrive at the Clubhouse by **12:30 p.m.**

For 30 years, the Wildlife Center of Silicon Valley (WCSV) has been a local leader in providing sick, injured, and orphaned wildlife with exceptional care rehabilitation and the opportunity for release. It also educates the public about coexisting peacefully with wildlife. The Center provides compassionate care for a variety of animals including birds, squirrels, raccoons, deer, coyotes, foxes, bats, rabbits, snakes, turtles and even the occasional mountain lion or bear cub. The mission is to rehabilitate and release these animals back to their natural habitats whenever possible.

The Wildlife Center hosts various events and programs to engage the public and raise awareness about wildlife conservation. They also encourage volunteering that can play a crucial role in the animal care and rehabilitation.

Just this January, the Wildlife Center merged with the Peninsula Humane Society. This collaboration allows both organizations to combine their expertise and resources in caring for local wildlife. This year the new Larry Ellison Conservation Center for Wildlife Care (LECCWC) will be opened in Saratoga to provide state of the art care for the sick,

BOUQUETS

The Villages Democratic Club recently conducted several events including meetings with Representatives Barbara Lee and Adam Schiff and a forum for the San Jose District 8 Council with four candidates who are to be on the primary ballot, Sukhdev Singh Bainiwal, Domingo Candelas, Surinder Kaur Dhaliwal and Tam Truong.

The events were a success thanks to the efforts of Tony Berg, Ann Berg, Sarah Clark, Bonnie Evans, Maryann Haggerty, Jennifer Holmes, Nan Holmes, Yvette Katz, Judy Rickard, Rich Robinson, John Smith, Val Smith, Arlene Versaw, Larry Versaw, and Villages staff.

Thank also to my wife, Rita for supporting me while I spent endless hours on the computer and phone for these events.

EVF's Annual Document Shredding Event is April 20

It's that time of year again! If you've been sifting through your papers and receipts for tax filing and found yourself with a pile of sensitive documents to dispose of, worry not. The Evergreen Villages Foundation (EVF) is here to assist.

On **Saturday morning, April 20**, between 9 a.m. and 11:15 a.m., a professional shredding truck will be available in the Cribari East parking lot. Instead of tossing your papers into the trash, where they might be seen by prying eyes, bring them to the EVF event. You can witness their secure shredding, leaving you confident that your sensitive information is thoroughly destroyed.

The donation for this service is \$10 per box or bag (approximately 20 pounds), payable on the spot in cash or by check only. Please make sure to exclude color paper, folders, and other heavy materials.

Additionally, if you have any flags you'd like to retire, you can drop them off. They will be disposed of during the Villages Veterans Club's annual July 4 event at Gazebo Park.

Proceeds from events like the shredding initiative contribute to the EVF's General Fund, which enhances Village amenities for residents' comfort and benefit. If you're interested in working with the EVF to improve the Villages lifestyle, visit evfsj.org and become a Sustaining Member for as little as \$5 per month. One-time donations can also be made via the website at any time.

(SRS) SENIOR RESOURCE SERVICES

Sites for free tax preparation for seniors

On Friday mornings there is an AARP/IRS sponsored site for free income tax preparation at The Villages. Fridays might not be a convenient day for you, or perhaps there might not be an open appointment on the day you can come.

Good news. There are other AARP/IRS sites in the valley. These sites vary in services available. First, understand your preparation service choices and then search for a location that can provide that service to you. Below is a description of four types of available service.

In-Person: Tax preparation is completed on-site in one visit by a tax volunteer and reviewed by a supervisor. The Federal and California returns are electronically filed, and you are given a printed copy of your returns.

One Visit Scan: You visit a preparation site, where a digital copy of your tax documents is created and stored in the IRS-provided software used to prepare your return. Volunteers then prepare and review your return remotely. You work with a volunteer online to finalize the returns, file them, and have the returns sent to you using a secure transmission. Note for this service **internet access is required.**

Two Visit Scan: You visit a preparation site, where a digital copy of your tax documents is created and stored in the IRS-provided software used to prepare your return. Volunteers then prepare and review your returns remotely. During a second visit, you work with a volunteer to finalize your return, have it electronically filed, and receive a printed copy.

Drop-off: You visit a preparation site and leave your tax documents with an IRS-certified volunteer. Your return is prepared by a tax volunteer working remotely. During a second visit, you work with a volunteer to finalize your return and file it. You leave with a printed copy of your returns and your original documents.

No Site Visit: You create digital copies of your tax documents and upload them to the IRS-provided software used to prepare your return. Tax-Aide volunteers prepare your return remotely. You work with a volunteer using an online video system (similar to Zoom) to finalize the returns, file them, and have the return sent to you using a secure transmission. Note for this service **internet access is required.**

To find these additional sites go online to aarp.org and enter Tax Aid Locations in the search box. Put in our zip code and the sites will be listed by distance from The Villages. Senior Resource Services has a handout listing the 9 closest sites. Stop by the SRS office for a copy or call 408-239-5253 and SRS can email you the handout.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagesrs@sbcglobal.net. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.

SRS Recommendation:

Get your tax refund ASAP

If you are receiving a refund on your income tax return, the safest, most accurate and fastest way to get your refund is to electronically file your return and choose direct deposit of your refund. Most people receive their refund within 21 days.

Expect an additional 60 to 90 days to receive your refund if you ask for a paper check.

Direct deposit means any tax refund is electronically deposited for free into your checking or savings account. This is the same electronic transfer system used to deposit nearly 98 percent of all Social Security and Veterans Affairs benefits into millions of accounts. You trust it for your Social Security, why not trust it for your tax refund?

CLUBS & EVENTS

Global Village Community: *'The Healing Room'*

The Global Village Community Club is hosting another Healing Room event. This month's topic is "Releasing the Resistance to Loving Yourself." Why is it often easier to love others than to love ourselves? Often people don't feel safe to opening up to the emotion of love. Perhaps they have been heart-broken or disappointed?

In conjunction with the month of Valentine's Day, we are going to let go of that resistance and open our hearts to love ourselves.

This next Healing Room event will be on **Thursday, February 29** from 2 p.m.-4 p.m. in the Montgomery Center. You must pre-register for this event. You can register by texting or calling 408-827-8860 or emailing kims@kimsilvermantransformation.com. Registrations will be accepted on a first come basis. **There is no cost to attend this event.**

The purpose of the Healing Room is to learn how to let go of unwanted emotions, release debilitating thoughts, return our bodies to health and wellness, and establish a direct link to our higher soul-self.

The healing room is led by intuitive healer, Kim Silverman, a Certified Quantum Energy Master and Certified Life Coach. She will combine guided meditations and educational moments that allow you to return to a more centered and balanced state of well-being. For more information about the Global Villages Community Club, visit the GVC Club website at sites.google.com/view/gvclub/home or email globalvclub@gmail.com.

Senior Academy: *'Sugar & Slavery: How our Lust for Sugar Impacts our Health and History'*

Sugar—without the sweetener, for many of us coffee, tea and chocolate would not be quite as enticing. Nor would Wonder Bread, Campbell's tomato soup, Quaker Oats oatmeal, Goldfish crackers, Eggo waffles, Ritz crackers, Shake 'N Bake chicken coating, Oscar Mayer bacon, sodas, and many more foods. Manufacturers add sugar to all of these foods.

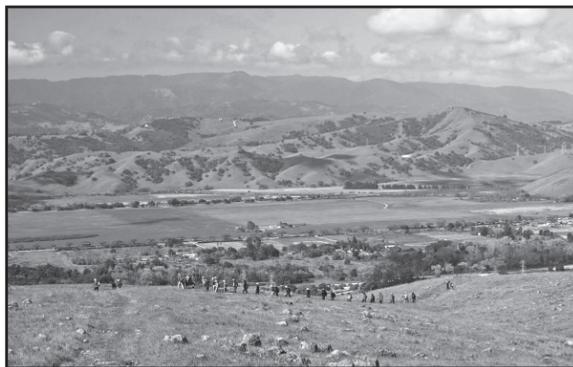

A lot of history lies behind the innocent-looking bowl of granulated white sugar on your table. Indeed, our love of sugar

ignited some of the ugliest conflicts and oppression in human history. Countries launched military campaigns and wars over sugar, planters destroyed vast forests, and most significantly, Africans were kidnapped and enslaved by the millions to harvest sugar cane in the Caribbean and Latin America. All that, just for one much-loved and ubiquitous staple of our modern diet.

Adam Tanner will return to Senior Academy on **Wednesday, March 6**, at 10 a.m., on Zoom and at Foothill to present "Sugar & Slavery: How Lust for Sugar Impacts Our Health and History"—how sugar has affected world history and how it continues to affect our health and bodies. Adam has appeared on the BBC, NPR, CNN, MSNBC, CNBC and VOA and has written for Scientific American, Forbes, Time, and Consumer Reports. He is an associate and fellow at Harvard's Institute for Quantitative Social Science. Please register at VillagesSA.org. If you need assistance to register for Foothill you may call Susan Dooley at 408-528-8881.

Learn about Máyyan 'Ooyákma—newest Open Space Preserve

The Hiking Club's speaker on February 26 is Andrea Mackenzie, General Manager of the Santa Clara Valley Open Space Authority. Since 1993, the Open Space Authority has protected over 30,000 acres of open space and agricultural land across the Santa Clara Valley for the benefit of people and nature. The Open Space Authority operates a network of public open space preserves and multi-use trails that are open to the public free of charge, 365 days a year—Coyote Valley, Máyyan 'Ooyákma Coyote Ridge, Rancho Cañada del Oro and Sierra Vista Open Space Preserves, with more on the way. Andrea will focus on the Authority's newest open

space preserve—Máyyan 'Ooyákma Coyote Ridge which opened to the public in Summer 2023, and is located near The Villages, just east of the Hwy 101 and Bailey Road interchange. Máyyan 'Ooyákma consists of 1,859 acres, has 5 miles of trails with outstanding views of the Santa Clara Valley and surrounding mountain ranges. It was established to protect rare serpentine grasslands, and is critically important to the survival of the endangered Bay checkerspot butterfly population. Andrea will also talk about why the conservation and restoration of nature in the Diablo Range, Santa Cruz Mountains and Coyote Valley is so important to our own future.

The Hiking Club meeting will be held on **Monday, February 26 at 7 p.m.** (new start time for 2024) at the Foothill Center. The program will follow a short business meeting and a break for socializing with snacks and beverages. The meeting is free and all Villagers are welcome to attend.

Sign up for *'Dreaming into Writing'*

Sign up for "Dreaming into Writing," an opportunity to welcome our own individual and unique language onto the page. In this workshop, you will take away the seeds of new stories, poems or a piece of that memoir you're writing. Through creative, provocative prompts that lead you to places in your writing that you may not go on your own, we'll write, share, contemplate and grow our craft.

Whether you're new to creative writing or experienced and searching for inspiration, we'll take a deep dive into the creative process through exercises that include music and art that stimulate our writing and imagination. Reading your work aloud is voluntary.

All levels welcome. The workshop will be held **Tuesdays, March 5 – 26**, 10:30 a.m. – 1 p.m. The cost is \$75. Register by emailing barb.gottesman@gmail.com

What goes into the Recycle Bins?

By Maxine Amundson, Sustainable Villages Community

It seems we always need more information on recycling. When you take your recyclables to the trash bin, dump your recyclables into the bin and throw the plastic bag in the garbage bin. All recyclables need to be loose. Break down the cardboard, rinse out your glass bottles, cans and plastic bottles. If there is food on the container, toss it into the garbage. Place any plastic bags, wrap and film, styrofoam, pet waste, snack bags, wraps and film in the garbage. Save your batteries for collection days or bins. An easy reference is on FastLane; at the bottom of Public Works edition there is a button indicating "Recycling and Waste Management." Look for this icon for more information. For more information, visit the Sustainable Villages Community's website at sustainablevillagescommunity.org

Join Bluegrass Music Club's first jam!

By Alan Rich

Yes, The Villages has had a bluegrass band for some time now, but on **Sunday, March 3**, it will have its first Bluegrass Music Club "Jam." It will be held in the Vineyard Center from 2 p.m. to 4 p.m. and will be free. It will be performed by the members of the Scotch Creek Band! You are invited to bring your acoustic instruments, voices and ears to enjoy some bluegrass and vintage country music. Come play, sing or just listen to the music.

For a little history, bluegrass was developed in the 1940s in the Appalachian region of the United States. It derives its name from Bill Monroe and the Blue Grass Boys. Like Jazz, bluegrass allows performers to improvise and take turns playing the lead. The Bluegrass capital of the world is Owensboro, Kentucky, but for us, we will pretend for an afternoon that it is our own Villages!

See eclectic rock painting demo at Arts and Crafts

By Michael Sunzeri

On **Monday, March 4**, Arts and Crafts invites you to a very interesting form of art—rock painting. It's fun, relaxing and mind settling. In the Cribari Conference Center at 1:45 p.m. we will welcome a demonstration by one of our newest members, Barbara Orlando. After a short Membership meeting of our current information, we will introduce Barbara and let her amaze you with her fine painting achievements netting beautiful, finished pieces. Her painted and inked river rocks of all sizes depict landscape, cartoonish, solemn, and even thoughtful lettered works of art.

A 15-year resident, and a high-profile volunteer in many clubs over all this time, Barbara notes she has always been involved in art. Who knew? Her work with ceramic glazes started back in Iowa in a business her mom had. After moving to Santa Clara while raising a family, she worked as a bookkeeper, never straying far from doing many forms of artwork. Glazing, painting, ink work and even sewing helped to keep her very busy.

You might think that painting rocks is easy. Apply a couple bright colors then draw the face of a cat or something. Barbara's work steps well above that. The vibrant colors are there, but there is more thought put into it. There is prepping, layering, detailing, and finishing, not to mention what it is she wants to depict in the first place. Did I mention that she has quite an array of brushes and pens to work with?

We get to watch her process, see many beautiful, finished pieces Barbara has completed and you will be amazed at the fine craftsmanship. Invite your friends to join us and see on the live screen something you may be interested in pursuing in your own free time. We encourage your presence.

Meet friends with Lunch Buddies!

By Liz Adams

March 13, 2024 at 11:30 a.m.—mark it on your calendar! It's the next Lunch Buddies luncheon at the Clubhouse. It's a time to make new friends, to renew your friendships with those you met last year, to have something to look forward to, and to get out of the house.

We'll enjoy lunch (a salad, a half sandwich, ice cream for dessert, and iced tea, coffee, or lemonade to sip throughout lunch) together. And because VMA supports Lunch Buddies, we've managed to keep your costs the same; it's still only \$11 for lunch. So if this works for you, call the VMA office at 408-238-4230 to make your reservation and book a ride to and from your home if you need transportation.

Remember, make your reservation before noon on **Monday, March 11**. See you for lunch on **Wednesday, March 13!**

"The Country of the Blind: A Memoir at the End of Sight" by Andrew Leland. Andrew Leland is suspended in the liminal state of the soon-to-be, midway through his life with retinitis pigmentosa, a condition that progresses from sightedness to blindness over years, even decades. Soon he will likely have no vision left. Full of apprehension but also dogged curiosity, he embarks on a sweeping exploration of the state of being. Part memoir, part historical and cultural investigation, Leland is determined not to merely survive this transition but to grow from it. Large Print, 920, Biography, 2023.

"The Heaven & Earth Grocery Store" by James McBride. In 1972, when workers in Pottstown, Pennsylvania, were digging the foundations for a new development, they discovered a skeleton at the bottom of a well. Who the skeleton was and how it got there were two of the long-held secrets kept by the residents of Chicken Hill, the dilapidated neighborhood where immigrant Jews and African Americans lived side by side. When the truth is revealed about what happened and the part the town's white establishment played in it, McBride shows us that even in dark times, it is love and community that sustain us. Fiction, 2023.

"Silver Nitrate" by Silvia Moreno-Garcia. Montserrat has always been overlooked. She's a talented sound editor, but she's left out of the boys' club running the film industry in '90s Mexico City. And she's all but invisible to her best friend, Tristán, though she's been in love with him since childhood. Then Tristán meets the cult horror director Abel Urueta, who wants them to break a curse by finishing his film about a Nazi occultist imbuing magic into highly volatile silver nitrate stock. Then Montserrat notices a dark presence following her, and Tristán sees the ghost of his ex-girlfriend. They may find that sorcerers and magic are not only the stuff of movies. Large Print, Fiction, 2023.

"Suddenly a Murder" by Lauren Munoz. To celebrate the end of high school, Izzy Morales joins her ride-or-die Cassidy and five friends on a 1920s-themed getaway at the glamorous Ashwood Manor. There, Izzy and her friends party in vintage dresses and expensive diamonds-until Cassidy's boyfriend turns up murdered. Now every party guest is a suspect. There's the girlfriend, in love. The other girl, in despair. The old friend, forlorn. The new friend, distressed. The brooding enigma. And then, there's Izzy—the girl who brought the knife. To find the killer, everyone must undergo a grueling interrogation, all while locked in an estate where, suddenly, the greatest luxury is innocence. Mystery, 2023.

SHONIS

Red clad Shonis at Breakfast

By Betty Hall

It was a beautiful golf day last week. The course had been cleaned up well and there were very few soggy spots. Before we golfed, we had a fun pre-Valentines breakfast in the Clubhouse. Twenty-two Shonis got to visit for 90 minutes and catch up on more than just our golf scores.

Our golf game was a partner game—It Takes Two. A low handicap Shoni was randomly paired with a high handicap Shoni. Then on our shotgun hole, we played alternate shots after alternating drives. It was a fun game and an opportunity to play with Shonis that we might not always play with on our regular Tuesdays.

This week is our first General Membership meeting. There will be a lot of business to cover as well as introducing what the new PAR 3 USGA rating means to our membership.

Our scoreboard this week reflects the winners of our special game with combined gross score.

18-HOLE WOMEN

Honoring Past Captains

By Diana Hallock

After another week of rain and red flags, the skies cleared, the sun shone, the flag was green and the ladies took to the course, led by 10 past Captains; Kathy Apgar (2003), Barbara Nilsen (2005), Reine Fedor (2007), Vivian Brown (2010 and 2019), Jan Kiernan (2014), Bev Poellot (2015), Judy Rodriguez (2016), Cindy Fuller (2017), Vicki Krattli (2020 and 2021), Diana Hallock (2022). It was a tough day with many scores higher than usual but we were all delighted to be playing again and having fun together!

At lunch we were joined by two additional Past Captains, Shirley Roberts (2008) and Patti Hayes (2012). Cindy had done a beautiful job of decorating the room with pink and red heart arrangements plus lots of chocolates! Cindy also gave us a brief history of our 55-year-old club and a tribute to Past Captain Mary Chaboya before passing the mic to Past Captains to share a funny story or special memory.

Kathy Apgar shot the low score among the Captains at a net 76 so she received the honorary gavel and the pleasure of hosting next year's Past Captains Day. There was only one birdie, Suzanne Fazzio, on Hole 8 and only one chip-in by Patti Bell on Hole 18. Good job, ladies!

Our annual Ringer and Partnership EC competitions are starting soon. Members are encouraged to visit the Posting Room first to see all the beautiful updates done by Captain Patti Bell and also to get sign up information for Ringer and EC. Lo Rube is the EC Chair and Dianne Doughty is the Ringer chair so contact them if you have questions or to drop off the \$5/entry fee.

Back row: Vicki Krattli, Vivian Brown, Jan Kiernan, Patti Hayes, Barbara Nilsen, Reine Fedor. Front row: Shirley Roberts, Judy Rodriguez, Kathy Apgar, Cindy Fuller, Bev Poellot, Diana Hallock.

PICKLEBALL

By Anahid Gregg

For more information, visit our website at villagespickleball.vgcc.club

Last June, we featured a profile of Peter Conk, who works tirelessly to improve the homeless situation here in Santa Clara County. The Pickleball Club is proud to announce we are partnering with Peter to collect used court shoes!

There's a big need for this type of footwear (flexible and easy to fit), as the homeless live outside and are exposed to dirt and weather elements. This requires them to frequently change or seek cleaner or better footwear. It's not only for comfort, this can help to improve their quality of life and prevent foot injuries and problems. Footwear is the most requested article of clothing.

If you play two or three times per week, your court shoes should be replaced every 6-12 months. Not only do they lose tread, but also cushioning. Strenuous activity puts a load of 5-7 times your body weight on your joints. But—those shoes can still be used by other people! Instead of needlessly filling our landfills, please consider donating them to those in need instead!

We have placed a clearly identified collection box on the side of the Pickleball shed. Won't you help us to help others?

David Cook took **Third Place** with a net 28; Mario Silva won **Second Place** with a net 27; and Jerry Juracich narrowly won **First Place** with a net 26.

There was one **Birdie** today by Dave Hathaway on hole 3. David Cook won **Closest to the Flag** on hole 3 at 7 feet, 9 inches.

There was a two-way tie for **Low Gross** between Dave Hathaway and Mike Schwerin with 31s.

Golfer of the Day honors go to David Cook with a third place finish and closest to the flag. Way to go David.

The Ironmen 9 hole, par 3 group would love to add new members. We are a very sociable group, and play basically pressure-free golf. And the first round is on us. Just call Jerry Juracich at 408-440-8283.

WOMEN'S 9-HOLE

By Vicki Krattli

Our Valentine's golf day was picture perfect. The course had dried out a bit and although there was still some debris from our recent storms, the maintenance people were hard at work cleaning up before the next atmospheric river.

We played a fun two-best ball format from the two tees and from the laughter on the patio during lunch everyone had a good time. Joyce Mukuno was closest to the pin on 11 at 7 3/4 inches. Awesome shot Joyce. On the front nine Lolivic Shaw had a great shot to 17 feet 3 inches to a difficult pin over the bunker. Our only chip in was Renee Woolard on 14. There were four birdies Joyce and Vivian Brown on #11, Sally Nichols on #6 and Bev Poellot on #2. Kudos to you all.

Our winners today on the front nine was the team of Betty Garcia, Linda Lamanno, Lolivic Shaw and Charlotte Waugh with a wonderful net 59, followed by the team of Gisele Barber, Jan Ehrhardt, Vicki Krattli and Sally Nichols with a net 62.

The back nine had three teams with a net 61, winning in a scorecard play off was the team of Nancy Carson, Pamela Leonard, Beverly Murphy and Linda Piersol followed by the team of Kathy Apgar, Judy Frey, Kathy Warren and Renee Woolard.

A big Thank You to Pam Short for planning a fun Valentine's Tournament.

USGA Golf Rules You Should Know—When playing Hole #9 and Hole #18 it is very important that you understand how to proceed if your ball enters the stream in front of the green which is marked and defined as a Yellow Penalty Area.

Rule 17 – Page 146 in Your Rules of Golf Book—Yellow Penalty Area Options. You may play from within the Penalty Area if you so choose with no penalty stroke. Or you may **Take Relief for a Ball in Penalty Area defined as such...**

If a player's ball is in a penalty area, including when it is known or virtually certain to be in a penalty area even though not found, the player has these relief options, each for **one penalty stroke:**

(1) Stroke-and-Distance Relief. The player may play the original ball or another ball from where the previous stroke was made (see Rule 14.6).

(2) Back-on-the-Line Relief. The player may drop the original ball or another ball (see Rule 14.3) outside the penalty area, keeping the estimated point where the original ball last crossed the edge of the penalty area between the hole and the spot where the ball is dropped (with no limit as to how far back the ball may be dropped).

(Continued on next column)

From The Pro...

(Continued from previous column)

You may never drop your ball on the green side of the stream!

Winter Weather & Daily Golf Course Conditions—Remember that at this time of year, weather becomes a daily factor and the resultant golf course conditions can affect play. Some things to be aware of are potential frost delays if it's cold, potential cart paths only status if conditions are wet and rainy, and in extreme weather or wind conditions course closure if a storm creates an unsafe atmosphere to play in (rare but not impossible). Please call the Maintenance Hotline at 408.223.4663 each day for an update on golf course conditions. And remember that the flag at the driving range will indicate the golf course status for the day:

Green Flag = Open for Play / Yellow Flag = Frost Delay / Red Flag = Carts on Paths Only / Black Flag = Golf & Practice Facilities Closed

Tips from the Pro—I got Rhythm...who could ask for anything more?

Whenever we ask a golfer what their good shots "feel" like, they all say the same thing..."it felt easy and effortless." Everyone thinks this is tempo related, but I do not think this boils down to tempo. Tempo is an individual characteristic... think of Nick Price or Lanny Watkins versus Freddie Couples or Ernie Els...definitely different tempos. But what all good players do is swing in synch with good rhythm; they match their arm speed and body speed. Tempo is much less important than rhythm and synchronization. So the feeling of "easy and effortless" that everyone expresses after a good shot is more a result of the individual swinging with good rhythm, balance and keeping their arms and body in synch. It's very simple...if your arms and body are out of synch, you need to either speed up or slow down to synchronize. I suggest using a training tool like an Orange Whip or you can use a Driver with a donut weight on it...swing back and through for 10-12 swings without stopping and let the club-weight take over and your inherent feedback will allow you to adjust; and you will naturally start synchronizing your arms and body to feel balance and rhythm. **Let us know if these tips help. TENNIS TALK

By Joy Rem

Our first tennis tournament for our 2024 season is one of our most special, **The Prescott Tournament**. It will be held on **Saturday, March 16** from 9 a.m. to 1 p.m.

The special tournament celebrates Phil Prescott and the amazing contributions he made to our tennis club. In 1997, he was able to raise over \$30,000 from Villagers and then he matched this amount dollar for dollar for a grand total of \$60,000 to build courts 5 and 6. As a member of the Tennis Club, you are invited to carry on the tradition of honoring Phil and supporting our wonderful **Villages Medical Auxiliary (VMA)**. Phil was also a long supporter of the VMA. Your \$15 tournament fee is a tax-deductible donation to VMA.

Please join us in this fun round robin tournament. There will be yummy food, prizes, and fun tennis. All levels are encouraged to join as it will be a fun tournament without any pressure. This is a way of seeing old friends and making new friends. Spectators are also welcome to join in the fun, but hope you will sign up to play.

You will be able to sign up on Your Courts or by contacting Joy Rem at jkr1787@gmail.com or 818-620-7642.

The Village Women's 65 7.0 USTA team played its first home match on Wednesday, February 14. We fought hard, but came up a little short. We first split sets, won 1 and lost 1, and the third match on the courts split sets and played a 10 point third set tie-break which alas we lost. Next home match is Wednesday, February 28.

PINSEEKERS

By Jim White

On Friday, February 16, thirteen Pinseekers gathered at the first tee, taking advantage of a brief break in the series of atmospheric rivers causing several cancellations in our regular play schedule. While the skies were mostly cloudy and the winds were stronger than normal, the day was surprisingly comfortable for golf.

Once again, Martin Hoek captured the top position with a two under par Net 34. Mike Falarski and Frank Garcia tied for second, each scoring a Net 37. Sliding into the number three slot were Jack Bindon, Chris Corpus, and John Mueller, carding Net 39. Grabbing the fourth slot, at Net 40, was Leighton Horio.

Last Friday, February 9, eight of our members braved the soggy fairways and intermittent rains. No Sweeps prizes or Championship points were awarded, however, Jim Keane, recorded just 15 putts in the nine holes played. Well done, Jim.

By now, Pinseekers members have been notified that our President, Lee Thompson, has resigned his office. He and Pam have placed their home on the "For Sale" listings and are preparing to move to Arizona. For me, and for all of us, we accept this news with missed emotion. Lee has been an active part of our club, and we will all miss his presence and leadership. The greater community of the Villages will also miss him as he has served as an officer for the Ironmen, a member of the Six Clubs Council, and, most notably, the Bingo Caller for the Bi-monthly VMA Bingo and Dinner. We do wish much happiness and joy to Lee and Pam as they embark on this new journey.

More COMMUNITY NOTICES

VMA needs you!

Do you find that there are certain days of the week or certain times of the day that you do not have a constructive activity? Maybe those could be hours that you devote to driving fellow residents to doctor's appointments, deliver equipment to their home or take them grocery shopping. Your schedule counts, so share with VMA the times you are available to help out.

Would you be willing to answer the phones one day a week or on a relief basis? How about helping with the planning for an event or actually working an event? There are so many opportunities to give back to the community.

Go to VMAvillages.vgcc.club and fill out a Volunteer application. You won't be sorry.

Call 911 for medical emergencies

Public Safety would like to remind you, in the event of a medical emergency, please remember to dial 911 first.

Public Safety monitors all emergency calls through San Jose Fire Dispatch. We will respond at the exact same time as the Fire Department and Paramedics.

Calling the front gate can only delay response time by emergency personnel. It is always quicker to call 911. It is the only phone call you will need to make.

CATHOLIC COMMUNITY

'Called to Listen'

By Louise Connors

How often have we heard the words, "Listen to me!" in our lives? In the Gospel of Mark Ch.9:2-20, Jesus leads three apostles up a high mountain. Peter, James, and John hear God say, "This is my beloved son. Listen to him."

Like the apostles, we climb our own mountains, some taller, some steeper, some smaller. We share similar preparations for the climb, don't you think? Learning, teaching, walking miles and miles, acquiring techniques, building endurance, physical and mental stamina, dealing with disappointment and rejection these are all in place when the opportunity comes, and you are selected. Just those three were selected. Were they filled with anticipation, excitement, pride, validation, belonging, gratefulness? And they hadn't even begun to see what Jesus had planned for them at the summit.

As a dancer, I also experienced those preparations and emotions at the end of an audition the director called my number as a member of the cast. I felt I had been given the world. I had climbed this mountain and like the Apostles descending the mountain I knew the work before me and was prepared and ready, ready to share my passion and joy in my love of the dance. God calls us to live our lives to the fullest potential. Just continue to be who you are. That's all He wants. And when He asks you to listen, will you?

EPISCOPAL

George Herbert

By The Very Rev. Julia McCray-Goldsmith,
Dean of Trinity Cathedral

His life may have been short (1593-1633) but his impact has been long and profound. This week the Episcopal Church remembers the life of George Herbert, poet and priest in the Church of England. And—may I say—a personal muse? Herbert came late to ordained ministry after already distinguishing himself as a prolific writer, orator, and musician. In fact, more than 90 of Herbert's poems have been set for singing

over the centuries. Some 40 were adapted for the Methodist hymnal published by the Wesley brothers, among them "Teach me my God and King", which found its place—in one version or another—in 223 hymnals. Another poem, "Let all the world in every corner sing", was published in 103 hymnals. His work has been translated for musical settings in French, Spanish, Catalan and German.

And yet, despite his literary and musical influence, Herbert's greatest joy was in the life of a rural parish priest. His one extended prose publication, commonly known as "The Country Parson" published in 1652, was a manual of spiritual advice for pastors. He taught that God was always revealing himself in the everyday, and that "things of ordinary use" (such as ploughs, leaven, or dances) could be made to "serve for lights even of Heavenly Truths." Indeed, George Herbert taught as he lived, and sang as he preached: "Teach me, my God and King/In all things Thee to see/And what I do in anything/To do it as for Thee."

Please join us on Sundays at 9 a.m. at Montgomery Center. All are invited and welcome to come.

COMMUNITY CHAPEL

'We All Do It!'

By Pastor Bill Hayden

Everything on earth has its cycle of life, from civilizations, governments, manufacturers and all living things. Every now and then, someone in our community will experience some form of loss which brings them to the shores of grief. We all are hit with the waves of grieving over the loss of a loved one or a pet who was like a member of the family.

The effects of grief can be devastating and debilitating and may sometimes cause a person to withdraw from their loved ones. Feelings of personal guilt can also occur, especially if you think that the outcome would have been different if you had taken a different path.

Depression can cause you to isolate yourself from the outside world and all the things you used to enjoy, leaving you feeling empty, lonely and sad. A person can become so overwhelmed to the extent that they lose their appetite and the will to survive.

Despite the effects of grief there can be "Good Grief." I know when making that statement it makes no sense. How can grief be thought of as good when your heart is broken? Well, we will grieve here on earth because we are attached to earthly things and other human beings. However, grief can have a positive effect in bringing about growth, maturity and independence, as a person grows through the stages of mourning. In "Good Grief" we embrace the assurance of seeing our loved ones again because of our mutual commitment to Christ which allows us to live with eternity in view.

1Thessalonians 4:13-18 ESV

Condensed: *We grieve in hope, knowing that we will be reunited with those who died trusting in Christ. Jesus died, rose from the grave and will return with those who died believing in Him. We, who remain alive, will be caught up together in the air and taken to Heaven forever.*

The "Good Grief" is about waiting to be reunited! There isn't a day or week that passes when you don't think about a loved one that you have lost. We offer a 13-week biblical based course in Grief Share.

Celebrate with us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word of Life, enjoy a cup of coffee and cookies with friends. The chapel is a place for *needs to be met, faith to be affirmed and new friends to embrace.* You can view our worship services on YouTube at Villages Community Chapel or villagescommunitychapel.vgcc.club
