Celebrate Craft Month at Crafters Club Boutique

Did you know that March is National Craft month? It's true. In 1994, the Craft & Hobby Association created National Craft Month in an effort to help spotlight the benefits and joys of crafting. And what better way to celebrate than to join us at the Crafters Club Boutique on **Saturday, March 23** at Cribari Center from **10 a.m. to 2 p.m.**! There you will find three rooms full of accomplished crafters showcasing a variety of hand crafted items. Our roster of talented artisans include fabric artists, woodworkers, jewelers, paper crafters, ceramicists, experts in knitting and crochet, holiday decor specialists, flower and wreath designers and mosaic artists. We also have one-of-a-kind specialties such as homemade biscotti, unique succulent gardens, books, poetry, soothing lavender products and fine art. Many of our artists are happy to create personalized products upon request. All of our crafters demonstrate the qualities of fine craftsmanship that the National Craft month seeks to showcase. When you purchase a hand crafted item, you are not only buying a work of art, you are getting a work of heart. Come celebrate National Craft month with us on March 23 and share our love of crafting and creating! We'll be waiting for you at Cribari Center with hot coffee, cookies and lots of new and irresistible treasures!

Roll up your sleeves for Trail Maintenance Day!

By Gordon Carbonetti

The Hiking Club's Annual Trail Maintenance Day is **Saturday, March 23** from **8:30 a.m. to 1 p.m.** Meet at the Foothill Center at 8:30 a.m. where you can join one of the work parties. We'll start with a brief planning session and description of the work to be done. The Villages Maintenance Department will supply two "mules" and drivers to transport us to the trail work locations, and to bring us back to Foothill. Tools will be provided, however, you can bring some of your own favorites if you'd like. Work gloves, boots or sturdy shoes and a bottle of water are recommended.

Also, there will be a free lunch for workers served at Foothill starting at 11:45 a.m. If you have questions relating to the trail maintenance, please contact Gordon Carbonetti at 425-442-7743, carbocrew@yahoo.com, or Dan Kato 408-300-0759, danieljkato@msn.com. Please note, much of the coordination for this effort is being done in advance by Dan Kato, so a big thanks goes to Dan!

Let's be prepared for a great day of improving and celebrating our wonderful Villages trail system. All are welcome to volunteer to work as you need not be a member of the Hiking Club to participate.

General Manager Theresa Ostrander helping out on last year's Trail Maintenance Day.

Celebrate Holi at Villages!

Global Village Community Club invites you and your guests to join us in the Celebration of Holi on **Sunday, March 24** at Vineyard Center from **noon to 4 p.m.** All residents and their guests are welcome. Register ASAP (there is a limit of 40) by sending a text to 650-336-3310 or email to globalvclub@gmail.com

Holi is a very popular Indian wet festival of colors. We will be celebrating it dry and indoors. The festival celebrates the god Krishna, and is popularized as a festival of dance with Krishna's hundreds of devotees (Gopi) in a celestial dance form called "Raas Garba" to experience the divinity. We have invited dancers who will describe the significance of this dance and invite us to learn the steps and join them. An authentic drum player will join, and with prerecorded music and dandiya (fancy sticks) this dance will be performed. Please join us in the potluck of authentic Indian savories and cultural program.

PULSE

Dear Readers:

The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 4 p.m. on Thursday of the week prior to publication. Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Letter authors are limited to one published Pulse letter per month. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Letters may be submitted electronically through the Pulse Submission Form on the Resident Portal: resident.thevillagesgcc.com/pulse, or emailed to Villager Managing Editor S. Hinrichs: shinrichs@the-villages.com.

E-mailed letters must include the text within the body of the email and the subject line must read PULSE LETTER.

2 Pulse letters received this week.
1 Pulse letter not meeting Pulse Letter Requirements.
1 Pulse letter published this week.

Note: Pulse authors are solely responsible for the statements and opinions contained in the Pulse letters. The Villager does not verify the accuracy of any statements.

All Pulse letters that are published are retained by the Communications Advisory Committee (CAC) for a period of 12 months. Pulse letters not meeting Pulse Letter Requirements are not shared with anyone outside the CAC, management or Club Board and staff liaisons for the reason of confidentiality.

In regard to the conversation about distribution of *The Villager* electronically. May I suggest a trial period of at least four issues distributed in both digital and print form so residents may have "hands on" experience if it ever comes to a vote.

Welcome to the Villages Library!

By Sherry Arias, Sherle Frost and Kristie Kayser

Kids today rely on Google for information and amusement. But here at The Villages we can rely on our very own library. New books arrive monthly in regular and large print, chosen from among all the bestsellers. Just turn left when you come through the front door. And if reading has become a bit of a challenge for you, the audio books are behind the front desk. There's also a wall of mystery, fiction and non-fiction large print editions in the backroom. While you're there, take a look through the biography section. Use the computer. And don't forget the puzzles! Some folks just come in for the puzzles.

Haven't found what you want yet? Check out our large paperback area and the regular stacks. Or come to the book sales on Wednesday and Saturday mornings from 10 a.m. to noon. We receive many donations of current bestsellers that are priced well below retail.

Our many devoted library volunteers are always available to assist you. We're open **Monday through Friday from 9 a.m. to 3 p.m. and Saturday from 9 a.m. to 1 p.m.** Hope to see you there!

BOARDS & COMMITTEES

Message from the Homeowners' Corporation Board Homeowners' Corporation President's Message

As you look toward spring and perhaps upgrading your front yards to a more water-efficient landscaping, painting your house, etc., remember that you need approval from the Architectural Control Committee to make these upgrades. It's an easy process and your neighbors on the committee turn the applications around quickly. Contact Elissa Caruso at 408-754-1344 for more information.

One other item we want to mention to you is that by leaving your key or entrance code on file with Public Safety, you can assure that in an emergency, entrance to your home is available to emergency personnel. A couple of examples we've seen recently include someone falling in their home and emergency personnel needing to enter to assist them. And there was a fire in one of our homes when the owners were out. Luckily, our general manager was out walking and saw the smoke and another stroke of luck was that the back door was unlocked. Animals inside were rescued and the fire was put out before it was able to spread beyond the kitchen area of the home. We never expect something to happen in our homes, but life happens and we are fortunate to have Public Safety to assist in emergencies. Call Public Safety Administration at 408-239-5246 —option 2 for additional information on leaving your key or entrance code with them.

As we write this, it's cloudy, windy, cold, and rain is expected any minute. However, spring is just around the corner with a lot of wonderful outdoor activities available to us at The Villages. Enjoy!

—Homeowners' Corporation Board

President *Teddy Morse*

Vice President *Rob Kirschbaum*

CFO/Treasurer *Brooks Fuller*

Secretary *Morton Cordell*

Director *Glen Seidel*

As we look toward the upcoming board elections, it is with a heavy heart that we announce the passing in February of former board director Greg Stewart. Greg served on the board for six years, including president of the board in FY2019-2020. I personally had the privilege of serving five years with Greg. As an insurance broker, Greg's expertise, along with that of former director Julian Rodriguez, was invaluable as the Homeowners' Corporation grappled with the yearly insurance renewal. Greg will be sorely missed by all of us.

Speaking of elections, it's that time of year again when we prepare to vote in May for board directors on all three boards. For the Homeowners' Corporation we have three vacancies with three directors eligible to run again, Brooks Fuller, Morton Cordell and Glen Seidel. Because one position is to complete the term of former director Larry Versaw who is now on the Club Board, there are two, three-year term positions and one, one-year term position. To apply, provide written notice of intent to run to me theodoramorose@outlook.com or Secretary Morton Cordell, morton@silkradassociates.com no later than 5 p.m. on May 1, 2024.

I've served on the Homeowners' Corporation Board for eight years now and I can tell you that it is a rewarding experience. Yes, it demands some commitment to attend meetings (quarterly business meetings of the board, occasional special meetings and three-board meetings). However, I still have time to play golf three times a week. And board service is where you can be a part of taking The Villages into the 21st century and beyond.

The annual meeting is scheduled for June 12 and at that time we'll report on our accomplishments for the year. In the meantime, I hope you'll consider attending not only our quarterly business meetings but Club Board meetings to keep abreast of what's happening in The Villages. Board meeting attendance is how you can participate in continuing The Villages' tradition of being the best place to live for active seniors in the Bay Area.

—Teddy Morse, Homeowners' Corporation Board President

Club Nominating Committee seeks candidates

The Villages Golf and Country Club Board Nominating Committee is actively seeking candidates for election to the Club Board of Directors. The Club Board is responsible for the management of Club operations including, but not limited to, all recreational, social, and cultural events in operation at The Villages, as well as the community centers and adjoining swimming pools, the Clubhouse/Pro Shop complex, the two golf courses, tennis courts, etc.

The Club governing documents provide that there shall be seven directors, and an election will be held during May and June for three director positions to serve three-year terms, and one director position to serve a term of one year. (The one-year term is the final year of a three-year term of a former director due to resignation.)

It's a rewarding experience to participate in the governance of this vibrant community. The Nominating Committee urges all Villages' property owners to consider involvement in the community decisions through service on The Villages Golf and Country Club Board of Directors.

If you are interested in being a candidate, and/or need additional information please contact any of the Club Nominating Committee Members: Vivian Brown vivianbrown1328@comcast.net; Beverly Poellot bpoellot@gmail.com and Julie Wash jwash191@yahoo.com

MANAGEMENT

What's it going to take?

By Arlene Versaw

We get it. In general, folks don't like to think about bad things happening. Or they don't believe bad things will, in fact, happen to them or their community. That's denial and complacency in their most basic form. But they can be our worst enemy. Such as when either of them keeps us from taking the necessary steps to keep ourselves safe. Such as when they have us turn a blind eye to warnings that The Villages really does sit on a confluence of earthquake faults. Such as when procrastination is far more attractive and far easier.

But letting denial or complacency get the upper hand is dangerous. Taking action takes effort, but not a lot. And it generally only takes a single one-time effort—to sign up for the Villages Alert System, to check the EPC website for a list of items for a Go-Bag, to determine what route you might take in an evacuation and where you will go to after you evacuate, to plan for how you will deal with your furry family members.

So, what's it going to take? Just one day of commitment. One day that can provide peace of mind that you are ready to face the inevitable. Denial and complacency are much more enticing. Ignoring the steps needed to ensure safety is far easier. But it is not in your best interest nor that of your community.

Visit thevillagesepc.com to get started. It has all the information you need to take this important step. And if you need assistance, we can help. Contact EPC Co-Chair Diane Finley at epc.diane@gmail.com. Act now!

(SRS) SENIOR RESOURCE SERVICES

Want to change your Medigap health plan?

By Douglas Campbell, HICAP counselor

This past fall, October 15 through December 7, was the Medicare Annual Enrollment Period (AEP). For Villagers in Traditional Medicare, the important thing to do during AEP is to check through Plan Finder on the Medicare.gov website to be sure that you are in the appropriate Part D drug plan. I talked with many Villagers during AEP in 2023. Many of you switched to D plans that saved significant money on premiums and drug costs.

For a general description of the AEP please visit cahealthadvocates.org/the-basics and click on **Annual Enrollment Period (AEP)**.

Persons in Original (also termed Traditional) Medicare usually also sign up for a Medigap supplement plan in addition to a Part D drug plan. The Medigap plans come in 10 different varieties and price range and cover many if not all of the “gaps” that Medicare does not pay.

A frequent question I am asked: “If and when am I able to change my Medigap supplement plan?”

In California the time to do that is specified by **The Medigap Birthday Rule**. This rule permits a person to change to any equivalent level or lower level Medigap plan on the day of one’s birthday and for the subsequent 60 days. One will not be required to go through health screening in changing plans; you have what is termed **Guaranteed Issue**. So if you are unhappy with your Medigap plan for any reason, for example a steep premium increase, contact us at Sourcewise HICAP and we will send you information and guide you in selecting an appropriate Medigap plan. If you are happy with your Medigap plan, you need to do nothing. The plan will automatically continue as long as you pay the premium each month.

My contact information is dcampbell@mysourcewise.com. If you prefer to leave a phone message rather than email, my direct number at Sourcewise is **408-610-8059**.

HICAP (Health Insurance Counseling & Advocacy Program) is a non-profit volunteer-based counseling program to help senior citizens needing education and assistance with the complexities of Medicare, supplemental health insurance and Health Maintenance Organizations. HICAP is organized under the County’s group called Sourcewise, which provides services for seniors and low-income residents. The HICAP volunteers are overseen by paid County employees.

For information about Medigap plans in California, go to the following link for details beyond what I have time to discuss in this article: cahealthadvocates.org/medigap/

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagersrs@sbcglobal.net. The web site is www.thevillagesgcc.com/srs. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.

SRS Reminder:

Get ready for higher RMDs for 2024

Last year’s strong market performance means this year’s Required Minimum Distributions (RMDs) are likely to rise for many. For some, that’s good news. For others, not so much.

RMDs are the amount of money people 73 and older must withdraw from their tax-deferred retirement accounts by year’s end. These distributions are calculated by dividing a retirement account’s value at the end of 2023 by a factor from an IRS distribution table based on the age of the account holder at the end of 2024.

For Villagers who use their RMDs to help pay for living expenses, this year’s increase is a bonus. The higher distribution signifies that your retirement accounts have recovered a good amount of the assets they withdrew the prior year.

But the extra income can also be a problem. It could push you into a higher tax bracket and it might force a surcharge on future Medicare premiums, which are based on past income.

From there a short ferry ride through the bay takes us into Downtown Sausalito. Sausalito is a tranquil artist community on the coast with a "small village feel." Craig will give a brief walking tour before giving you time to explore the galleries, boutiques and boardwalks on your own.

Lunch will be at the Sausalito Seahorse which features traditional Tuscan coastal cuisine. Beverage choices are iced tea or water. We will enjoy a three-course meal including:

- Bruschetta (diced tomato, garlic, and basil on homemade toasted bread)
- Rigatoni Semplici (tube pasta, sweet tomato, and basil)
- Half Galletto al Mattone (roasted game hen, potatoes, and mushrooms)
- Tiramisu

After lunch we will head to the Bay Model Visitor Center. The Bay Model is a working hydraulic model of San Francisco Bay, the only one of its kind in the world! The U.S. Army Corps of Engineers built it in 1957 to study impacts on the bay and related waterways. It is now used to educate on tidal flow, water pollution and other bay-related issues. Before heading home, you will stop at the Marin Headlands. This part of Golden Gate National Park has spectacular views of the city and the Golden Gate Bridge.

Activity Level: Moderate (partial bus, boat and walking tour). Due to the Bay Area weather, attire is casual and warm. Gratuity for the driver and guide is included in the price. Additional tipping is at your discretion. Register in Building B during office hours beginning Monday, March 18. Registration ends Friday, April 5 or sooner if spots fill up. The cost is \$113 per person and includes round trip transportation, meal, ferry ticket and escort.

St. Patrick's Day Activity: Clover Creations

Shamrocks and clovers are both symbols of St Patrick's Day and Ireland. Shamrocks always have three leaves and can come in colors besides green. Clovers usually have three leaves, but a four-leafed clover is a rare occurrence.

What you will need to make your accessories:

- Green felt
- Scissors
- Gold Ribbon
- A clothing item with buttons

Instructions for Button Cover:

- 1) Use the provided template to draw a clover onto the green felt. Then cut out the shape.
- 2) Fold the clover in half and cut a vertical slit based on the length of your button.
- 3) Button your garment as usual. Slip the clover over the button so it lays behind the button but in front of the fabric.

Instructions for Bracelet/Choker:

- 1) Use the provided template to draw a clover onto the green felt. Then cut out the shape.
- 2) Fold the clover in half and cut two vertical lines according to the width of your ribbon.
- 3) Slide the ribbon through the slits and tie around your wrist or neck. Adjust the length of the ribbon based on how you want to wear it.
- 4) Alternative: Instead of using a ribbon thread a shoelace through the slits before lacing your shoes.

Please send a picture of your creation to The Villages' Recreation Services at recreation@the-villages.com as we would love to see how you wear them. A sample is available for viewing in Building B.

Opera Lovers to present 'Otello'

On **Thursday, March 21 at 1:30 p.m.** in Montgomery Center, The Villages Music Society's Opera Lovers will present "Otello" by Giuseppe Verdi.

Legendary Italian director Franco Zeffirelli and renowned tenor Placido Domingo unite their mighty talents for this gorgeous production of composer Giuseppe Verdi's classic opera based on Shakespeare's timeless, tragic masterpiece "Othello."

Victorious general Otello (Domingo) returns in triumph to his adopted city of Venice after vanquishing its foes at sea. However, not everyone is poised to give him a hero's welcome. Even as his beautiful wife Desdemona (Katia Ricciarelli) lavishes him with affection, Iago (Justino Diaz), a disgruntled ensign, plots his downfall. And, when Iago uses Otello's own madly jealous nature against him, he drives an irreparable wedge between husband and wife—with devastating consequences.

Filmed in Heraklion, Crete, the setting is unbeatable, and Placido Domingo, in one of his signature roles, is at his glorious best vocally. The drama is heavy but the music soars.

All Villagers are welcome to attend; no registration is required. For additional information, please call Mary Stradner at (408) 887-3293. Also visit VillagesMusicSociety.org for information about VMS events.

If you need a ride to and from this event, please contact The Villages Medical Auxiliary at (408) 238-4230 as soon as possible to schedule your transportation. Please tell them that this opera lasts 2 hours 10 minutes.

Get James Taggart's prints at Art in the Park

By Tere Barbella and Diane Finley

We live in one of nature's most beautiful areas in California and are blessed to have some exceptionally talented people who can capture that beauty through their art. James Taggart is one of those. As a new member of the Villages Arts and Crafts Association, James shares his love and talent for photography with others. He grew up watching his dad dabble in illustration and then became a fine arts major in college. His fascination with photography grew when he got his first camera and realized that he had a knack for capturing images on film. His photos are a mix of travel pictures and local wildlife. He also experiments with abstraction as he is inspired by 20th century art and the Abstract Expressionists in particular.

James will be selling his professionally produced prints on archival paper and metal and his pieces range from notecards to large prints. You won't want to miss an opportunity to bring some Bay Area beauty into your own home through his unique work!

Mark your calendars for this very popular *free* event: Art in the Park on **Saturday, April 20** from **10 a.m. to 2 p.m.** at Gazebo Park. All Villagers and their guests are welcome. Sorry—no pets, please.

Calling all watercolorists

Ciel Duke will be teaching a four-week Intermediate Watercolor class, on **Wednesdays, April 3, 10, 17 and 24**, from **10:30 a.m. to 1 p.m.** “Springtime is an excellent time of year to paint watercolors,” said Ciel. “The colors of the sky, the hills, trees and mountains just beg to be painted!”

Each 2.5 hour class includes a brief lecture on a new watercolor technique followed by a demonstration. Students then use the new technique to complete their own painting. Emphasis will be placed on establishing your own artistic style, which is something that just “happens naturally” with more and more painting experience, according to Ciel. Since watercolor is a spontaneous, fairly fast process, students will complete one or possibly two

paintings per class. At the conclusion of each class, paintings are displayed for comments. This process always produces unexpected benefits, as students see the many ways others have interpreted the same subject along with the thrill of receiving sincere compliments on their own work!

Prerequisite: Prior experience in watercolor, either in Ciel’s Beginning Watercolor class or elsewhere. The cost is \$120 and includes all materials and supplies. If you have a favorite brush, feel free to bring it. For more variety in brushes, visit <https://a.co/d/OZxExns>

Ciel’s popular classes always fill up quickly, so don’t delay in contacting Barb Gottesman, Art Classes Coordinator, at barb.gottesman@gmail.com to register.

Senior Academy’s second quarter just around the corner

By Arlene Versaw

We hope that you have enjoyed the programs we’ve presented so far this year. As we slip into the next quarter of 2024, it’s time to release the Senior Academy calendar for April to June. As always, our presentations are diverse and designed to entertain, educate and inform. Here’s what’s in store for the next three months:

April 10 brings you wildlife photographer Joan Sparks with her introduction to brown bears in Alaska and the “warlords of the sky”—the impressive raptors—owls, hawks, falcons, eagles and vultures. Villager John Trudeau will return on **April 19** with a repeat of his popular discussion of Patagonia that was so well-attended we had to close attendance and could not accommodate all who wanted to come.

In May, we’ll bring you a discussion of Artificial Intelligence (**May 12**) by a San Jose University associate professor of computer science who will touch on ethical considerations, its relationship to healthcare for seniors and cognitive assistance, for example. We’ll also present an Evolution of Silicon Valley (**May 29**), a look at the Valley of the Heart’s Delight and how the community’s sense of place evolved in the transition from rural, agricultural lands to a major technological center.

June is all about foreign places: A brief history of exploration in Antarctica—Follow the explorers, sealers and whalers to this remote region and learn about what they discovered (**June 6**) and experience an inside look at the culturally rich Buenos Aires (**June 18**).

And, of course, each month, Technology Explorers will present intriguing topics from the worlds of science and technology (**April 1, May 5 and June 3**).

So, watch this space for details and guidance on how to register, and plan on joining us.

VAT to produce ‘Man of La Mancha’

By Nancy Keane

The Villages Amateur Theatre group is excited to bring to the stage this musical production of “Man of La Mancha.”

“Man of La Mancha” is a 1965 musical with a book by Dale Wasserman. It tells the story of the “mad” knight, Don Quixote, as a play within a play, performed by Cervantes and his fellow prisoners as he awaits a hearing with the Spanish Inquisition. The work is not and does not pretend to be a faithful rendition of either Cervantes’ life or Don Quixote.

Don Quixote is an elderly gentleman from the region of La Mancha in central Spain. Obsessed with the chivalrous ideals touted in books he has read, he decides to take up his lance and sword to defend the helpless and destroy the wicked.

At its heart, “Man of La Mancha” is about the 1960s, and by extension, about any time of political unrest—including today—and it is about

the responsibility of each of us to make the world a better place than we found it. The beautiful song, “The Impossible Dream” is central to this theme and will bring tears to your eyes with the inspiring lyrics.

Please mark your calendars for **Friday, April 26 at 7:30 p.m.**, and **Saturday, April 27 and Sunday, April 28 at 2:30 p.m.** in Cribari Auditorium. Tickets will be on sale in the Redwood Room on Saturdays, April 13 and 20 from 9 a.m. to noon.

Ways to recycle plastic bottles

By Toni Thunen, Sustainable Villages Community

In the spirit of best recycling practices with a bit of an additional benefit, you might consider taking your plastic bottles to the local CVS located at San Felipe and Yerba Buena Road. Count the number of plastic bottles and place them in a paper bags. The manager at CVS says that 50 bottles in a bag is what they usually take. You will be able to get back the CRV redemption amount charged when the items were purchased. Generally you can expect \$1.32 per pound (24.3 bottles).

While most of us are familiar with aluminum can recycling efforts of the VMA here at The Villages, plastic bottles/containers are currently not part of that effort. Those items should be placed into the recycling bin whose contents are then sorted. While the recycling effort by the City of San Jose attempts to make the best effort, many plastic items are likely missed amidst the millions of pounds of “our” recycled items each week.

CRV recycling sites may be difficult to come by, so our local CVS is very convenient for Villagers. (Go to the calrecycle.gov web site for more information.)

What is Purim?

By Barbara Tommaney

The holiday of Purim is a joyous one that celebrates the preservation of the Jewish people in the ancient Persian empire during the 3rd Century BCE. The story of Purim has all the ingredients of a modern day melodrama. There is a villain, Haman, who wants to kill all the Jews in Persia in a single day. A misguided King Ahashuerus who has his Queen Vashti executed for failing to follow his orders. And finally the brave heroine of the story, Esther, who wins a beauty contest to become the next Queen. But she concealed her religious identity leaving the King unaware that she was Jewish.

When Queen Esther heard about Haman's evil plan, she stood up before the King, told him she was Jewish and begged him to spare her and her people. Because King Ahashuerus loved her, he did all she asked.

On Purim we celebrate Esther's bravery with gusto. Many people wear costumes and when the story of Purim is read, Haman is booed and we cheer for Esther. It is traditional to serve the most famous Purim delicacy, the hamantaschen, a three-cornered pastry, shaped like Haman's hat, filled with fruit, chocolate, or poppy seed.

EPISCOPAL

'The Sainly Shamrock'

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

Perhaps best known in contemporary times as the patron saint of green beer and mid-March revelry, Saint Patrick is also the patron saint of Ireland and its national apostle. Born to a prominent family in Roman Britain in the 5th century, Patrick was reputedly kidnapped by Irish raiders at 16. He escaped captivity in Ireland, but ultimately returned to the site of his enslavement. Where he was credited—apocryphally—with miracles like banishing snakes from the island. And also with bringing Christianity to its people. This claim may too have been exaggerated: a Roman bishop named Palladius was already ministering in Ireland. Nevertheless, Patrick's personal experience of finding freedom in Christ—alongside his knowledge of Ireland's language and customs—facilitated his work in converting and baptizing Druid priests, chieftains and aristocrats by the thousands.

Would that we all brought such joy and authenticity to our work as evangelists! Not to mention creative use of local resources, like Patrick's employment of the three-leaved shamrock to explain the doctrine of the Holy Trinity. Whatever else may be true of the saintly Patrick's history and character, it's certain that he loved the emerald island of his enslavement, and came to understand all of its people and plants as signs and symbols of God's love. Does something growing in your garden tell a story of God? Has something in your past made you stronger for telling God's story of abiding love and freedom? Lift a glass to the saint who showed the way!

COMMUNITY CHAPEL

'When You Know Jesus Is Lord'

By Pastor Bill Hayden

Why all the worry when you know the results beforehand? If you and I live in a broken world governed by broken people, things will always go wrong! So, with confidence, as inscribed on all our currency... "In God We Trust," make that your motto! There are too many variables in life to put our trust and hope in unstable and inconsistent systems and people.

A double-minded person who lives life by the dictates of men will seldom be at peace. Proverbs 29:2 NKJV "When the righteous are in authority, the people rejoice; but *when a wicked man rules, the people groan.*" A perfect world will never be acquired by following vain and selfish desires that do not exalt the righteousness of God or show respect for all people.

When you know and truly believe to the core of your being that God is in control of the affairs of your life... you will possess the peace of God! **Jeremiah 29:11** "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." There is peace and joy in walking in this knowledge.

I long for the people of this land to pray to our God, who has numbered our days to raise men and women for justice and the godly way of life. May our prayers keep our hearts tender in our development of character, conduct, and favor with God through obedience.

Prayer may seem insignificant in the eyes of the world and the unbelieving, but it is crucial in God's movements and plans concerning our lives. In countless instances throughout history, great leaders of integrity have called upon the people to pray when difficult situations were at an impasse. To everyone's amazement, there was a breakthrough in most cases, and the people rejoiced while other nations revered them.

I leave you with **Psalm 37:1-2** *Fret not yourself because of evildoers; be not envious of wrongdoers! 2 For they will soon fade like the grass and wither like the green herb.*

God is at work in every detail concerning this life and the promise of eternal life to those who love His son, Jesus.

Celebrate with us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word of Life, enjoy a cup of coffee and cookies with friends. The chapel is a place for *needs to be met, faith to be affirmed and new friends to embrace*. You can view our worship services on YouTube at Villages Community Chapel San Jose, CA or villagescommunitychapel.vgcc.club

CATHOLIC COMMUNITY

'New Covenant Relationship with God and our Community'

By Robert A. Dolci, M.Div., M.A.

Nearing the end of Lent, we seek a deeper appreciation of Christ's salvific passion and death for all peoples. We can be comforted by our covenant relationship with God and ever grateful for Christ's life in us, which inspires us to be like Christ in every aspect of our lives.

The prophet Jeremiah (31:31-34) inspires the people of Israel and Judah while they were exiled in Babylon with the comforting words that God establishes a new covenant relationship with them. God writes his law on their hearts and not on tables of stone, promising to forgive their offenses and forget their evil deeds. In a similar fashion, Jesus establishes a new covenant relationship with us through his suffering and death. We experience this relationship every time we participate in the Eucharist and when we carry our Jesus' call to strengthen our relationships with others by deeds of forgiveness and love.

The author of the Letter to the Hebrews (5:7-9) further explains Jesus' saving passion as the source of and cost for our salvation. Jesus' entire life is presented as a salvific offering to God for us; he offered prayers to the Father and learned obedience through suffering for us. This can inspire us to be ever grateful for Jesus' generous life, selfless suffering, and tragic death—all done for our salvation.

In the Gospel, St. John (12:20-33) uses the analogy of grain dying and producing fruit to motivate the disciples to serve God selflessly through generous acts of love, thereby revealing Christ to the world. Just as Jesus was the model of a life of love to the disciples, so we are called to reveal God's love to others, thus demonstrating that Christ's new covenant relationship with us is alive and well.

SPORTS NEWS

WOMEN'S 9-HOLE

By Pam McCarthy

Forty-six ladies under many, many compound layers of golf and winter clothing were ready to compete for the March 5th Captain's Trophy. At least one Stay Puft marshmallow character, disguised as a golfer, was in every foursome. This beautiful winter morning could not have been more spectacular! This valley's surrounding gorgeous shamrock-colored hills were sprinkled with countless graceful patches of brilliant mustard flowers. The intermittent breezes were consistent and cold enough to convince all of us that the Stay Puft marshmallow characters were the smartest competitors on the golf course.

Our Captain's Trophy and all the accolades go to Kathy Pennington who shot a 34 on the Front 9. This is second time Kathy has won Captain's Trophy since she joined the Swingers a few years ago. There were two chip-ins, both on hole #5: Anka Hoek and Giselle Barber. Sadly, there were no Birdies. But the good news is ...every time a golfer makes a Birdie, they must subsequently make two Triple Bogeys in order to restore the universe's fundamental equilibrium. No worries about that scenario this week.

Daylight Saving Time arrived Sunday, March 10. We can look forward to sunnier, longer, warmer spring days and long rolls on the fairways soon!

P.S. Kathy's Stay Puft marshmallow suit is not for sale

PINSEEKERS

By Jim White

First, a correction to last week's article: While wishing for clear skies and gentler winds I errantly mentioned "... for the next few Thursdays." The Pinseekers play on Fridays! However, we did get our wish and the weather was perfect, the greens and fairways were amazing.

March 8 saw 13 Pinseekers tee off on number 10. After nine holes, the results were: First place with a Net 2 under par 34, Jim White; in second place with one over par, Net 37, Martin Hoek; Third place was a tie for Mike Falarski and Lawrence Chin at Net 38; the fourth spot was also a tie between Don Lee and Leighton Horio with a Net 39.

While the weather forecast says that some light rain may be arriving early in the week, our Friday contest appears to be safe from any rainout. Early forecasts also predict clear to partly cloudy for March 22. Stay hopeful.

PICKLEBALL

Pickleballers take trip back to the '70s

By Anahid Gregg

For more information, visit our website at vil-lagespickleball.vgcc.club

The Pickleball Club is rockin' again! After a hiatus during the pandemic, the Pickleball Club hosted its first Clubhouse Event since 2019. Sherry Benz and Michelle McQuay led an able team of volunteers to make the event a smash!

We took a trip back to the '70s with popular Bay Area band Phil 'n The

Blanks. Most of the attendees dressed up, ranging from laid back hippie to disco diva. With wild wigs and outfits, many were unrecognizable! The decorating committee led by Diane Finley & Tina Parsley did an incredible job of transforming the Clubhouse into '70s haven, including the cutest

photo booth ever!

We enjoyed a delicious dinner menu from way back when, and an amazing burnt almond cake for dessert. But the focus of the party was on the dance floor. Phil 'n The Blanks got a break long enough for us to raffle off door prizes, but other than that people were dancing non-stop. We heard a few people had to cancel their court reservations because their feet were so sore!

This event kicks off our fun-filled schedule for 2024. Make sure to click the Calendar link to see all our events – monthly Friday Dink & Drinks starting

in April, both internal and external Tournaments, BBQ Bocce event at the Gazebo and our 3rd annual Taco Party! Pickleball is great fun on and OFF the courts!

18-HOLE WOMEN

By Chris Leisy

It seemed like it was groundhog day, as it was Captain's Trophy day again. It was a cold and dreary day, but Millie Ann Schwerin was able to win the Captain's Trophy with a net of 70. She also won low putts along with Kerry Besmehn with 30 putts. Congratulations to you both.

Next week is our annual Charity Tournament. This year we are supporting the Hospice of the Valley. I'm sure this organization is close to many of our hearts. This organization helps families enjoy life to the fullest and honoring their wishes. Thank you, Holly McGowen and Diana Hallock for all their work to making this wonderful tournament. We will see the results next week.

Kerry Besmehn has been organizing our first Women's Saturday golf day. It's an 8:30 shotgun on March 16. If you are interested, contact Kerry.

March 21 is a no sweeps day as they will be aerating. Just sign up on Chelsea and enjoy a casual game of golf.

On March 28, it's time to Fling into Spring for our first guest day. You can invite any woman who has an official 18 hole handicap. It could be your invitational partners or a neighbor that is thinking of joining our group. There will be two flights—a member and guest flight.

It's not too late to sign up for the Partners Ecclectic. Find a friend and give Lo Rube \$5 for each player. We are a very busy group and we have many more fun events planned for the year so stay tuned.

BOCCE NEWS

Spring Mixer to start 2024 Bocce Season!

By Tom Hunt

As the buds begin to bloom, it's time to roll into the season with an event that promises fun, camaraderie, and a healthy dose of friendly competition—the Bocce Spring Mixer! Our first tournament of 2024 is set to bring together players of all levels for unforgettable Bocce action, and get new players involved in the game of bocce.

Bocce, often referred to as the "sport of kings," is a classic Italian lawn game that has gained popularity worldwide for its simplicity and accessibility. All you need is a set of bocce balls, a smooth playing surface, and a desire to have a good time. And here in The Villages, we've got plenty of that!

The Spring Mixer is a celebration of this timeless game, where teams will be formed with players of varying skill levels. Whether you're a seasoned pro or a complete novice, there's a spot for you on one of our teams. It's all about coming together as a community, making new friends, and enjoying the thrill of competition in a relaxed and welcoming atmosphere.

Before you hit the court, be sure to attend our Bocce Boot Camp which is designed to give players a crash course in the fundamentals of the game. Learn the ins and outs of bocce strategy, practice your throwing technique, and get tips from experienced players to help sharpen your skills. Whether you're a newcomer looking to learn the ropes or a seasoned player looking to refine your game, the Bocce Boot Camp is the perfect way to prepare for the Bocce season ahead.

For the latest updates on dates for these exciting events and other Bocce Club activities we encourage you to stay informed by visiting the bocce website, villagesbocce.vgcc.club. We're looking forward to seeing you on the courts soon!

SHONIS

By Betty Hall

Brr, March is supposed to be a little bit warmer. But last Tuesday, 20 die hard Shonis plus a qualifier came out to golf our Captain's Trophy game. So, the weather must have agreed with Donna Erickson as she won both the Captain's Trophy for a low gross of 37 and a low net of 17. She is a relatively new Shoni, and this is her first Captain's Trophy win. Congratulations, Donna.

We had a couple of interesting golf shots last Tuesday. Peggy White hit her drive on Hole 3 and it hit on the far edge, popped up and landed about 18 inches from the pin. She promptly sunk it for birdie.

While over on Hole 2, Meg Rogers flubbed her drive, then flew her second shot through the left-hand side trees towards the Hole 1 green on the long course. So over she went and proceeded to chip in about 100 feet (on a 62-foot hole!) for a very nice par.

And that was our day of amazing golf shots.

Happy St Paddy's Day to everyone. Enjoy.

TENNIS TALK

By Sherry Benz

They say there is no “free lunch.” But here is something fun and free for all Villagers. The Tennis Club presents our annual Open House on **Tuesday, March 26** from **1 to 3:30 p.m.** at the courts. Our Villages Tennis Professional, Brett Foreman, is planning an exciting afternoon. He describes it as “Tennis Olympics with a Carnival Theme.” Intriguing? Join to meet the challenges he has created for us, namely drills, skills and thrills. Tennis Anywhere in Los Gatos will provide demos of some of the newest racquets for you to try. Come shod in tennis shoes for “on the court” fun. There will be prizes, games and strawberry shortcake! No reservations required. Questions: Contact Lolivic Shaw (Lolivicshaw02@gmail.com) or Jamie Dickson (runman001@aol.com)

Jump Start kicks off at the Tennis Club Open House. Whether you are a beginner or just “rusty”, our Villager “experts” are ready to help you learn and improve your strokes. Jump Start will meet on successive Tuesday afternoons beginning April 2 for 10 weeks at 5 to 6 p.m. Don't have a racquet? No worry, we have racquets donated by our members and would love to give you one. This is a wonderful opportunity to learn, meet others at your playing level and...all free of cost! Questions? Contact Sherry Benz (408-223-6882 or sabenz@sbcglobal.net.)

Don't forget ... the Prescott tournament is March 16 9 a.m. – 1 p.m. and the courts will be busy with this fun, round robin event. All registration fees and donations benefit the VMA which provides much needed services to our residents. Questions? Contact Cheryl Diltz (capecod0415@yahoo.com) or Joy Rem (jkr1787@gmail.com). Cheerleaders welcome in the stands!

The VTL (Villages Tennis League) is off to a great start. Thanks to Roy Pennington, Jim Murphy and Peggy Seidel for organizing this program. It has been such fun to be on the courts with lots of different players. If you are interested in being a sub, give Roy Pennington a call (505-410-3449 or rpenn1700@aol.com).

Betty Olsen's 6.5/7.0 team is underway. Our next home match is at 10:45 a.m. on Friday, March 15. We sure could use you support!

IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen are in afternoon play, gathering every Thursday afternoon at 1 p.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

Thursday, March 7, 2024, was partly sunny/cloudy with very mild temperatures. Another great day for some golf. Nine Ironmen Played.

Victor Hong and Mike Schwerin tied for **Third Place**, each with a net 27; Jerry Juracich won **Second Place** with a net 24; and Tibor Fabry won **First Place** with a net 20.

There were two **Birdies** today, both by Mike Schwerin on holes 1 and 8.

Mike Schwerin won **Closest to the Flag** on hole 6 at 4 feet, 9 inches.

Mike Schwerin also won **Low Gross** with a 29.

Golfer of the Day honors go to Mike Schwerin with low gross, a third place finish, and closest to the flag. Way to go Mike.

The Ironmen 9 hole, par 3 group would love to add new members. We are a very sociable group, and play basically pressure-free golf. And the first round is on us. Just call Jerry Juracich at 408-440-8283.

Tips from the Pro— Playing Golf vs Practicing Golf

“Why do I do so well when I practice, and then it all falls apart when I play?” Golf is the only sport that you do not practice and play on the same “field.”

Practice

- Controlled environment – no bad lies – usually don’t practice in poor weather conditions
- Repetitive – a pile of balls
- No repercussions – not keeping score – focus is quality shots vs score
- Narrow focus – alone with your thoughts – practice at your own pace
- Minimal distraction – you are the only one there

Playing

- Only one try – golf is very dynamic and never repetitive
- On “stage” – you rarely play alone and everyone in your group is watching you
- Multiple distractions – four-some dynamic / rules to follow / other golfers / pace can be slow or fast / etiquette
- Self-imposed pressure – emotional reactions / embarrassed / nervous / anxious / score is the basis of success
- Varying conditions – bad lies / uneven lies / wet turf / bare turf / slow or fast greens / weather, wind, rain

How to play better golf...play golf like you practice

- Be prepared – show up on time, have everything you need
- Have fun! Keep it light – stay relaxed
- Play with people that you are comfortable with
- Don’t focus on score – let it happen then tally score at the end – one shot at a time
- Know your game & tendencies – play to your strengths and avoid your weaknesses

If you are in a competition that is more serious...Try to re-create the “environment” that allows for your maximum performance that you are able to find when you practice... so, on the golf course create a controlled environment, repetition, focus and freedom.

How? Develop a **pre-shot routine** cadence-rhythm / decision making-strategy / visualize success / feel the club / relax / execute.

Let us know if these tips help. To sign up for a lesson with Scott, email him at sssteel@the-villages.com

Call 911 for medical emergencies

Public Safety would like to remind you, in the event of a medical emergency, please remember to dial 911 first.

Public Safety monitors all emergency calls through San Jose Fire Dispatch. We will respond at the exact same time as the Fire Department and Paramedics.

Calling the front gate can only delay response time by emergency personnel. It is always quicker to call 911. It is the only phone call you will need to make.
