Senior Academy Tech Explorers: The Promise of Fusion Energy

The nuclear fusion breakthrough reported broadly in recent weeks is very exciting! At the Senior Academy Technology Explorers Zoom meeting at 1:30 p.m. on Monday, February 6, we will look at the progress being made in harnessing this powerful energy source.

Nuclear fusion is what powers the sun, and, if we can make it work here on Earth, it would be a limitless and virtually pollution-free source of energy for all humankind. In this upcoming session we will look into the science behind fusion energy and talk about why making it a commercial energy source is such a difficult goal to achieve.

Research into commercial fusion power has been going on since the 1970s and we will examine the recent advances in the development of controlled fusion energy, and the current global activities working to make it a practical power source. Join us for this exciting peek into the future of this remarkable resource! Register at VillagesSA.org.

PULSE

Dear Readers:
The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Letter authors are limited to one published Pulse letter per month. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Hinrichs: shinrichs@the-villages.com. E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER.

Note: Pulse authors are solely responsible for the statements and opinions contained in the Pulse letters. The Villager does not verify the accuracy of any statements.

Thank you Villages Maintenance and BrightView employees for exposing yourselves to the severe winds and rain to protect our homes and property from falling trees and branches, clogged drains, dangerous puddles and water damages in and around our homes and on the golf course. As I watched you—covered in rain gear with the cold wind and rain pouring down on you—from my cozy car or home windows, I thanked you silently for doing a job I would never choose to do myself. So it seemed only right to speak out (write) a public thank-you for all of us appreciative Villagers and your friends throughout The Villages.

—Susan Mackenzie

I want to suggest that management schedule a meeting so that Villagers can meet our new General Manager, Theresa Ostrander. Those members of our community who have had the pleasure of meeting Ms. Ostrander have come away with a high opinion. But those of us plebians have not had an opportunity to learn more about Ms. Ostrander, her background and plans for The Villages. Isn't it time?

—Barbara Tommaney

The following text appears on page 16 of The Villager of January 12, 2023:

“According to Gingrich, the struggle between the defenders of America as an exceptional nation and the forces of anti-Americanism is reaching a fever pitch. These forces have grown so large, so well financed, so entrenched and aggressive that they must be studied closely and understood completely if America is to survive this imminent civil war. This movement is seeking to destroy true, historic American values and replace this country with one that's imposed on us by the combined power of government and social acceptance.”

I find this text offensive. It labels me, and I'm sure a sizeable number of members of The Villages, as anti-American. I believe that this kind of language should never be printed in our community newspaper regardless of its author or the context in which it is being quoted.

—Leo Riener

THANK YOU

Found: Our cat Grady has come home! Thank you to all of the wonderful Villages residents who offered us support and helped us to bring Grady back home.

—Don and Laura Jacobus

BOARDS & COMMITTEES

The Homeowners' Corporation needs you

Did you just move to The Villages and are looking for a way to meet people and be involved in the community? Are you recently retired and ready to join the many volunteers that help make The Villages the community we all enjoy? Have you lived in The Villages for some time, but haven't found a volunteer job that interests you?

The Homeowners' Corporation Board of Directors has a volunteer opportunity for you. The Architectural Control Committee (ACC) has openings for associate members. This committee is comprised of single-family homeowners and has the responsibility of reviewing homeowner applications to make changes to the exterior of their property. Serving on the committee is a great way to get to know all five Villages that contain single-family homes and to help your neighbors through the process of applying to the ACC.

The committee consists of three voting members and an unspecified number of associate members. The committee meets once a month on the first Thursday of the month at 3 p.m. The next meeting is Thursday, February 9, 3 p.m., in the Cribari Conference Room.

If you are interested in learning more, contact ACC Chair Morton Cordell, 408-622-4469, morton@sra-usa.com, CFO/ACC Liaison Rob Kirschbaum, 261-960-4820, newadventure@comcast.net, or Homeowners' Corporation Board President Teddy Morse, 408-394-5229, theodoramorse@outlook.com.

Club Nominating Committee seeks candidates

The Villages Golf and Country Club Board Nominating Committee is actively seeking candidates for election to the Club Board of Directors. The Club governing documents provide that there shall be seven directors, and election will be held during May and June for two director positions to serve three-year terms.

The Club Board is responsible for the management of Club operations including, but not limited to all recreational, social, and cultural events in operation at The Villages, the community centers and adjoining swimming pools, the Clubhouse/Pro Shop complex, the two golf courses and tennis courts.

It's a rewarding experience to participate in the governance of this vibrant community. The Nominating Committee urges all Villages property owners to consider involvement in the community decisions through service on The Villages Golf and Country Club Board of Directors.

If you are interested in being a candidate, and/or need additional information please contact any of the Club Nominating Committee Members: Andrew Altman at 207-210-8210 or Andy@ASAltman.com; John Laws at 408-532-7954; Vivian Brown at 408-274-5850 or vivianbrown1328@comcast.net; Beverly Poellot at 408-300-1009 or bpoellot@gmail.com; and Mohan Rao Aiyagari at 408-828-3709 or mvaiyagari@sbcglobal.net.

The Villages Executive Leadership Round Table

Come meet and chat with The Villages Board Presidents Leslie Lambert (Club), David Cook (Association) and Teddy Morse (Homeowners) and General Manager Theresa Ostrander.

This open event is scheduled for Monday, February 13 from 3 to 4 p.m. in Foothill Center and provides an opportunity for you to ask questions, provide suggestions and share concerns.

Association/Homeowners documents available via e-mail

Per an amendment to California Civil Code, homeowner associations are permitted, with owner's written consent, to distribute annual disclosures, (like the pro forma budget summary) and other specified association documents to owners via electronic mail, facsimile, or other electronic means (such as posting on the association's website) instead of sending those documents out by regular mail or personal delivery. This has the potential to provide cost savings to The Villages. Delivery and postage costs for the Villages' annual distribution of the pro forma budget summary alone are close to \$1,000, not to mention the paper and printing costs.

In order to transmit association documents via e-mail or by posting on the homeowners association's website, 1) the homeowners association must first receive the owner's written consent, and 2) the homeowners association sends a separate notice to the owner that the documents have been posted and are available for viewing.

Consent forms for owners to request delivery of documents have been developed for both The Villages Association and Homeowners Corporations. These forms provide an owner's consent to electronic delivery of documents that are capable, under current laws, of being distributed electronically. Owners have the right to revoke this request and receive "hard copies" of the documents by sending a written revocation signed by the owner, to the applicable corporation.

Forms of owner's written consent are available in Business Administration Buildings A and B, and on The Villages web site, <http://www.thevillagesgcc.com> (Click on *Resident Info* and then Click on *Resource Files*.)

What is the EVF and what does it do?

Occasionally we are asked, especially from our new residents, "What is the EVF?"

The Evergreen Villages Foundation (EVF) is a non-profit charitable 501(c)(3) organization dedicated to raising funds for the support of lasting Club capital improvement projects in The Villages. For the last 10 years, it has played a major role in enhancing the quality of life in the community.

EVF is capital improvement project focused. When a qualifying capital improvement project is approved by the Club Board of Directors, the EVF board works closely with the CBOD and management to assist in raising funds. EVF

facilitates this charitable giving in our community through initiatives such as the Sustaining Member Program, the Planned Giving Program, and the EVF Ambassador Program.

Over the years, the EVF has contributed to Club capital projects such as the pickleball courts, numerous Clubhouse and Bistro patio enhancements, new fitness center equipment and, most recently, the Clubhouse's new rotisserie broiler. A list of projects, and information on how to join the EVF, can be found on its website, evfsj.org.

The EVF believes that the expansion and/or enhancement of Villages amenities contributes greatly to the desirability and viability of life in The Villages. This dedication to the enhancement of the Villages community contributes greatly to the physical, social, and emotional health of our residents through increased opportunities for exercise and engagement.

Keep up to date on EVF activities and projects here in the Villager or go to the EVF website at evfsj.org to sign up for our newsletter.

PUBLIC SAFETY

Public Safety seeking owner of Thor Four Winds RV

The Public Safety Administration Office is looking to Villagers for assistance in locating the owner of an RV parked in space 37 of the RV lot. The RV in question is a Ford Thor Fourwinds (white, tan & blue) with California Disabled plates. If you are the owner, or know the owner, please contact the Public Safety Administration Office at 408-239-5246 option 2. Our office would like to identify the owner prior to having the RV towed from Villages property. Please contact Public Safety prior to February 15, 2023.

Traffic Safety Reminder

Villagers please keep in mind that the maximum speed within the Villages is 25 MPH. Some streets are slower than that. Please remind your visitors as well.

We continue to find drivers traveling far too fast. It's for everyone's safety. Especially in inclement weather. Please obey all stop signs as well. Thank you

Pedestrian Safety Reminder:

Rain or shine pedestrians in The Villages should be aware of the traffic in their surroundings. Please walk on the correct side of the road when getting some fresh air, and walk toward oncoming traffic. The arrows are painted on the main roads. You should also remain in single file when in groups to keep within the white lines as well as social distancing. When walking pets, be sure they, too, remain within the white lines, on a short leash away from traffic.

Call 911 for medical emergencies

Public Safety would like to remind you, in the event of a medical emergency, please remember to dial 911 first.

Public Safety monitors all emergency calls through San Jose Fire Dispatch. We will respond at the exact same time as the Fire Department and Paramedics.

Calling the front gate can only delay response time by emergency personnel. It is always quicker to call 911. It is the only phone call you will need to make.

Coyote reminder and tips

Coyotes may try to escort walkers out of an area to protect their pups or food sources when encountered on a trail or street. Humans may perceive this behavior as stalking, which is usually not the case. They may also view your pet as prey. To allow coyotes to be wild while keeping yourself and pets safe, please follow these pointers:

- Never feed coyotes—it is illegal to feed coyotes in most places. Feeding endangers your family and neighbors because it lures coyotes into neighborhoods.
- Keep unattended cats and dogs indoors or in completely enclosed runs, especially at night, and do not assume that a fence will keep a coyote out of your backyard.
- Accompany your leashed pet outside. Make sure you turn on lights if it is dark to check your backyard for unexpected wildlife.
- **Keep dogs on short leashes while walking outside; the Division of Wildlife recommends a leash no longer than 6 feet.**
- Keep noisemakers on hand to scare away coyotes that may enter your yard. Some examples of noise makers are whistles, horns or metal cans with small rocks or coins that rattle.
- Never run away or turn your back on a coyote.
- Do not allow a coyote to get between you and your pet or child—keep children close to you.
- Yell, clap hands, blow a whistle or rattle a can and try to make yourself look larger if you have a close encounter with a coyote.
- An empty soda can with pennies sealed with duct tape makes a very good noise maker when shaken.

Reminder to all small pet owners: A recent rise in coyote aggression has been seen with small dogs, most unleashed. **Please always leash your pets. Keep leashes short.** Coyotes will try to get between you and your pet if the leash is extended far enough. Coyotes are known to attack leashed dogs when the owner gets distracted. Please stay cautious and aware of your surroundings when cleaning up after your pet, talking to a neighbor, checking the mail, etc. Coyotes are opportunists and may make their attacks when you are not paying attention.

Carry a noise maker and always be alert. Use caution when walking past wooded areas, hiding spots between homes, and the golf course. They are widespread in The Villages and can truly be anywhere.

There is no way to completely eliminate coyotes from The Villages, so always use caution when walking, especially with pets. Also, coyotes tend to be most active around sunrise and sunset. Pick different times for walks.

Please report all coyote sightings to Public Safety and Vector Control at the email addresses listed below.

Report Coyote Activity

Please report all coyote sightings to Public Safety and Vector Control at the following email addresses:

- Director of Public Safety Steve Norden at snorden@the-villages.com and include in email the location day and time of the sighting.
- Contact for Vector Control is Vector.sccgov.org/home. Residents can use this to report coyote / wildlife incidents directly to the county.

(SRS) SENIOR RESOURCE SERVICES

Your tax returns are due May 15

The IRS has given a lifeboat of sorts to California residents and business floundering in the atmospheric river: More time to file and pay your income taxes.

Taxpayers in any county covered by a Federal Emergency Declaration will have until May 15 to file their income tax returns for 2022 and to pay their 2022 tax balance. Santa Clara is one of the counties in this group.

The relief will be offered automatically to anyone whose address on file at the IRS is in a disaster area. There is no need to ask for help or alert the IRS that you will be filing late.

Also, if you make quarterly Estimate Tax Payments, the first payment for your 2023 taxes will not be due until May 15.

Obviously, if you are due a refund, you still want to file as soon as you can. Otherwise, you are giving Uncle Sam an interest-free loan.

The tax filing deadline for California state income tax returns and payments has also been extended to May 15. The Governor has announced that California will conform to the extensions granted by the IRS.

Of course, if you need more time, you can always use the extension to October 15, 2023. The October extension applies to returns only, not to the payment of your tax.

If you suffer disaster-related losses that are not reimbursed or insured, you may deduct them on your tax return for either 2022 or 2023. Be sure to write the FEMA declaration number EM-3591. IRS Publication 547 can guide you through the requirements, but you may wish to hire a professional to do your tax return.

Warning: if you plan on using the AARP tax group here in The Villages, the current plan is to only prepare tax returns through April 14.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagessrs@sbcglobal.net. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

SRS reminder:

Tax preparer list

A list of suggested paid tax preparers is available. All on the list are either CPAs (Certified Public Accountants) or EAs (Enrolled Agents). Stop by the office for a copy or call and leave your e-mail address and it can be emailed to you.

VMA: Free pedestrian safety vests

What is the most important thing that you can do for yourself and others while walking in the pedestrian lanes at dusk or in the evening? No, it's not the "Villager Wave"; it's making sure you're visible to oncoming drivers so you don't become a statistic. Wearing bright or reflective clothing will help tremendously, or you could go to the VMA office and pick up a reflective Safety Vest. We can arrange to have a supply on hand during office hours 9:30 a.m. – 2:30 p.m. Monday -Thursday. One size fits all, and there is no charge. (Please one vest per household member.)

Pay it forward—volunteer drivers needed by VMA

The VMA is looking for able-bodied volunteers to assist residents who are no longer able to drive on their own and requiring transportation to and from scheduled medical appointments. Mileage is reimbursable if you so choose. All that is required is some of your extra time and kindness, usually no more than an hour or so at a time. If you're interested, please fill out an application; it is available on the VMA Website at vmavillages.org or in the office, which is open Monday through Thursday 9:30 a.m. – 2:30 p.m.

You choose which days of the week you're available and times that best work for you.

It's that simple. Or, if you

have any questions, please contact the office at 408-238-4230.

Leash rule for pets

Residents are reminded, as per Club Rule 1.51, that pets must be kept on a leash, under control, and attended to at all times. This also applies to the Hill Lands.

An increase in coyote aggression has created problems with small dogs, especially those that are unleashed. **Please always leash your pets. And keep leashes short; the Division of Wildlife recommends a leash no longer than 6 feet.**

Furthermore, accompany your leashed pet at all times while outside. Do not let go of the leash or tie your animal to trees or other objects. An unattended leash not only attracts the attention of coyotes, but is also a tripping hazard to other walkers.

COMMUNITY ACTIVITIES

The following events are sponsored by the Community Activities Department. Please telephone 408-223-4643 for additional information.

Building B walk-in hours

The Community Activities office in Building B is open for walk-ins Monday to Friday 8:30 a.m. – noon and from 1 p.m. to 4 p.m.

Sign up for free Introduction to Line Dancing demo with instructor Nanci Pritchard

Community Activities has hired a new line dancing instructor Nanci Pritchard! Nanci has been dancing for over 30 years and has been teaching country line dance for the last 20 years. She teaches throughout the Bay Area including some of the largest country nightclub and winery venues. She has enjoyed working with all ages of dancers who have varying levels of experience. Creating a welcoming environment along with a dynamic approach to teaching has led to a positive learning environment for dancers. The measure of her success on the dance floor has been defined by priority and perspective. Her priority has been and will always be the “student.” Her perspective when it comes to dancing and teaching has been “it’s just dancing, have fun.” The combination of priority and perspective has resulted in her biggest achievement, the smiles on people’s faces.

Nanci has generously made herself available for a free demonstration class on **Tuesday, February 7** so you can get to know her teaching style. This *free* demo class will be held Tuesday from 10 a.m. – 11 a.m. in Cribari Auditorium.

You must sign up for the free session in Building B during regular business hours as space is limited. Walk-ins to the class will not be allowed. Registration begins Friday, January 27 and ends Friday, February 3.

Sign up early as the registration period is short! Stay tuned for more information on her upcoming classes which start in March.

Take our Community Activities Trip Survey

Help guide our registration policy and trip programs! We would like feedback on whether to change the resident priority registration period. Because we have the same registration policy for all Community Activities sponsored trip, classes, and on-site events this issue affects all our programming.

We also need your input on the type and scheduling of trips we offer and what factors are most important to you when choosing to register. What are your interests? What days of the week are best? What criteria do you use when choosing to register?

The online survey is available through the following link: surveymonkeys.com/r/S85NKK6

We will also have paper copies available in Building B. The deadline to complete the survey is Friday, February 10. The survey should take you less than 10 minutes.

To avoid duplicate entries, we are asking that only one survey per household be submitted. We hope to hear from as many households as possible, even if they have never attended any of our programs before, so start thinking about what activities you would like to do!

Back in Form offering 2-for-1 personal training special!

Let’s turn New Year’s resolutions into results with a “Back in Form 2-for-1 Personal Fitness Training Special.” Sign up for personal training for one person (\$121 per session) and add a spouse, friend, or neighbor to workout with you for free! This is a savings of \$44! All trainees must register at the same time, one registration slip per household. Training session scheduling will be determined by the trainer and trainee’s availability. Note: The training will be held in the Fitness Center so all trainees should already be authorized to access.

Register in the Community Activities office, Building B during office hours. The registration deadline for this special offer is Tuesday, January 31.

Back-in-Form has provided Villagers, in partnership with Community Activities, with customized personal training at the Fitness Center for many years. For more information about registering or enabling access to the Fitness Center contact the Community Resource Center at 408-754-1336.

Oil and Acrylic class: Looking at Clouds from Both Ways Now

By Barbara Gottesman

We have seen some menacing clouds this last month, dropping rain everywhere; but we look forward to seeing white clouds dancing through our usual blue skies.

Jane Hink can help you learn to paint clouds from either side and also other features of scenic California if you take her last Oil and Acrylic Painting Class. The class is six weeks from February 6 – March 13 in the Art Room on Mondays, 10 a.m. to 12:30 p.m. Jane demonstrates in the old masters' medium of oil in which she has had 77 years of experience in painting, but many students chose to carry out her instructions in acrylic because it dries faster. The fee for the class is \$90.

You can choose either medium. Check out her materials list on our website, villagesartsandcrafts.org and register now for Jane's class at barb.gottesman@gmail.com

Sign up for Evergreen Blood Drive

The next Evergreen Blood Drive, sponsored by St. Francis of Assisi of Evergreen and the Stanford Blood Center, will be held on Saturday, February 12 from 8 a.m. to 2 p.m. at the St. Francis Gathering Space.

We encourage you to sign-up in advance so we can plan to have enough staff so no one has to wait. Of course, there will be no sign-ups at the Church, so please use this link: https://sbcdonor.org/donor/schedules/drive_schedule/11512

If you have questions, please call Tom Mitchell at 408-476-6104.

Thank you for your support and don't forget to wear a mask.

Walking/Chair Dancing location and time changes

Happy New Year, and welcome back. We have been assigned to the Conference Room for Tuesday's class. Due to space limitations, our Tuesday Classes are for **members only**. Since our usual 25+ participants per class cannot all fit into the Conference Room for a workout at the same time, the LSAL Fitness Club has opted to create two sessions to accommodate our Tuesday class participants. The first session, 11 to 11:45 a.m., is a progressive, higher energy, moderate intensity class. Participants should be able to walk and move freely without mobility aids. The second class, 12 – 12:45 p.m., is an intermediate, high energy, variable intensity class that is appropriate for all fitness levels, including those who need to walk slower due to balance challenges. Thursday's class is suitable for all fitness levels and will remain in the auditorium, 10 a.m. – 11 a.m. **All visitors are invited to attend our Thursday class.**

Hiking Club: ‘A Bug in the Grass’ with John Trudeau

All the recent rains foreshadow a rebirth of life in our outdoor spaces. The Villages Hiking Club’s January 30th meeting program will feature a visual and descriptive presentation by John Trudeau.

Here we will see close-up views of some of the simply beautiful bits of nature that we encounter every day—if we take the time to look. There are images of “critters,” plants, rocks and other expressions of nature here in the East Bay hills and beyond. We will see how different patterns in nature are expressed in surprising ways—when we look closely.

The program will follow a short business meeting and a break for socializing with snacks and beverages.

The meeting will be held at the Foothill Center on Monday, January 30 at 7:30 p.m. The meeting is free and all Villagers are welcome to attend.

SVC’s Electrification Team (ET) is here— phone us

By Maxine Amundson, Sustainable Villages Community

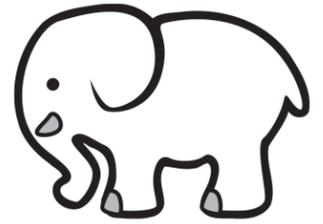

We have a new branch of the Sustainable Villages Community organization to assist Villagers as they navigate sustainable practices choices and information. The areas we cover are: Rooftop Solar and Storage Batteries/Generators, Electric Vehicles and Chargers, and Home Appliances. Under Home Appliances we cover Heating and Air Conditioning (HVAC), Clothes Dryers, Water Heaters, Fireplaces, Heat Pumps and Induction Stove Tops.

The more we take action on adapting a sustainable practice we are reducing the negative effects on our environment. Tune in to the Sustainable Villages Community, monthly general meeting on Zoom (third Thursday at 4 p.m.) and learn more how you can make a difference. Send us your email address and we will send you the link for the Zoom. Contact us at drmaxa@comcast.net or 408-425-0614 or pholmes41@gmail.com or 408-841-9775.

Hiking Club’s Soup Supper and White Elephant Gift Exchange

The Hiking Club will hold its Annual Soup Supper and White Elephant Gift Exchange on Thursday, February 9, starting at 5.30 p.m. at Foothill Center. Please contact Carmel Smith at 408-440-1336 or carmel.smith@att.net if you have a favorite soup you would like to share. Otherwise, bring an appetizer, salad or dessert for 8-10 people. Please bring your own place setting and cup to sample different soups, and your favorite beverage. Cider and coffee will be provided.

The White Elephant gift exchange will take place after supper. White Elephant gifts are typically inexpensive, humorous items that we can’t use, that we don’t want, or that are just plain peculiar! So, wrap one of them up and bring it to the supper and join in the fun! Note: a gift is not necessary, however, it does add to the fun! Hope to see you there!

See Ping Xia’s work at Arts and Crafts Members Juried Show

By Michael Sunzeri

A new face for most people, one who likes to oil paint, is Ping Xia. She moved here right when COVID hit. Back in the recesses of her mind, starting with sketching in 2020, she always wanted to try painting, so the advantage of downtime gave her that chance. Ping plays with many different ideas to achieve

painting success. In a single work she discovers how to manage painting water, land, sky, with tone, method, and maybe most of all, a visual that brings it all together.

Mainly self-taught, Ping does take advantage of our Open Studio here and guidance from Jane Hink. There is a much deeper aspect to Ping. She is a scientist, mainly relating to IVF. She was born and raised in Harbin China, a bit south of Russia. Well after her formative years, she moved in the ‘90s to New Jersey, then Canada, and back to the states. Along the way she did her Post Doc training in the medical field of infertility where she still works consulting.

At John’s Hopkins she taught undergrads and residency students and elevated herself to Director of the Lab and facility there. In time, maybe soon, she plans to write a book about her work, findings, and nuisances of her years in IVF in hopes of benefiting that global field of medicine.

When it comes to oil painting, Ping gets a warm settling feeling of the Impressionist period with painters like Monet and Cezanne, her favorites. Those painters give her inspiration to explore going forward stating that she would like to paint dancers, noting that she herself is a ballroom dancer.

Enjoy her lively work on February 23 at 1:30 p.m. in the Cribari Conference room. AMJS Contracts now available villagesart-sandcrafts.org, the Art Rooms and Cribari mailbox.

FROM THE VILLAGES LIBRARY

By Sherle Frost

“A Limited Run” by Karen McQuestion: \$2 million each seems too good to be true. Meri Wetzel’s acting role on the TV show, “A Little Slice of Haven,” is an experience she’d love to forget. But when billionaire Felix Worthington invites the five cast members to recreate their roles 25 years later, she’s intrigued. It’s an unusual request, even for a self-professed superfan like Felix. Living in a recreated version of the 1940s town in a warehouse in Montana has its appeal, even knowing she’ll be filmed with hidden cameras as the cast improvises with other actors playing the townspeople. And the clincher? The promised \$2 million, on the condition they all stay 10 days and remain in character the entire time. One by one, they set their hesitations aside and agree to the terms. But as Meri and her costars slot into their roles, they begin to realize things are not as they seem. Fiction and Large Print, 2022.

“Oath of Loyalty (Mitch Rapp #21)” by Vince Flynn and Kyle Mills: With President Anthony Cook convinced that Mitch Rapp poses a mortal threat to him, CIA Director Irene Kennedy is forced to construct a truce between the two men: Rapp agrees to leave the country and stay in plain sight for as long as Cook controls the White House. In exchange, the administration agrees not to make any moves against him. This fragile détente holds until Cook’s power-hungry security adviser convinces him that Rapp has no intention of honoring their agreement. In an effort to put him on the defensive, they leak the true identity of his partner, Claudia Gould. As Rapp races to neutralize the enemies organizing against her, he discovers that a new generation of assassins is on her trail, a killer known only as Legion, operating on a business model based on double-blind secrecy. Neither the killer nor the client knows the other’s identity. Legion can’t be called off. No matter how long it takes they won’t stand down until their target is dead. Faced with the seemingly impossible task of finding and stopping Legion, Rapp and his people must close ranks against a world that has turned on them. Fiction, 2022.

“The Song of the Cell: An Exploration of Medicine and the New Human” by Siddhartha Mukherjee: The story begins in the late 1600s, when a distinguished English polymath, Robert Hooke, and an eccentric Dutch cloth-merchant, Antonie van Leeuwenhoek looked down their handmade microscopes. What they saw introduced a radical concept that touched virtually every aspect of biology and medicine, altering both forever. It was the fact that complex living organisms are assemblages of tiny, self-contained, self-regulating units. Our organs, our physiology, our selves—hearts, blood, brains—are built from these compartments. Hooke christened them “cells.” This discovery—and the reframing of the human body as a cellular ecosystem—announced the birth of a new kind of medicine based on therapeutic manipulations of cells. A hip fracture, a cardiac arrest, Alzheimer’s dementia, AIDS, pneumonia, lung cancer, kidney failure, arthritis, COVID pneumonia—all could be reconceived as the results of cells, or systems of cells, functioning abnormally. And all could be perceived as loci of cellular therapies. 571.6, Cell Biology, 2022.

“Escape (Bill Harney #3)” by James Patterson and David Ellis: As Chicago’s special-ops leader Detective Billy Harney knows well, money is not the only valuable currency. The billionaire he’s investigating is down to his last twenty million. But he’s also being held in jail. For now. Billy’s unit is called to the jail when six inmates escape, and two others are missing. Two correctional officers are dead. Approaching the scene, Billy spots something in an empty lot. Two Kevlar vests. Two helmets. Two assault rifles. And a handwritten note: “Hi, Billy. Are you having fun yet?” Mystery and Large Print, 2022.

VMA: ‘Shoulder Strength and Mobility’ workshop

Hey, is your shoulder killing you? Threw it out playing pickleball, tennis, golf, or maybe shot put? Did you warm up prior to playing? Did you stretch first? Have you been working out at all? No? What were you thinking? This could have been preventable...

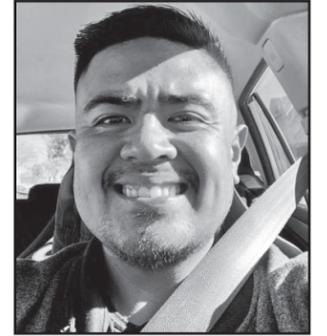

The VMA Health Programs proudly presents “Shoulder Strength & Mobility” on Thursday, February 9 in Montgomery Center from 11 a.m. to 12 noon

Our presenter will be Patrick Madriaga, a physical therapist assistant who works for Silver Creek Fitness

and Physical therapy. He attended American Career College in Anaheim and graduated with an Associate’s degree in physical therapy. He first developed a passion for physical therapy when he experienced an injury to his ankles. Seeing the difference that physical therapy made for himself as a patient allowed him to see firsthand the benefits. Prior to getting his physical therapy assistant license, Patrick started as a physical therapist aide for four years at different physical therapy clinics. With this experience he has worked with variety of patients with different injuries. Patrick has also participated in many events including the Special Olympics and Alzheimer’s Association where he taught simple functional testing for participants.

Topics to be discussed: Why it’s important to maintain strength and mobility, different diagnosis of shoulder pain (impingement, frozen shoulder, tendonitis), everyday use of shoulder, and injury prevention.

If you are a golfer, tennis player, pickleball member, Bocce Club member, table tennis player, gardener and/or garage-stuff-hauler, you are not going to want to miss this.

Villages Dog Club to present Sustain Our Shelters

We welcome all dog owners and dog lovers at the next Villages Dog Club meeting on Saturday, February 4, 2023 at the Gazebo at 10 a.m.

Our speaker, Sangeetha, is a representative for Sustain our Shelters. This is a group in the South Bay, with a mission to create a better life for animals by actively aiding Silicon Valley animal shelters to provide programs, care, foster homes, and adoption service. She works closely with “Orion Dog Training” to provide a variety of training options for your unique dog. They can customize the best training plan for your furry family member. Sangeetha will bring her foster puppy to show basic obedience training with positive reinforcement training methods. Hope to see you there!

Golfers’ Adopt-A-Green Initiative

At The Villages we pride ourselves in maintaining excellent golf course playing conditions. And the greens are a major focus of course conditions.

Toward that end, in January we are starting an “Adopt a Green” initiative for all resident golfers as a part of our continuing Culture of Care initiative.

The premise is simple – each resident golfer will be assigned a green(s) according to the first letter of their surname. Whenever you play, you will be asked to repair as many ball marks as possible on the green(s) to which you are assigned.

And remember to always repair your personal ball marks on every green played as well.

We encourage you to start repairing your assigned green(s) as soon as possible. We thank you for your efforts...This will make golf at The Villages more enjoyable for all!

RELIGION

CATHOLIC COMMUNITY

‘The Beatitudes’ (Mt 5:1-12)

By Irene Groot

In Sunday’s Gospel, Matthew gives us nine beatitudes, which are gifts of blessings from God, given to those who choose to be His disciples.

“Blessed are the peacemakers: they shall be sons of God.” Jesus made this bold statement to establish the kingdom of heaven on earth, which will bring peace and freedom for all who dare to follow Him.

The beatitudes don’t replace the Ten Commandments, they perfect them. As we go through everyday life we may not know it, but we could be following the nine beatitudes that Jesus set for us. We can live the beatitudes every day by praying first for others, by making God part of everyday life, attending church and giving back to the community.

In a world that is ugly with violence, war and hate, Jesus sends us as peacemakers. We don’t have a choice as to what kind of peacemakers we want to be or what type of world we want to live in. As bad as things are, this is the only world we have, and if we are going to be true to Jesus we must be peacemakers. Of the nine Beatitudes, I choose to write about the one that troubles me the most at this time every year - how to be a peacemaker.

I’ve found Christmas to be a difficult time of year because of a sister who is alienated from our family. Everywhere I look or read, I see that the word “Peace” standing out quite visibly in the stores and on buildings, a stark reminder of our family division. My sister is the legal guardian of a special needs sister, whom she keeps away from our other family siblings. At Easter and Christmas I send cards. I have not received a reply in 33 years. You might wonder why I keep writing. It’s because my hope is that with perseverance, Jesus will touch her heart and I will have my sisters back. So, in the end, I find it is easy enough to read and understand the Beatitudes; it’s putting them into action that’s the real test.

Cribari Masses: Sundays – 8:15 a.m. **First three Fridays** each month; Rosary 8:30 a.m., Mass 9 a.m. **St. Francis of Assisi Masses:** 1-408-223-1770 or parish website (sfoasj.com) for times. **Homebound communions:** Marilyn Rodman 408-274-4521. **Mass intentions:** Jean Gillette 408-270-5723.

Pilgrimages: Popular since the 4th century, Catholic pilgrimages are long journeys to sacred places to obtain spiritual benefits. According to Pope Benedict XVI, “To go on pilgrimage is not simply to visit a place to admire its treasures of nature, art or history ... it means to step out of ourselves in order to encounter God where he has revealed himself, where his grace has shone with particular splendor and produced rich fruits of conversion and holiness among those who believe.” From April 17-30, Fr. Matt Stanley will lead a pilgrimage to Italy, including Rome, San Giovanni Rotondo, Lancia, Loreto, Assisi, Florence, Venice and Padua. Interested in details? EPISCOPAL

‘Golden Mouthed’

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

What a name! But such was the fame of John Chrysostom, 4th century Bishop of Constantinople. He came to be known by the descriptor “Golden Mouthed” for such wisdom as this, from his Paschal homily: “He shows mercy upon the last, and cares for the first; and to the one he gives, and upon the other he bestows gifts. And he both accepts the deeds, and welcomes the intention, and honors the acts and praises the offering. Wherefore, enter ye all into the joy of your Lord, and receive your reward, both the first and likewise the second. You rich and poor together, hold high festival. You sober and you heedless, honor the day. Rejoice today, both you who have fasted and you who have disregarded the fast. The table is fully laden; feast sumptuously.”

St. John Chrysostom—whom our church remembers this week—knew that God’s intention is to feed everyone sumptuously. Albeit not necessarily in the same way! Some of us are fed with compassion, that we may reach out to those in need. Some are fed with wisdom and knowledge, so that we may teach. Some of us are fed with the gift of shimmering words, to speak as if our mouths were of gold. And even if you and I don’t have that particular gift for ministry, we can still read the stories and the words of our forebears in faith and let their words multiply our faith. St. Chrysostom’s golden mouth would smile!

COMMUNITY CHAPEL

‘Sufficient Grace For You’

By Pastor Bill Hayden

Are you at a place in life dealing with issues that you have never had to deal with before? Now life feels like the bottom is slowly falling out from under you and the tables have been turned on you. Your normal coping methods that got you through some of your challenging times don’t give the results that they once did. The long walks, the round of golf, the tennis matches, pickle ball or reading a book while having a favorite beverage doesn’t hit the mark. You even occasionally attend church, pray and read a few bible scriptures, but nothing seems to provide that reassuring comfort as before.

In the past, you lived relatively free of the burdens and concerns of the mainstream. You heard of other people’s troubles and you felt blessed and privileged that you didn’t have to experience their hardships. You never had to worry about being lonely because your life was filled with friends, family and lots of activities. You used to quietly boast about not having the aches and the pains that plagued so many others, but lately things have changed.

Hardships have come your way; do you tell yourself that it’s a way to experience God’s grace and love in a deeper way? Alternatively, do you give in to doubting your faith in God’s willingness to bring you through this season of life?

God isn’t working to keep you from experiencing hardships in life. In essence, He is growing your faith to trust Him, no matter what happens. What He has promised is Himself and what He brings to you is His transforming grace. In grace, He is earnest on delivering you from your greatest, deepest, and most long-term battle...that sinful nature that struggles to keep you from Him. He offers to you amazing grace that transcends those moments of hardship. He has deployed the power of the Holy Spirit in your life to equip and give you eternal value to satisfy your soul.

Sometimes, in hardships, you may be tempted to think that God is loving you less because you are in a hard place... when in fact He is loving you more.

1 Peter 5:10 NKJV *May the God of all grace, who called us to His eternal glory by Christ Jesus, after you have suffered a while, perfect, establish, strengthen, and settle you.*

If you are in need of friendship, you can find it in our Chapel. Please join us at the Villages Community Chapel in Cribari Auditorium every Sunday at 10 a.m. to be encouraged over the Word, and enjoy a cup of coffee and cookies with friends. The chapel is a place for *needs to be met, faith to be affirmed and new friends to enjoy.*

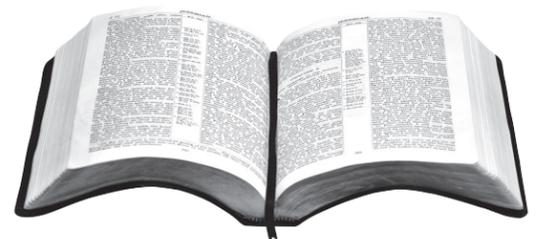

You can view our worship services on YouTube at Villages Community Chapel San Jose, CA.

TENNIS TALK

Trash Talk Tennis group

By Mary Ringel

If you don't know Jay Desai and you like to play tennis, you will meet him soon! Jay is a man of many interests; you will find him walking the waterfalls, playing bocce, pickleball, billiards, ping pong, cards, model trains, as well as painting and sketching.

But his greatest joy is getting people to play tennis. He will offer you free advice only if you ask him for help. He will then recruit you to play Trash Talk Tennis (TTT) on Sunday mornings. At his next TTT, he plans to have a 15-minute Macarena warm up with music. Be advised though, he loves to, as he likes to put it, "keep things interesting." So, if you agree to play with him, you need to be prepared to receive the following from Jay: a killer kick serve, a dynamite drop shot, a miraculous on-the-line lob shot and loads of laughter. Jay has a big heart! But, don't be late to the court or he will tell you with a serious grin, you owe him \$1 for every minute you're late. He's kidding, of course! If you want to make him smile, here are two of his favorites: New York Cheesecake and JW Black. After a gift like that, he might even take you for a ride in his 1930s replica Ford Roadster golf cart.

Jay Desai

In 2014, when Jay arrived in The Villages from New Jersey, he didn't know a single tennis player. He met the late Gordon Knapp on the first visit to view his new home and Gordon took him out on the court for an hour. He met Bill Leonard shortly after and was soon plugged into regular play. Jay has often shared how they both were there for him, encouraging him to play. Now, he's paying it forward and doing the same for others. Jay claims to have played with 150+ tennis players at The Villages. We don't doubt it!

In 2015, he brought his New Jersey version of Team Tennis to the Villages. Every Sunday, at 8:30am, players of all levels enjoy Trash Talk Tennis with Jay. Trash Talking is optional of course! If you want to get in on the fun, contact Jay at jaydesai530@gmail.com. Just say, please add me to your list of players. You will not regret it. Don't be late!

Alan Waltho went to #8, Kevin Prest #9, and Albert Chan #10.

The challenge matches went as the new rankings indicated.

Paul Spisar defeated Jianxin Zhang and Peter Groot, and Jianxin Zhang defeated Peter Groot, so they kept their places.

The new list included the women starting with Joy Chen at #14 and Ling Lu Yamaki at #16.

SWINGERS

By Jeannie Omel

Yes, it happened! The sun appeared on Tuesday morning, unfortunately the temperatures were only in the upper 30s. Despite the cold temperatures and wet and soggy conditions, ten adventurous ladies set out to play. Due to the small number of participants, the Captain's Trophy was, again, moved to the following week.

Etiquette on the Green—Here are a few reminders from the Ladies Professional Golf Association (LPGA) while on the green.

1. Repair pitch or ball marks. These should be repaired as soon as possible to protect the putting green from damage.

2. Mark your ball. You are allowed to lift your ball so that you can clean it or remove it from another's path. Before you pick it up, you must place the ball marker on the green just behind your ball, then lift the ball from the green.

3. Clear the way. It's best not to speak or move while others are putting. Notice where other players' golf balls are on the green. Also, pay attention to your shadow.

4. Look for obstacles. If someone's ball is headed towards a flagstick on the ground or someone's equipment, it is okay to quickly move the items out of the way. If you don't move the item in time and the ball accidentally hits the flagstick or something else, there's no penalty and you play the ball where it lies.

5. Accidents. If a ball is accidentally moved on the green by kicking it or someone dropping a towel, there's no penalty. Replace the ball to its original place.

Also, please join me again in welcoming new member Suzy Kim, who has completed the qualification process. Her photo was inadvertently left out of the January 12 *Villager*.

IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen are now in afternoon play currently gathering every Thursday afternoon at 2 p.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

Ten Ironmen played today, the first time since December 22, 2022. It was cold but that didn't stop Al Bruno from getting two birdies, closest to the pin, low net and low gross. Way to go Al.

First place went to Al Bruno with a net 26. Second place went to Bob Lapidus with a net 28, and third was a three-way tie between Victor Hong, Walter Lucas and Lee Thompson with net 30s.

Al Bruno had birdies on holes 1 and 9, while Victor Hong had a birdie on hole 8, Bob Lapidus had his birdie on hole 9 and Walter Lucas had his on hole 2.

Al Bruno won closest to the flag on hole 9 at 8 feet, 7 inches
And finally, Al Bruno won low gross with a par 27.

Deep thoughts:

"The golfer has more enemies than any other athlete. He has 14 clubs in his bag, all of them different; 18 holes to play, all of them different, every week; and all around him is sand, grass, trees, water, wind, and 143 other players. In addition, the game is 50 percent mental, so his biggest enemy is himself." - Dan Jenkins, sportswriter and author

"It's not whether you win or lose, it's whether I win or lose." - Sandy Lyle, winner of the 1985 US Open, and the 1988 Masters

18 HOLE WOMEN

By Loanne Rube

We had 25 mudders out today on crisp, bright morning but with sloppy golf under red flag conditions. Anticipating a limited field and less than optimal conditions, the Captain's trophy has once again been delayed until next week. So it will be back to back weeks of Captain's trophy. Competition will be tough.

Today, there were three flights for sweeps. Winners were in flight one: Vicki Krattli, low gross (92), and Priscilla Piper, low net (76). Flight two: Mary Wagle, low gross (105), and Pam Schramm, low net (80). Flight three: Bev Poellet, low gross (105) and Maziebelle Rice, low net (85). Chip ins and Birdies will be reported next week. Well done, ladies! We've been promised dry weather this time next week. Here's hoping we can put away the umbrellas and earmuffs and break out the sunscreen lotion.

Coming up on February 9 we will enjoy the Past Captain's luncheon and tournament embedded within our usual play day. This is an annual tradition to honor those women who have led us in past years with a mini tournament of their own. Please plan on staying for lunch to enjoy some good stories, perhaps a few tall tales and to celebrate our past Captains. It's a special day. Gloria Landry is our current Captain. She is a great example of the mettle it takes to keep the brood of us in line. She's a dynamo of energy, always smiling and looking to enrich our golf experience. It takes a village of villagers, but it takes a strong leader too. She's Captain, my Captain! Thanks Gloria! It's going to be a packed spring of 18 Hole Women's Golf. Come join us!

Gloria Landry, 18 Hole Women Captain for 2023

PICKLEBALL

Pickleball Etiquette Time again!

By Joyce Kludt

Etiquette on the courts is vital to safe and enjoyable games. To start our new year on the courts, I've been asked to review etiquette standards again, just as a friendly reminder.

1. Start each game by greeting the other players and introducing yourself if you've never met them.
2. Try to remember that Pickleball is only a game.
3. When the ball is out and on your side, call it out loudly and clearly. If it's close, give the benefit to your opponent. Never make calls for your opponent's side of the court unless they ask you.

4. Occasionally play with all skill levels. Good sportsmanship is the rule.

5. If your opponents are unequal in skill, avoid always playing the weaker player just to score.

6. If you are the strongest player on the court, play the weakest players in a way they can handle and learn from you.

7. Avoid taking advantage of someone's physical limitations when you're playing socially. For example, if your opponent can't go back for a lob due to physical limitations, don't take advantage.

More etiquette next week.

Just for fun tidbits:

- Make sure when you climb the pickleball ladder you step by and not on others!

- There are three things you can do with a "gift": Keep it to yourself; Flaunt it; Share it with others. How are you handling your pickleball "gifts"?

- My alarm clock said, "Get up!" My body said, "Stay in bed!" My heart said, "Get up and play pickleball!" I'm at the courts stretching.

Wishing you a wonderful week of pickleball and living, Pickleball Friends!

FROM THE PRO

By Scott Steele, PGA Head Golf Professional

Hole #8 Turf Reduction Project— This week you will see the turf reduction spray out starting around the teeing ground complexes on Hole #8. There will be yellow caution tape surrounding the sprayed out turf areas so please do not cross through the caution tape. We will be spraying the turf to ultimately kill the turf around the tee boxes starting the process of installing the drought tolerant landscaping as the initial phase of the turf reduction beta site. All of the tee boxes on Hole #8 will still be open for play as the spray out is occurring around the perimeter of the #5, #4 and #3 tee boxes. Let us know if you have any questions.

Golf Course & Driving Range Conditions—As of the writing of this article it is not raining, the sun is out, and it's great to see so many Villagers and guests enjoying the wonderful game of golf again. For the first time in weeks golf carts are permitted on the golf course, the Par-3 Course is re-opened, the Driving Range is open, and all our practice greens are open for use. Although our golf games might be rusty, we are all enjoying playing golf with our family and friends again. I want to thank you for your patience over the last several weeks through the multitude of torrential storms and resultant challenges we have faced on the golf courses and at the Driving Range. We will always try to get the golf courses playable as soon as possible after a severe weather event. But our main goal is the safety and wellbeing of our Villages resident golfers and their guests; and at times Mother Nature temporarily forces us to react accordingly. Thank you for your understanding and enjoy the nice weather that is predicted through the end of January!

Maintenance Hotline and Daily Flag System— It's a good idea to stay informed now that the weather is more unpredictable. The Golf Course Maintenance Hotline and our colored Flag system is available for just that purpose. Each morning golf course maintenance will update the Maintenance Hotline to let you know about course conditions, cart access status and any maintenance going on that day. Please call 408-223-4663 to access the daily Maintenance Hotline.

Also, each day the colored flag at the driving range will be updated to reflect each day's course conditions according to the following color codes:

Green Flag – carts are permitted on the golf course as normal

Red Flag – carts are restricted to the cart paths only

Yellow Flag – frost delay – golf play suspended until further notice

Black Flag – all golf facilities closed due to dangerous conditions

New in the Pro Shop— Women's lifestyle and golf apparel from Greg Norman Company – fashion for the active lifestyle. Men's and Women's logo rainsuits from Sun Mountain Sports – seam sealed and completely waterproof. Taylor Made Tour Response jar balls with their next-gen colored stripe technology to help you aim your putts. Callaway bucket waterproof rain hats and warm winter earmuffs. Titleist winter beanie hats to keep your head warm on those cold winter days.

Pro Shop Sale Items—Srixon Soft Feel Balls – Buy 2 Dozen Get 1 Dozen free. Villages logo golf bags – Buy a bag, receive one free round of golf. 50% off Table of assorted Items. 50% off Men's & Women's Clothing Racks.

Golf Carts – Golf Course Conditions—A few things to remember regarding golf cart

policies on the golf course. Please follow these standards to help maintain our course conditions and the quality of the turf that we play on. Thank you for your cooperation!

1. If there are holes that are labeled as cart path only due to recent inclement weather – please do not drive your carts on the turf on those holes to avoid turf damage and cart tire ruts on playable areas. The Pro Shop will provide you a list of cart path only holes when applicable so that you can remember which holes are restricted as you play your round.

2. If your tee shot comes to rest in the first 1/3 of the hole, please enter the hole through the entrance gates.

3. If your tee shot comes to rest in the second 2/3 of the hole, please enter the hole using the 90-degree rule...drive on the cart path until you are parallel to your ball, then drive to your ball at a 90-degree angle.

4. Once you hit your second shot, please stay in the fairway and proceed from shot to shot driving in the fairway, avoiding driving in the rough.

5. Please keep your golf cart a minimum of 30 feet from the green fringe and never drive inside the bunkers or on greenside mounding.

6. Please exit every hole through the exit gates and stay on the cart path as you transition from hole to hole.

7. Please consider consolidating to two carts per group and two riders per cart to reduce overall cart traffic and resultant stresses to the turf.

Tips from the Pro— Quick Sand - Here are 7 quick tips for playing more effective greenside sand bunker shots

1. Imagine a 6-inch channel behind and perpendicular to the ball and try to enter the sand within that channel

Never look at the ball but rather at a spot within the 6-inch channel – you're not trying to hit the ball first

2. Use a lofted sand wedge of 56-60 degrees

3. Twist the clubface open at address so that the bottom of the sole is lower than the leading edge

Hint...you can also open the clubface as you swing back by rotating your hands so the right palm faces up to the sky

4. Keep your hands loose not tight – hold your hands low at address i.e. press the grip down so the club shaft is less vertical

5. Make a big swing and enter the sand in your 6-inch channel behind the ball – think of mimicking a full 8-iron swing

6. Swing through the sand – not at the sand

7. Full circle – finish facing the target – weight has shifted forward and hands are in front of your shoulders. Let us know if these tips help. To sign up for a lesson with me, email ss Steele@the-villages.com

PINSEEKERS

By Jim White

We're back; after starting the New Year with rain washouts for our weekly Pinseeker outings, the weather has finally allowed us to return to the course. While the Villages golf course is still in less than ideal playing conditions, 16 Pinseekers hit the course on Friday, January 20 with much joy after three consecutive weeks of rainouts.

Our leader board was topped by Martin Hoek who completed the front nine with an even net par of 36. Martin earns 4 championship points and \$4 sweeps. In second place with a net 37, Mike Falarski grabbed 3 championship points and \$3 in sweeps. Third place saw a tie between Ji White, Leighton Horio, and Jack Bindon, at two over par, net 38. Jack, Leighton and Jim each receive 2 champion points and \$2 in sweeps. Wrapping up the victory stan was another tie with Lee Thompson and Larry Chin with Net 41, 5 over par. Lee and Larry added 1 champion point and \$1 to their accumulated earnings.

A final note, our putting champion for the week is Jack Bindon with 17 putts. Jack had a hot putter with four of his nine holes being one putts for par. Jack will keep the "wooden putter" for another week.

We will be playing the back nine on Friday, January 27. We are always seeking new members who may love golf but don't have the time, or energy to play 18 holes on a regular basis. If you're interested, we'd love to have you join us.

MEN'S GOLF CLUB

By Doug Moore, douglas.moore865@gmail.com

Upcoming Events

Next on the agenda is the **Men's 18 Hole Golf Club Presidents Day Tournament** on Saturday, February 11, 2023. Four-Man Teams - Tournament open to all Men's Club 18- hole members. Cha, Cha, Cha - Score 1BB, 2 BB, 3BB per marked scorecards. Signups conclude on February 9, so there is still time to get your teams together. If you haven't signed up, what are you waiting for? This format is a hoot and everyone always has a great time!

2023 Men's 18 Hole Golf Club Member/ Member— The next tournament in the queue will be the 2023 Member /Member. This is scheduled for the 10th, 11th, and 12th of March. The Two Man Team signups started on January 14 and are limited to the first 48 teams. If you want to participate in this event you must sign up in the Pro Shop, in person. This always fills up and continues to be one of the favorite events of the year.

Welcome to the Men's 18 Hole Golf Club: Please welcome **Eric Wamsley**, of 2092 Mataro Way to the Men's Golf Club. Be sure to introduce yourself, and ask him to join you on the golf course when you can.

Golf Thoughts:

- Topping a 3-iron is the most painful torture known to man.

- And for those of you that are going to participate in the Member/Member in March, take this into consideration:

- The person you would most hate to lose to will always be the one who beats you.

Executive Committee Meeting: The Men's Golf Club Executive Committee meets the first Tuesday of the month at 8:30 a.m. in the **Montgomery Center**. The next meeting will be February 7.

Also, remember to visit our website at villagesgolfers.com for the latest Men's Golf Club information. Kyle Finley does a great job with the website, keeping us up to date with all of the latest information we need to know regarding the club.

Golf Cart Yellow Lines Initiative

As part of the Villages continuing Culture of Care initiative for our 18-Hole golf course, in January of 2023 we will begin the installation of yellow ground paint lines in front of the green complexes to clearly define the 30-foot golf cart restriction area at each green as prescribed in Golf Rule 1.14 Section 8-J:

The golf course yellow lines

8-J. Carts are to be kept on the cart path around all green complexes and teeing grounds. Carts must be kept a minimum of 30-feet from the green apron and are not permitted within the perimeter of greenside bunkers.

The yellow lines will take the place of stakes and ropes and serve as a visual reference point defining where golf carts cannot advance any closer to the green apron according to the 30-foot perimeter mandate in Rule 1.14, Section 8-J.

The former use of stakes and ropes for this purpose proved to be a challenge due to the following factors: Visually and aesthetically unappealing - Unsightly

Physical hindrance to golf shots - Formed an obstruction for advancing golf balls

Labor intensive - stakes and ropes were constantly moved, removed, and knocked down

Expense - the cost of attaining enough stakes and rope for each hole is very high

The yellow ground lines will serve as a better option than stakes and roping for the following reasons: Less Obtrusive - yellow ground lines will not create an above ground obstruction to golf shots approaching the green

Aesthetically Subtle - yellow ground lines will be more visually appealing than above ground stakes and roping

Permanence - yellow ground lines cannot be moved, knocked over or completely removed

It is important for the condition of the green complexes and associated turf to keep cart traffic a minimum of 30-feet from each green apron and outside the perimeter of the greenside bunkers. Cart traffic allowed too close to the greens damages turf, creates unsightly tire ruts and results in unfavorable playing conditions as the turf becomes thin, compacted, compressed and, in some cases, permanently damaged.

SHONIS

By Betty Hall

The Shonis still were not able to golf last Tuesday the 17th, as the Par 3 course was still dealing with storm debris and tree damage. But 15 of us managed to get together at the bistro for a very social lunch. It was great to get out of the house and see faces of friends we haven't seen this year. Shout out to Lil Yamada, Barb Orlando and Barb Karayn. We've missed you and hope to see you all back on the course soon.

On that note, the Shonis hope we can report that we golfed this week on our usual Tuesday. Come on, Scott, help us out. I know it's been rough getting the courses rehabbed after those storms but we really miss our golf.

Our regular start time is a shotgun signup from 9:30 a.m. - 10:10 a.m. with a tee off at 10:30 a.m. My weather app shows 60s and sunny. So I hope I can report that we're golfing again and we haven't forgotten how.
