## Free Home Studio Art Tour coming soon

Since 2007, the Villages Arts & Crafts Association has sponsored a Home Studio Art Tour, patterned after the Silicon Valley Open Studios Tour. This year's event is scheduled for Saturday, August 19, from 10 a.m. until 3 p.m.

Villagers are invited to visit each artist's house to see the art works displayed and to see the home studio where they are created. There is no fee for this Home Studio Art Tour.

Artists who agree to open their homes will have two signs indicating artworks are on display, one at the curb and one nearer their houses. Maps will be available in the Ceramics Room on August 19, showing the location of each home studio on a Villages map. On the reverse side, each exhibiting artist will be listed along with his/her speciality. Maps will also be available in the Ceramics Room and the Art Room August 14 to 19.

So far this year, these artists have agreed to open their home studios: Colleen Mirassou, Jean Gillette, Bette Loomis, Taf Tafarrodi, Michael Sunzeri, Iris Schlager, Lynda McKinney, Stephanie Torres, Karin Boglio, Diane Finley, Suzanne Ferris and Joanne Robinson.

First-timer Taf Tafarrodi retired from a career as a studio photographer and took up oil painting. Learning from Jane Hink, Taf has produced many excellent seascapes and landscapes in oil. (See picture on page 15)

## VMA overloaded with free supplies!

The Villages Medical Auxiliary (VMA) is extremely grateful for the recent donations of items that were graciously provided by fellow Villagers, but our office is beginning to fill up!

Some items are medically related, but not all. Inventories fluctuate from day-to day. Items come and they go, but currently we have the following:

- Several packages of masks including N95 masks
- A variety of unopened, unexpired non-prescription medications
- Three iPod music players with all of the cables
- Two blood pressure monitors
- Four packages of Ensure
- A blood glucose monitoring machine.
- A new electric foot massage unit
- An incontinence disposal garbage can
- And a variety of other miscellaneous medical supplies.

As you can see, we have a wide variety of items in the office that are available for free to anyone who wants them. How much was it again? Absolutely free!

## William Jacobson to speak at Villages Men's Fun Social Club

On Tuesday, August 8, William Jacobson will be the speaker at the Villages Men's Fun Social Club. His presentation is entitled "Global Warming—is it Human or Naturally Caused" with primary emphasis on heat exchange and energy from the sun.

William believes the United States is moving forward in solutions to Global Warming but not fast enough, especially in areas of reducing carbon dioxide in the air. He believes Europe is ahead of the U.S. in climate control measures...for instance Denmark is eliminating gas powered cars by 2025.

In the U.S., he is very supportive of current efforts in wind

### WHAT I LOVE ABOUT THE VILLAGES

## Some helpful tips on writing a better Pulse letter

For some letter writers, the process of transferring thoughts to the printed page is nothing short of traumatic. Here are a few suggestions to make that process easier:

- Keep your letter as brief as possible. Organize your thoughts, jot down an outline of those thoughts and then fill out the outline in sentence form and that should result in the first draft of your letter.
  - Edit, edit, edit! Please do not submit the first draft of your letter. Go through it at least once, review it for spelling and grammar and get a word count (maximum 200 words). Even then you're not done! Edit it one more time! The more you edit your letter the better it will read. To improve its eloquence, read it aloud to yourself or someone else to see if your sentences read gracefully and make sense. If English is not your first language, perhaps a friend, a half hour and a couple cups of coffee will result in a letter that your readers will understand. Don't be afraid to ask for a little help.
  - Concentrate on one topic per letter—you can write a companion letter about a related topic. (The Pulse rules allow letter writers one letter per month. Also, every letter must deal with only one specific topic related to life in The Villages.)
  - Cool your jets! Many letters are submitted in the heat of emotion. If you are angry, take a day or two to cool off, and, after you review the situation, you'll be able to write a better letter.
  - Avoid personal attacks; don't resort to name calling in your letter. If your criticism is fair you should be able to respectfully criticize or disagree with someone.
  - Think about the readers. The goal is to share your thoughts with your neighbors.
  - Be positive. Even if you are offering criticism, you can still do it in a constructive manner.
  - If you are stating facts in your letter, you will be asked by the Pulse Letter Reviewers for proof. This is required by the Pulse Rules.
  - If you are offering thanks or recognizing others, don't forget that there are other ways besides writing a Pulse letter. There are the **Above and Beyond**, **Bouquets** and **Thank You** columns.
- Still have questions? Call Scott at 408-223-4655, Kory at 408-754-1341 or e-mail: shinrichs@the-villages.com or ktran@the-villages.com.

## ***Proposed Changes to Club Board Policy CPO 101 Policies***

At the July 25, 2023, monthly meeting, the Board approved to publish for 30-Day Notice proposed changes to VGCC Policy CPO 101 Policies prior to formal approval consideration at the August 29, 2023, monthly meeting.

The purpose of the proposed policy revision is to allow the Club Board to specify a date (Sunset Date) at which the policy is removed and no longer in force and also that the Board may remove a policy by majority vote as necessary.

Response to the proposed policy changes may be made by one or more of the following methods: 1) Participation in the discussion of the changes at the August 29, 2023, board meeting, 2) via e-mail (jmeadows@the-villages.com) with comments sent to the General Manager's office at least seven days prior to the board meetings, or 3) via written comments to the General Manager's office (Business Administration Building A) delivered at least seven days prior to the aforementioned board meeting.

Additions are denoted in underlined text.

## **VGCC Policy CPO 101 Policies**

**OBJECTIVE:** Provide guidelines for developing Club policies and procedures.

**GOVERNING DOCUMENTS/ LEGAL REQUIREMENTS:** None.

**POLICY:** The Club Board (Board) establishes policies and procedures that shall be used to manage and govern the Club's operations. A policy is a predetermined course of action established as a guide toward carrying out the Mission of The Villages Club Board of Directors, which is "TO PROVIDE A SAFE, ATTRACTIVE COMMUNITY THAT OFFERS AN ENRICHING LIFESTYLE FOR ITS RESIDENTS." A policy lays out what the Board wants done. The procedure, which is a subset of and integral to the policy, describes how it should be done in much more detail. Policies deal with the "what" and "why". Procedures deal with the "how." Policies and procedures are required by the Board to provide clear communication among Club members, non-members living or visiting the Villages, and individuals contracted / hired / employed by residents, or the Club's Managing Agent.

A new policy and its procedure (if any) and changes to existing policy and its procedure shall be established by a majority vote of the Directors at a Club Board (Board) meeting. A motion will be recorded in the Minutes of the Board meeting that establishes why the new policy or the change in an existing policy was felt to be necessary. Such a record will assist future boards in understanding the reason for the action.

The Club Board shall provide written notice to members/residents of any proposed change to a policy or procedure (including the addition of a new policy or procedure) at least 30 calendar days before the Club Board votes on the proposed change. The notice shall include the text of the proposed change, a description of the purpose and effect of the proposed change and a request for member/resident comment on the proposed change. Included in the notice shall be an announcement of the date and time of the study session at which the Club Board will consider the proposed change as well as oral and written comments from members/residents.

Delivery of the above notice may be made to the members/residents by one or more of the following methods: Personal delivery, mail, The Villager newspaper, or as recorded in our governing documents.

Response to the proposed change may be made by one or more of the following methods:

- A. Participation in the discussion of the change at the Club Board of Directors study session at which the proposed change will be considered.
- B. Via e-mail with comments sent to the Club Board at least seven (7) days prior to the Club Board of Directors study session.
- C. Via written comments addressed to the Club Board and delivered to Building A at least seven (7) days prior to the Club Board of Directors study session.

The Club Board of Directors may specify a date (Sunset Date) at which the policy is removed and no longer in force. The board may also remove a policy by majority vote as necessary.

A new policy statement shall be on a page having a header "Club Policy" and shall generally contain the following elements:

- **TITLE** - the title of the policy.
- **POLICY NUMBER** - a number identifying the policy. The format is CPO nnn, where CPO signifies a Club Policy and nnn is a three-digit number.
- **OBJECTIVE** - what is to be accomplished by the policy.
- **GOVERNING DOCUMENTS / LEGAL REQUIREMENTS** - references to any governing or legal documents which require or pertain to the policy.
- **POLICY** - the policy statement itself.
- **LIMITATIONS** - any specific limitations in or pertaining to the policy.
- **IMPLEMENTATION PROCEDURES** - procedures by which the policy is to be implemented.

Not all policies will require separate Implementation Procedures. If the Implementation Procedure is reasonably short, it can be included on the page with the other policy elements. If it is not, it should be included on one or more pages with the header "Club Procedure" and given a PROCEDURE NUMBER of the form CPr nnn, where CPr signifies a Club Procedure and nnn is the same three-digit number as the associated policy.

Beginning 01/01/2012, all future new policies or revisions to existing policies will combine the CPr with the CPO except in those cases where multiple procedures are necessary under a policy.

## Coyote reminder and tips

Coyotes may try to escort walkers out of an area to protect their pups or food sources when encountered on a trail or street. Humans may perceive this behavior as stalking, which is usually not the case. They may also view your pet as prey. To allow coyotes to be wild while keeping yourself and pets safe, please follow these pointers:

- Never feed coyotes—it is illegal to feed coyotes in most places. Feeding endangers your family and neighbors because it lures coyotes into neighborhoods.
- Keep unattended cats and dogs indoors or in completely enclosed runs, especially at night, and do not assume that a fence will keep a coyote out of your backyard.
- Accompany your leashed pet outside. Make sure you turn on lights if it is dark to check your backyard for unexpected wildlife.
- **Keep dogs on short leashes while walking outside; the Division of Wildlife recommends a leash no longer than 6 feet.**
- Keep noisemakers on hand to scare away coyotes that may enter your yard. Some examples of noise makers are whistles, horns or metal cans with small rocks or coins that rattle.
- Never run away or turn your back on a coyote.
- Do not allow a coyote to get between you and your pet or child—keep children close to you.
- Yell, clap hands, blow a whistle or rattle a can and try to make yourself look larger if you have a close encounter with a coyote.
- An empty soda can with pennies sealed with duct tape makes a very good noise maker when shaken.

**Reminder to all small pet owners:** A recent rise in coyote aggression has been seen with small dogs, most unleashed. **Please always leash your pets. Keep leashes short.** Coyotes will try to get between you and your pet if the leash is extended far enough. Coyotes are known to attack leashed dogs when the owner gets distracted. Please stay cautious and aware of your surroundings when cleaning up after your pet, talking to a neighbor, checking the mail, etc. Coyotes are opportunists and may make their attacks when you are not paying attention.

Carry a noise maker and always be alert. Use caution when walking past wooded areas, hiding spots between homes, and the golf course. They are widespread in The Villages and can truly be anywhere.

There is no way to completely eliminate coyotes from The Villages, so always use caution when walking, especially with pets. Also, coyotes tend to be most active around sunrise and sunset. Pick different times for walks.

Please report all coyote sightings to Public Safety and Vector Control at the email addresses listed in the article below.

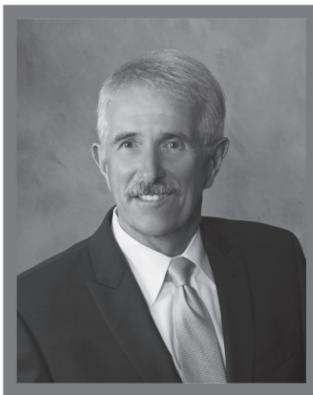

## Report Coyote Activity

- Please report all coyote sightings to Public Safety and Vector Control at these email addresses:
- Director of Public Safety Steve Norden at [snorden@the-villages.com](mailto:snorden@the-villages.com) and include in email the location day and time of the sighting.
  - Contact for Vector Control is [Vector.sccgov.org/home](http://Vector.sccgov.org/home). Residents can use this to report coyote / wildlife incidents directly to the county.

## 'Apathy is the Enemy'

By Arlene Versaw

You may disagree, but I think it's part of our nature to ignore issues until they become crises, whether they be drought, climate change, shortages or local issues such as preparing for disasters that affect our personal lives and our property.

It's never been about whether, but rather, it's been about "when" a disaster will hit. Actions as simple as signing up for NIXLE, our free emergency alert system, are lagging in participation here.

In an emergency, the first 72 hours are critical. And while EPC can communicate, can check on you, can report on the status of conditions and offer minimal

medical assistance, most of its response is geared toward the post-emergency timeline of recovery. We have teams of responders to address emotional support, engineering/structural issues, emergency shelter issues.

But we'll say it again: The first 72 are on you! On you to have a plan for communication and evacuation. On you to have a Go Bag and sufficient food and water in your home for three days. On you to have a plan for your pets. On you to have backup systems for life-sustaining equipment.

The moment will come when you will realize that you wish you had taken the small steps necessary to protect yourself and your household. We're here to strongly encourage you to take responsibility for that right now. EPC can help you, but we cannot save you.

For information on how to prepare for an emergency, see our website at [thevillagesepc.com](http://thevillagesepc.com), or if you cannot use a computer, watch for articles in future issues of *The Villager* and *Fast Lane*.

Apathy is the enemy.

## **(SRS) SENIOR RESOURCE SERVICES**

### *Social security for the surviving spouse*

**Question:** I am 69 and my wife is 65. I filed for Social Security (SS) at my full retirement age, and my wife filed for a spousal benefit at 62. If I die first, will the fact that my wife claimed benefits before her full retirement age reduce the size of her survivor's benefit?

**Answer:** It depends. (Always a good government answer.)

If you die first and if your wife has reached her full retirement age at the time of your death, then yes, she will be eligible for 100 percent of your benefit. She will not be penalized because she first claimed SS at 62.

But if your wife has not reached her full retirement age at the time of your death, her benefit as a survivor will be something less than 100 percent of your benefit. We suspect that since your wife is 65, her full retirement age is 67. The size of the reduction will depend on how close she is to her full retirement age. The closer she is, the smaller the reduction.

When a wife is getting benefits on her spouse's record, she generally will not need to file an application for her survivor's benefit. Her monthly payment usually will automatically be changed.

If the wife is getting retirement benefits on her own record, she will need to apply for survivor's benefits. The SS office will check to see which is the higher benefit for the widow. She wins and gets the larger benefit.

Of course, the rules are the same if it is the husband that is receiving the SS benefit on the wife's account.

You can learn more on the SS website. Go to [ssa.gov/benefits/survivors](http://ssa.gov/benefits/survivors)

If you need to call the SS Administration, the number is 800-772-1213. If you wish to go to a SS office, Senior Resource Services suggests the office at 6140 Cottle Road, San Jose. The office hours are Monday – Friday from 9 a.m. to 4 p.m.

*Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. ### *Don't kick the can down the road!*

The VMA currently has barrels that are labeled for its Aluminum Can Recycling Program in most trash enclosures in each village and has a team of volunteers that do pickups. For those of our neighbors that have curbside trash pickup, your aluminum cans are currently going to California Waste Solutions through The City of San Jose. We ask that, if possible, to deposit your aluminum cans instead in one of The Villages trash enclosures nearest you where our barrels are located because this program directly benefits The Villages. The recycling proceeds the VMA receives go directly back into our community. We recycle over 2 ½ tons of aluminum annually.

Because we are considered a "Community Services Provider" by CalRecycle, we are only allowed to have receptacles for depositing aluminum cans in the trash enclosure and are not allowed to make collections. We are not licensed to recycle plastic, glass or tin cans. So, please separate those from your deposits.

The VMA provides many services such as:

- A professional onsite services coordinator
- Medical appointment transportation
- Grocery shopping trips and meal delivery
- Medical equipment for loan
- Free incontinent products
- Blood pressure checks
- Annual flu shots
- Educational health and wellness programs

Please give back by either recycling your aluminum with us or via financial donations. We are also especially looking for volunteers to help collect the recyclables. Please contact the VMA office (408-238-4230) if you have any questions or wish to volunteer. **Thanks for recycling!**

# COMMUNITY ACTIVITIES

The following events are sponsored by the Community Activities Department. Please telephone 408-223-4643 for additional information.

## Survey results are in:

### On-Site Program Interests

In the recent Community Activities Survey we asked participants the following: "What kind of possible on-site programs are you most interested in? These options are a mix of what has been done in the past and what could be done in the future. Please choose your top three (3) interests only. Choosing more than three options may result in this answer being excluded from the results but will not affect your other responses." Eight possible interests were provided, and participants also had the opportunity to write in additional responses or clarify their answer. Respondents who chose more than three answers and gave us permission to contact them regarding the survey were provided with the opportunity to update their answer by this past Friday. Respondents who chose more than three answers and did not give us permission to contact them or who did not meet the above deadline had their answers for this question excluded; their other survey responses were not affected.

Total Respondents: 61 online surveys, 0 paper surveys  
Respondents Who Skipped this Question: 0  
Respondents Who Were Excluded: 6  
Usable Responses for this Question: 55  
Concerts/Performances = 31  
Speakers/ Presentations on various topics = 30  
Holiday Themed Activities/Events = 26  
Information Fair (health fair, clubs fair, etc.) = 23  
Cinema = 21  
Exhibitions (Car Show, art exhibits, etc.) = 14  
Nature Experiences (nature walks, etc.) = 8  
Community Contests (fitness challenges, trivia, etc.) = 6

A little over half of respondents indicated that they are interested in Concerts/Performances, just squeaking by the Speakers/Presentations category for the top spot. We asked the additional question of whether people who chose this category would like an event with a meal from the Clubhouse or without. Of the 46 respondents that answered this question, 35 (76 percent) chose to forgo the meal. Thank you to all participants!

From a few of the written in responses it seems that some residents missed the opportunity to weigh in on registration, trips, and classes in previous surveys. Of course, we welcome feedback about all our programs any time; but if you would like to see past articles about the survey results and compare your opinions, older editions of The Villager newspaper can be found at this link: [eedition.thevillagesgcc.com/eedition](http://eedition.thevillagesgcc.com/eedition)

## Sign up for trip to Blackhawk Museum

Join us for a trip on **Saturday, September 23** (note: date was listed incorrectly in last week's

Villager) to the amazing cultural experience that is the Blackhawk Museum in Danville, CA. The museum features six dynamic exhibits on different subjects and cultures. In the morning we will enjoy a docent-led tour through the Classic Car Collection featuring historically significant automobiles, specialty collector vehicles, and some of the rarest automobiles all displayed as works of art. We will depart from Cribari East Parking Lot at 8:30 a.m. with an estimated return time of 5:30 p.m. After lunch we will return to the museum where you can explore the remainder of the exhibits on your own. These include Art of Africa (showcasing art created by many indigenous and culturally diverse peoples of sub-Saharan Africa), Into China (featuring handcrafted masterpieces that mirror the country's enormous scale and capture the essence of all that culturally embodies China, past and present), and World of Nature (displaying dioramas depicting the most significant ecosystems on Earth with over 600 carefully crafted animal species [please note, this exhibit included taxidermy]).

Lunch will be across the beautiful mall grounds at the Blackhawk Grille. It will include beverages (coffee, iced tea, and soft drinks), a Garden Salad to start, and a Chocolate Truffle Cake to finish. You will need to select an entrée at registration from these options, which all come with beer battered French fries:

## Learn about activity opportunities at Clubs/Committees Expo

With 68 Board Recognized Organizations and dozens of committees, The Villages offers activities for many levels of interest. Many residents ask questions like, "What's happening at The Villages?" "How can I get involved?" "How do I get more information on clubs?" "Where do I find out about service organizations?" "Are there volunteer opportunities available?"

Please attend the Community Activities sponsored Club/Committee Expo on Saturday, September 9 between 10 a.m. and 1 p.m. in Cribari Center. Many Board Recognized Organizations and Board appointed committees will be there to share information about what they do and how to get involved. Learn about all the wonderful special interest activities, amazing talent, and how you can make a difference at The Villages.

For information, please contact Mary Tatum at [mtatum@the-villages.com](mailto:mtatum@the-villages.com) or 408-223-4643.

### RESIDENT EXCURSION PARTICIPATION GUIDELINES

The Community Activities office offers a wide variety of activities for the enjoyment of the Villages residents. Please check your personal calendars prior to committing to an event, class or trip. Once registered for an activity, you are respon-

sible for the cost of the activity. **All sales are final.**

Registration is limited to residents only for the first two weeks.

Management assumes residents and guests are able to participate in our sponsored

activities independently. We reserve the right to evaluate the participant's ability to participate based on each individual's physical abilities and/or demonstrated behaviors. You may always take a caregiver with you to help with your needs.

Employees are not permitted to provide physical assistance to participants. If personal assistance or a wheelchair is needed, the participant must arrange for a caregiver with paid reservation to accompany him/her.

Employees, residents and their guests represent the Villages Golf and Country Club off site. It is expected that all participants will conduct themselves in a dignified, cooperative and congenial manner.

## Join us for trip to HADESTOWN

On Wednesday, September 13, join us at for a trip to HADESTOWN, where a song can change your fate! We will head to the Orpheum Theater in San Francisco to see this exciting new musical. Winner of eight 2019 Tony Awards including Best Musical and the 2020 Grammy for Best Musical Theater Album, this acclaimed new show by celebrated singer-songwriter Anais Mitchell and innovative director Rachel Chavkin is a love story for today...and always. "HADESTOWN" intertwines two mythic tales, that of young dreamers Orpheus and Eurydice and that of Hades, King of the Underworld, and his wife Persephone. This hell-raising musical pits industry against nature, doubt against faith, and fear against love.

We will depart from Cribari East Parking Lot at 9:30 a.m. with an estimated return time of 5:30 p.m.

Before the performance we will be having an early lunch at Max's Opera Café. Lunch will include a beverage (your choice of soda, coffee, or iced tea) and a big scoop of ice cream for dessert. You will need to pick from one of the following entrees at registration:

- Grilled chicken cobb salad (Danish bleu cheese, avocado, tomatoes, mushrooms, bacon, egg, tossed in balsamic vinaigrette)
- Max's famous corned beef reuben (sauerkraut, swiss cheese, 1000 island dressing, on grilled rye with coleslaw)
- Roasted vegetable wrap (feta cheese, portobello mushrooms, caramelized onions, avocado, spinach, hummus, with tzatziki on the side, served with arugula salad)

The cost per person is \$157 and includes admission, escort, lunch and round-trip transportation. Gratuity for driver is included in price, additional tipping is at your discretion. Please register early to make sure you get a space.

Activity Level: Light Activity (mostly seated).

Register in Building B during office hours. Registration ends Friday, August 11 or sooner if tickets sell out.

## Salute to Veterans Week

The Community Activities department in collaboration with the Veterans Club will be featuring a Salute to Veterans Week beginning November 6. To honor all residents at The Villages who have served, a series of events will take place culminating with a Veterans Day program on Saturday,

November 11 sponsored by the Veterans Club. Also included will be a quilts of valor display, Veterans Administrations representatives to inform you about benefits, and *The Villager* will publish a tribute to those who served.

The Community Activities department would like to honor all who have served with a special tribute section in *The Villager* on November 10. There will be an opportunity to provide information for that publication later.

## Board-Recognized Organization reminder

Board Recognized Organizations have been given flexibility for attendance numbers at in-person events due to the pandemic. Beginning in the fall of 2023, Community Activities will be looking at actual participation numbers once again at meetings and events. To maintain Board Recognition per Club Rule 1.40, a Board Recognized organization must maintain a minimum membership of 20 members and 16 members must attend meetings/events most of the time. For those organizations whose numbers have dwindled during the pandemic, please contact Community Activities for ideas to help recruit new members. For those organizations who prefer a less formal format, you can disband, but still reserve facilities to use, just not through the Master Calendar process. Please direct any questions to Mary Tatum at 408-223-4643.

## Call 911 for medical emergencies

Public Safety would like to remind you, in the event of a medical emergency, please remember to dial 911 first.

Public Safety monitors all emergency calls through San Jose Fire Dispatch. We will respond at the exact same time as the Fire Department and Paramedics.

Calling the front gate can only delay response time by emergency personnel. It is always quicker to call 911. It is the only phone call you will need to make.

## Dog Club to hold Annual Meeting at Vineyard

By Barbara Sunseri, Dog Club President

The Villages Dog Club will hold its next annual meeting on Saturday, August 5 at 10 a.m. at Vineyard Center.

We really want to thank all of you that have volunteered in any way to help and for your membership in continuing to support the Dog Club. At our meeting we will be voting for new Board members and asking for volunteers to help plan and organize our monthly events. Please raise your hand and say you can help.

Also, Sarah Clark has set up a Nextdoor group for The Villages Dog Club. Only people that live in The Villages can see or access this group. Please feel free to join the group and use it as an interactive forum with other Dog Club members. Examples of posts could be lost or found

dogs, need for pet sitting services, etc. We really want this to be a fun and interactive forum for all of us! Here is the link to join us: <https://nextdoor.com/g/wtj0vie4n>.

If you have any questions or comments about this, please email us at [thevillagesdogclub@gmail.com](mailto:thevillagesdogclub@gmail.com). Hope to see all of you at the meeting on August 5.

## VMA: Four Corners of Fitness

By Barbara Zahner, VMA Health Education

Ever watch your dog or cat as they awake? The first thing our furry friend does is s-t-r-e-t-c-h. We too need to stretch our bodies daily to stay vibrant and energized. On August 10 at 10:30 a.m. in the Sequoia Room, Nita Bhatt, OT, will teach stretches and more at "Four Corners of Fitness." A popular VMA presenter, Nita has 25 years' experience as an occupational therapist. Nita's background also includes training as an Ergonomist and Lifestyle Wellness Coach. Nita has special interest in pain management and illness prevention through healthy lifestyle choices.

Nita Bhatt

In her one-hour interactive talk, Nita will cover: The four types of exercise and the benefit of each; safety tips while exercising; variety in exercise to move your whole body and to avoid boredom; living life to the fullest by moving with life.

Dress in comfortable clothes. If desired, you can join Nita in a simple five-minute standing physical activity. Nita will also provide a handout. To register online, go to [VMAvillages.org](http://VMAvillages.org) or call Bonnie at 408-238-4029.

## Pay it forward, VMA volunteer drivers needed

We're sure you have read this before, but volunteer drivers are a very important and critical component to the successful day-to-day operation of the VMA, and we could always use more of you.

Our own personal time is one of the most precious and valued commodities that we possess. When we have extra time that we can afford to spend and share with others, it becomes even more valuable.

The VMA is looking for able-bodied volunteers to assist residents who are no longer able to drive on their own, requiring transportation to and from scheduled medical appointments. Mileage is reimbursable if you so choose. All that is required is some of your extra time and kindness, usually no more than an hour or so at a time. If you're interested, please fill out an application; it is available on the VMA Website at [vmaillages.org](http://vmaillages.org) or in the office, which is open Monday through Thursday 9:30 a.m. – 2:30 p.m. You choose which days of the week you're available and times. It's that simple. Or, if you have any questions, please contact the office at 408-238-4230.

If you can help out, you will be sincerely appreciated.

# Learn Secrets of Seemingly Simple Papier-mâché

You may be thinking, you made papier-mâché in elementary school, what else is there to know? Well, over the years so much about materials and methods has changed. This series of three workshops will totally change how you think about papier mâché.

On Wednesday, August 9 (from 10 a.m. to noon) learn about the importance of starting with the correct armature for your project. Then have the hands-on, fun experience of making your own armatures from materials your instructor, Carole Cameron, and you have collected around your households—clothes hangers, empty plastic bottles, popsicle sticks, chopsticks, Styrofoam and other packing materials.

On Thursday, August 10 (from 10 a.m. to noon), instructor Julie Cline will demonstrate how to apply the papier-mâché material to an armature. Next, you will cover your armatures, while listening to a brief overview of the history of papier mâché and discussing what is craft vs. what is art.

Return to the Art Room on Thursday, August 17 to paint your project—after it has dried thoroughly—with key person Barbara Gottesman.

Register separately for each of the workshops by emailing [barb.gottesman@gmail.com](mailto:barb.gottesman@gmail.com)—\$43 for Armatures with Carole Cameron on August 9, \$43 for Creating with Julie Cline on August 10 and the free workshop with Barb Gottesman for acrylic painting on August 17. A discount is available to VACA members. A list of supplies is posted on our website, [villagesartsandcrafts.org](http://villagesartsandcrafts.org)

## DA Jeff Rosen speaks to Villagers on gun issues

By Tony Berg

Santa Clara District Attorney Jeff Rosen presented a comprehensive look at guns and their impact on our community to a full house in The Villages on July 20. This event was sponsored by the Villages Democratic Club.

He presented the practical side of reducing the dramatic impact of gun abuse in our society at large and how his department has made use of the tools available to minimize their impact in our own community. He explained the difficulty of getting a restraining order but stated that we do use that option about 300 times a year.

Jeff described how his 10-year-old Crime Lab has been effective in helping to solve crimes and apprehend perpetrators. Numerous court orders to restrain gun use had been routinely issued historically, but until two years ago there had been no system in place to follow through on implementing the orders. The success of his follow-through program has been dramatic in reducing domestic violence cases. He also discussed how guns can be made safer both by better security control over the actual gun firing mechanism and by keeping better records of gun ownership, which is an ongoing and evolving program in California.

Many questions followed and the audience was left feeling more knowledgeable about how Jeff Rosen's DA department is serving our community.

## Arts and Crafts exhibit to open August 11

By Michael Sunzeri

Reminder: Next Friday, August 11, Arts and Crafts will be taking down our current show featuring watercolor paintings by Karen Amicarelli's. We hope you saw her detailed artistry. Our next exhibit will be hung on that very day in the Cribari Conference room. Two artists will be featured: Calligraphy by Francesca Pulis and Watercolor by Sharman Watkins.

Both artists have been featured in the past two weeks in the Villager. You will have a chance to see their fine work when the Cribari Conference room is open through late October. We hope you enjoy this relaxing exhibit. In the meantime, Arts and Crafts Association reminds you to get your best work ready for submission to the Annual Members Juried Show following this exhibit. That date is October 23.

## Have fun at Evening and Afternoon Bingo!

Our next **Bingo Night** will be a little over a week away on **August 16**...so plan accordingly because this usually sells out! Bingo is one of many services offered by the VMA to the Villages residents. All money collected for the cards is returned to winning players.

The VMA makes all of its "charitable dollars" from the Evening Bingo drawings (themed baskets). Sometimes the baskets can generate as much as \$700 to \$900! We sincerely appreciate all of the donations and effort so far, but more baskets are needed. If you can, please consider donating a basket, or just some items and the VMA volunteers will put the baskets together. Every little bit helps! You can donate a basket or something cool to go in it. And if you want to take it up a notch and get crafty, donate a few items that may have a theme.

And as a side note, please remember that no one under the age of 21 is allowed to attend and participate in the Bingo festivities.

Wait a minute, there is even more fun and winning to be had... **Afternoon Bingo** is held the first Wednesday of every month. All money paid to purchase cards is returned to the players. Cards are \$1 each or 6 for \$5. (Now that's a deal!) Daytime bingo is one of the many free services provided to residents by the VMA. The fun, the festivities and the winning will commence at 3:30 p.m. on **September 6** at the Cribari Center Auditorium. Doors open at 3 p.m. with free coffee, tea, and treats.

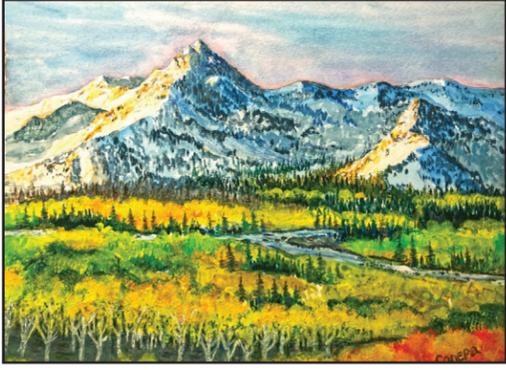

## Villages Macintosh Users Group to meet August 16

Villages Macintosh Users Group (VMUG) will have a hybrid meeting on Wednesday, August 16 at 3 p.m. by Zoom and at the Cribari Conference Room. It is that time of year when we need to let the office know our membership list. If you don't want to be a member next year please contact Larry Roben. If you are not on our mailing list and you wish to attend, contact our treasurer, Larry Roben and he will send you the link when our presenter gives it to him. Give Larry your address, phone number and email address. His phone number is 408-218-0851 and email is [larryroben21@gmail.com](mailto:larryroben21@gmail.com).

## Join Doug Canepa in Watercolor Plus Class

Watercolor Plus is an innovative implementation to traditional watercolor painting. This course will incorporate multiple mediums such as pastels, acrylics, ink, and watercolor pencils to enhance your paintings. A variety of techniques will also be demonstrated that simplify and help create dramatic effects.

Students will learn how the application of color values provides volume and believability to their paintings. Weekly tutorials are provided along with step-by-step instructions for each project. Students can choose from two open studio sessions that are included for individual instruction. Students from all levels and disciplines are welcome to join us in this collaborative and fun learning environment.

The class is on Wednesdays from 10 a.m. to 12 p.m. beginning August 16 and ending September 13 in the Art Room. The cost for all of the above is \$70. Register at [barb.gottesman@gmail.com](mailto:barb.gottesman@gmail.com)

## Get inspired by the Caribbean beat

*Editor's note: The version of this article in last week's Villager contained a number of errors made during the editing process including the artist's gender. Below is a corrected version.*

Rema, a West African music artist, will be an inspiration for The Village Dancers' program this August. The young artist is new to the music scene, and has collaborated with the American singer, Selena Gomez. These two artists intertwined threads from two worlds to blend a unique mixture of vibes with a Caribbean feel.

Rema's music is part of a genre called "Afrobeats" and his song, "Calm Down" will be a creative and lively mixture with the warm, summer nights of August as a backdrop. The group will use "Calm Down" to start the month off with a jazz dance woven with African and Caribbean influences.

Each month The Village Dancers celebrate a new style of dance as well as blend the fabric of culture, music and dance. The just-for-fun dance group meets every Monday at 5:30 p.m. in the Cribari Auditorium. A motto they follow is "You don't stop dancing because you grow old; you grow old because you stop dancing."

Bernice Toy is the Club President and choreographer of The Village Dancers. She can be reached at [Bernice.Toy@gmail.com](mailto:Bernice.Toy@gmail.com). For more information, see the Music Society website: [VillagesMusicSociety.org/Village-Dancers](http://VillagesMusicSociety.org/Village-Dancers). The Village Dancers charge an annual \$20 membership fee to participants. All monies go toward support of the club.

### 'I Want to Be Restored'

By Pastor Bill Hayden

What does restoration mean to you? I like the definition in Webster's Dictionary of the word restoration. It is a return of something to a former, original, normal or unimpaired condition. There may be lots of things that you can think of such as a house, a car, a piece of furniture or a relationship that over time loses its luster.

I've seen houses that appear unrepairable and should be considered for demolition. There were broken windows, doors off the hinges, electrical wiring stripped from the walls, holes in the floors and roof. A person would never realize all these problems because the outside structure and foundation remained intact. It takes a creative person to look beyond what they see and imagine what could be with the right resources.

A person who has vision and resources can bring back the luster to a home. It can be more beautiful than its original state with new windows, doors, wiring, new paint, roof and all the trimmings.

Broken relationships can be harder to restore than houses, cars and furniture. There are so many other human factors to consider such as honesty, reliability, trust, love, forgiveness and a person's emotional stability. Relationships can also be complicated because it involves imperfect people who exercise their freedom of choice and that can cause a ripple effect in any situation.

God created Adam and Eve in His image and likeness for the purpose of having an open, honest and healthy relationship with Him. It lasted until they decided to disobey which resulted in a broken relationship with Him and with each other. God realized our brokenness and the feelings of abandonment, so He sent His One and Only son to restore our relationship with Him and with each other.

Whenever you have difficult times in your life remember that Jesus Christ has made it possible for your complete restoration. His death, burial, resurrection and promise of eternal life gives hope to all who trust in Him. Restoration is available to all who desire this wonderful gift.

II Corinthians 5:16-18 GNT 16 *No longer, then, do we judge anyone by human standards. Even if at one time we judged Christ according to human standards, we no longer do so. 17 Anyone who is joined to Christ is a new being; the old is gone, the new has come. 18 All this is done by God, who through Christ changed us from enemies into his friends and gave us the task of making others his friends also.*

Celebrate with us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word of Life, enjoy a cup of coffee and cookies with friends. The chapel is a place for *needs to be met, faith to be affirmed and new friends to embrace*. You can view our worship services on YouTube at Villages Community Chapel San Jose, CA.

### 'Transfiguration' (Mt 17:1-9)

By Msgr. Stephen Perata

In Sunday's Gospel, Jesus takes Peter, James and John up a mountain to be with Him in prayer. The three apostles saw, "Jesus' face shine like the sun and His clothes become as white as light". Then they saw Him speaking with Moses and Elijah. Overawed by what they were seeing, the three disciples just stood there absorbing what was taking place before them... Suddenly and with great enthusiasm, Peter exclaimed, "Lord, it is good for us to be here!"

Not wanting this to end, Peter offers to set up three individual tents, one each for Moses, Elijah, and Jesus, but is interrupted by a booming voice that rang out from a bright cloud that overshadowed them, "This is my Beloved Son in Whom I am well pleased...Listen to Him." In other words, "Hear His words and imitate His loving care."

Strengthened by what they heard and saw, but still not understanding what they were witness to, Peter, James and John went on to become like Him. They had no idea what lay ahead, or what they would be asked to do or even endure. It didn't matter. All they wanted now was to be one with Him in thought, word and deed. They were changed from observers to doers. The special time was over. They had to come down from the mountain and resume their everyday lives, learning from Him that to God everyone matters.

That is a practical lesson for us all. Like the disciples, we may have experienced something that so captivated us that we didn't want it to end. We just wanted it to always be. But we, too, had to leave that special place and time to resume our everyday lives.

So, will that memory alone be enough to sustain us in all the decisions we must make in life? Probably not. So then, we are alone? Only if we keep the door to our heart closed. Be open to the Lord and those He sends into our lives.

**The Holy Man of Santa Clara** (continued). Fr. Magan Catala's (1761-1830) ministry at Mission Santa Clara was marked by numerous miracles. As part of his (yet to be completed) canonization process, eye-witnesses testified under oath as to many they themselves saw. Regarding one miracle, they described the image of Christ leaning down from the mission crucifix, lifting the brown-robed Franciscan above the ground, then embracing him. A painting adjacent to the front altar of today's mission church depicts St. Francis experiencing a similar phenomenon. If you want an inspiring afternoon, arrange to visit SCU's Archives (408-554-5530 for appointment), and read through the amazing eyewitness accounts yourselves. Visit the famous "Catala Cross" located in the front side chapel of the Santa Clara Mission Church where Fr. Catala is buried. Google for photos.

## EPISCOPAL

### 'Light from Light'

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

We don't talk about Transfiguration in everyday life with any frequency. Have you noticed? Like the doctrine of the Trinity itself, the shining appearance of Jesus (as found in the Gospels of Matthew 17, Mark 9, and Luke 9) doesn't lend itself well to explanation by contemporary scientific means. But it does lend itself well to artistic representation, as painters through the centuries have demonstrated (think Raphael or Rembrandt). Or imagine for yourself the brilliance of our Lord (together with the prophets Moses and Elijah) on a mountaintop, glowing supernaturally. While the voice of God reassures all with ears to hear that Jesus is "my son, my chosen."

I can't help but hear echoes of Jesus' baptism in the transfiguration story. It was another moment of holy reassurance—maybe the first one—that sent Jesus into the desert of temptation. At the point of this story, he faces another temptation: to avoid the costly destiny of the cross. Even though it may be hard to explain these stories scientifically, it's actually not so hard to understand their purpose. We all face temptation and fear, and we all need moments of reassurance when we embark an uncertain path. Looking back on your own life, can you recall those "bright" moments of clarity and encouragement that helped you move ahead with confidence? If so, can you imagine offering a transfiguring moment of encouragement to someone else who needs it?

All are welcome to join us on Sundays at 9 a.m. at Montgomery Center.

**Spectators filling up the viewing stands.**

We had 24 players filling all 6 courts mixing it up at 4:30 p.m. and another 24 players mixing it up at 5:30 p.m. The viewing stands were filled with spectators most of the time with lots of comments and cheering. We were especially excited to have several new tennis club members participate.

Following the tennis, a delicious BBQ was organized by Linda Dumont, social chairman, and her culinary gang. A very big thank you to Brian Dombrowski for grilling all

those delicious burgers.

There is one sad note to this otherwise Fun Mixer. Nancy Spisar took a tumble on the court and hurt her right wrist. ...turns out she is having surgery this week! Nancy and our President Randy Shaw will be rehabbing their bodies for the next while since Randy had knee replacement surgery day of the Fun Mixer.

# PICKLEBALL

**By Anahid Gregg**

The Pickleball Club had its annual meeting and BBQ picnic at Gazebo Park on Sunday, July 23. This was our first event at Gazebo Park, and a great time was had by all!

Our events team of Michelle McQuay and Sherry Benz did their usual incredible job, organizing an afternoon of food, drink and games! We had fantastic BBQ provided by The Art of the BBQ, enjoying ribs and chicken, along with a scrumptious vegetable dish, potato salad, coleslaw, and corn bread. No one left hungry that afternoon!

The Bocce courts were full all afternoon, with fierce competition and bragging rights on the line. Surprisingly, no one pulled out a pickleball to try and hit the pallino! Appropriate for the heat, dessert was yummy Haagen Dazs bars, the perfect ending to a perfect afternoon!

Our next event is the Dink & Drink, Friday, August 11, hope to see you there!

# MEN'S GOLF CLUB

**By Doug Moore, douglas.moore865@gmail.com**

**Upcoming events:**

**Senior Net Championship**—Signups for this event started on the 29th of July and will finish on August 10. Individual Play, Flighted by Age, Catered Lunch at Gazebo Park, Coffee and Donuts.

**This is just a heads up reminder...** We want to make sure that all of you that are planning to participate in this year's event have enough notice so that you may mark your calendars. **Men's 18 Hole Golf Club "Club Championship - Match Play"**—This will be held September 16 to 24, 2023. Play will be conducted over two consecutive weekends. Tee times will be assigned by the Pro Shop. Rescheduling tee times will not be permitted. This is always considered to be an "MGC Major." See you there!

**Do the Right Thing: Yellow Stakes and Lines**—Yellow stakes and lines indicate a water hazard. If a ball crosses the margin of a water hazard (designated by the yellow stakes or yellow lines), but is not actually in water, it might be easily playable. However, if a ball is under water, it's almost always best to take the penalty and put a new ball into play.

**You have 3 options for yellow stakes**

Option 1: Play it as it lies, no penalty.

Option 2: Return to the spot from where the previous stroke was played and play it again; "stroke and distance."

Option 3: You can take a drop. The drop can be made at any point, as far back as you wish; as long as the point where the ball crossed into the hazard is kept between the point of the drop and the hole. In other words, keep the point from where the ball last crossed the margin of the hazard and go back as far as you want — keeping that point between you and the flagstick.

Did you get all of that? Good!

Now what does a "yellow line" in front of a green mean?

That's much more simple... don't drive your golf cart past it! Your cart is to remain behind the yellow line and then you are to exit out the gates near the cart path. Please let's take a little more pride in our track... it really deserves it.

**Look at those Tee Monuments!** And a very special thanks go out to Kyle and Diane Finley and Ted Briscoe. These outstanding Villagers took it upon themselves to give of their time and their artistic skills to refurbish... no to refinish

**Diane and Kyle Finley**

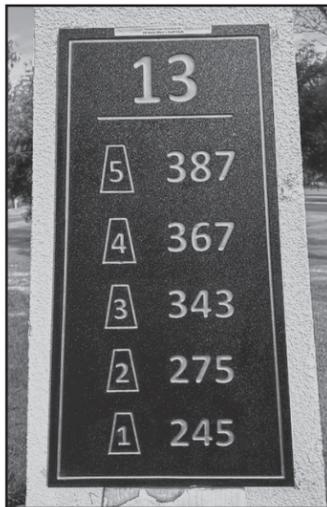

the dilapidated and weathered tee monuments. These now look 100 percent better, and they are now something we can all be proud of again. Tees 1, 2, 5, 6, 13, 15, 17 have been refurbished... the rest will be cleaned up. When you see these three out and about please tell them how much you appreciated their efforts and thank you.

**Golf Thoughts:**

1. Golf is a game invented by God to punish people that retire early
2. Golf was once a rich man's sport, but now it has millions of poor players.

**Executive Committee Meeting:** The Men's Golf Club Executive Committee meets the first Tuesday of the month (except in July) at 8:30 a.m. in the Montgomery Center. The next meeting will be **September 5, 2023**. MGC Members are always welcomed and encouraged to attend.

Also, remember to visit our website at [villagesgolfers.com](http://villagesgolfers.com) for the latest Men's Golf Club information. Kyle Finley does a great job with the website, keeping us up to date with all of the latest information we need to know regarding the club.

# WOMEN'S 9 HOLE

**By Mary Wagle**

There were 45 Swingers who enjoyed a warm summer morning on July 25 by heading out to their respective holes and teeing off at 8:45 a.m.

Delma Juarez (pictured here) had a long chip in for a birdie on hole #7, so congratulations to Delma.

On Thursday, July 20, 37 of us joined the 18 Hole Ladies Club for a fun scramble for the #1/#2 combo tees. In total, there were 78 players who enjoyed golf and lunch. The winners were the foursome of Karen Carlson, Dongrim Park, Judy Gergurich and Jinhee Kang. Please note our new website: [womens9holegolf.vgcc.club](http://womens9holegolf.vgcc.club). The main reason for this change is the Villages Webmasters' Guild invited our club to join this newly formed organization, which results in a pool of webmaster talent to support Villages' clubs and each other, and to provide shared website services to lower the cost and complexity of club websites. Our appreciation to Diane Franco-Nelson and Mitzi Macon for spearheading this effort in their role as our Website Administrators.

## Fitting/Demo Days Upcoming

**Friday, August 4** - Taylor Made - Introducing the all-new Taylor made Stealth 2 HD, combining the elements of speed and forgiveness to unlock *forgiveness*. It was already fast. Now, they made it even more forgiving. Building on the speed producing success of the original 60X Carbon Twist Face, the new design features an enhanced version of Inverted Cone Technology to help maintain ball speed on off-center strikes and increase forgiveness. Compared to the original Carbonwood, Stealth 2 HD utilizes more of the lightweight material than any driver in TaylorMade history. Their advanced application of carbon allows for the redistribution of mass for more forgiveness and stability. As played by PGA Tour Stars – John Rahm, Colin Morikawa, Tiger Woods, Rory McIlroy, Scottie Scheffler, Nelly Korda and Brooke Henderson.

**Tips from the Pro – Dance like Elvis!** Remember how Elvis Presley used to dance...up on his toes with his legs moving back & forth. Well this is not a bad image for the golf swing and what the lower body does. How often do you see a tour player finish the swing flat footed? The answer is never. A tour professional always finishes the swing on his/her right toe (left toe for left handers). And during the swing, their legs are moving and their feet are active. Sometimes their feet are even off the ground at impact – think about Scottie Scheffler and Justin Thomas. This action provides leverage and ultimately more distance. So remember if your legs are stiff and inactive; try to activate them. Let the weight go right to left and follow the motion of the club. It’s ok to left the front foot on the backswing to help you turn more ala Jack Nicklaus. And remember to always finish the swing up on you back toe!! I guarantee you will see improved contact and distance if you active that lower body and footwork. Try the tips and let me know how they work... ## 18 HOLE WOMEN

The 18 Hole Women with Silver Creek Girls Golf Team. Left to right: Mazie Rice, Urvi, Abigail, Chloe, and Diana Hallock.

By Diana Hallock and Phyllis Mueller

We played the Cha-Cha-Cha format today and were dancing all the way through! Did not want to get the three scores on the 9th or 18th holes, but of course it happened.

Lucky chip-ins were Pat Sear on #16 and Bonnie Hagen on #15. \$6 each is like winning the lottery! Monica Saneholtz had the only Birdies on #12 and #15.

Remember to sign up with Vivian Brown or Judy Rodriguez for the M and M Tournament August 10 and 17!

We also had a great day of golf supporting the Silver Creek High School Golf Team. Diana Hallock has written a “blurb” about our relationship with this group:

The Villages 18 Hole Women’s Golf Association has adopted the Silver Creek High School Girls Golf Team as our junior golf program. Members donated just short of \$3,000 to ensure students have the necessary funds for uniforms, greens fees, equipment and the like. With only a week before students head back for school, Diana Hallock and Mazie Rice were delighted to host three players from the Silver Creek team at our July 27th play day. While our members played a really fun cha-cha-cha format, Diana played a scramble with Urvi, Abigail and Chloe. Heard during the round? “I took up golf because it was a sport with no running” and “I’m so lucky to play golf with my twin sister because she’s my best friend” but the funniest was, after describing golf, then lunch, then bridge or mahjong or pickle ball, “You ladies just play all the time!”

## SHONIS

By Betty Hall

Last Tuesday, the 25th, was the last Tuesday of July. Goodness, where has the year gone? Anyway, the last Tuesday of every month is our special birthday game. Shonis with a birthday in the month get to throw out their worst score to improve their gross/net scores and almost always this helps them win sweeps that day.

July’s birthday Shonis were Johanna Bakker, Sue Park, Pauline Robertson and Lesley Robinson. All but Lesley came out to play and they all went home having won sweeps.

Happy belated birthday to all of them.

We also welcomed another golfer for her qualifying first round. Judy Rogers Neece makes our 16th new or returning Shoni this year. We are so happy to see our group expanding and thriving and enjoying Par 3 golf.

# PINSEEKERS

By Jim White

July, the first month of the Pinseekers championship season, has concluded. See the current standing in this chart.

Our July 28 mini tournament was played in glorious weather with a high temperature, at 11 a.m., in the low 80s. The leaderboard was headed by Don Lee and Lee Thompson, in a tie with Net 36. Jim White slid in at second with a net of 37. Taking third place, in another tie, David Cook and Jim Keane at Net 38. In fourth place, for his first points of the season, Choo Kim with a Net 39.

The Pinseekers picnic will be at the Montgomery Center on September 8. Stay alert for an email from our President, Lee Thompson, giving all the important information. Attendance is limited to members and their significant other.

A bit of advice from Nancy Lopez, winner of 48 LPGA titles from 1978 to 1997: "Do your best, one shot at a time and then move on. Remember that golf is just a game."

***Did You Know:***

***Villager Dorothy Horst turns 95!***

Villager Dorothy Horst followed her parents to live in The Villages 40 years ago. They lived in Montgomery and she and her husband Frank enjoyed visits to the area and ended up buying the corner home on Via Portada and Via Laguna. In those early years they were involved in several organizations within the Villages—Dorothy drove for the VMA and Frank served on the Architectural Committee. Travel was a very important part of their retirement and they scheduled several trips each year, many with the educational nonprofit, Road Scholar.

Dorothy is a retired public school teacher and had also owned and operated H&W Cheese, a successful cheese and spice company that served the Bay area. Today Dorothy's greatest happiness comes from time spent with her Black Schnauzer, Becca, and tending her garden full of beautiful rose bushes with her companion Lupe. She says she feels very lucky to live in The Villages with her friends. Her family hopes you will wish Dorothy a very happy birthday on August 7.

**Your Weekly Words of Wisdom**

*When you see something beautiful in someone, tell them. It may take you a second to say it, but for them it could last a lifetime.*

**Slice of Humor**

Mr. Stiffmann, the boss, hung a poster in the office that said:

I AM THE BOSS,  
DO NOT FORGET

One afternoon, he returned from lunch to find this note on his desk:

“Your wife called and wants you to bring her poster back home.”

**“Straight Shooter” by Stephen A. Smith.** Stephen A. Smith has never been handed anything, nor was he an overnight success. Growing up poor in Queens, the son of Caribbean immigrants and the youngest of six children, he was a sports-obsessed kid who faced a number of struggles, from undiagnosed dyslexia to getting enough cereal to fill his bowl. As a basketball player at Winston-Salem State University, he got a glimmer of his true calling when he wrote a newspaper column arguing for the retirement of his own Hall of Fame coach, Clarence Gaines. Smith hustled and rose up from a high school reporter at Daily News (New York) to a general sports columnist at The Philadelphia Inquirer in the 1990s, before getting his own show at ESPN in 2005. After he was unceremoniously fired from the network in 2009, he became even more determined to fight for success. He got himself rehired two years later and, with his razor-sharp intelligence and fearless debate style, found his role on the show he was destined to star in: First Take, the network’s flagship morning program. In “Straight Shooter,” Smith writes about the greatest highs and deepest lows of his life and career. He gives his thoughts on Skip Bayless, Ray Rice, Colin Kaepernick, the New York Knicks, the Dallas Cowboys, and former President Donald Trump. But he also pulls back the curtain and talks about life beyond the set, sharing authentic stories about his negligent father, his loving mother, being a father himself, his battle with life-threatening COVID-19, and what he really thinks about politics and social issues. He does it all with the same intelligence, humor, and charm that has made him a household name. 920, Biography, 2023.

**“The Drift” by C.J. Tudor.** Hannah awakens to carnage, all mangled metal and shattered glass. During a hasty escape from a secluded boarding school, her coach careened over a hillside road during one of the year’s heaviest snowstorms, trapping her inside with a handful of survivors, a brewing virus, and no way to call for help. If she and the remaining few want to make it out alive, with their sanity—and secrets—intact, they’ll need to work together or they’ll be buried alive with the rest of the dead. A former detective, Meg awakens to a gentle rocking. She is in a cable car suspended far above a snowstorm and surrounded by strangers in the same uniform as her, with no memory of how they got there. They are heading to a mysterious place known to them only as “The Retreat,” but when they discover a dead man among their ranks and Meg spies a familiar face, she realizes that there is something far more insidious going on. Carter is gazing out the window of the abandoned ski chalet that he and his ragtag compatriots call home. Together, they manage a precarious survival, manufacturing vaccines against a deadly virus in exchange for life’s essentials. But as their generator begins to waver, the threat of something lurking in the chalet’s depths looms larger, and their fragile bonds will be tested when the power finally fails—for good. The imminent dangers faced by Hannah, Meg, and Carter are each one part of the puzzle. Lurking in their shadows is an even greater threat—one that threatens to consume all of humanity. Mystery, 2023.

**“The Writing Retreat” by Julia Bartz.** Five attendees are selected for a month-long writing retreat at the remote estate of Roza Vallo, the controversial high priestess of feminist horror. Alex, a struggling writer, is thrilled. Upon arrival, they discover they must complete an entire novel from scratch, and the best one will receive a seven-figure publishing deal. Alex’s long-extinguished dream now seems within reach. But then the women begin to die. Trapped, terrified yet still desperately writing, it is clear there is more than a publishing deal at stake at Blackbriar Estate. Alex must confront her own demons – and finish her novel – to save herself. Mystery, 2023.

**OBITUARY**

**Shirley Brown-Bates**  
**December 30, 1930 – July 21, 2023**

During the 45 years that Shirley resided in The Villages, she made many friends—and took full advantage of the activities offered here. She played tennis, golf, bocce, and bridge. Volunteered, sang in the church choir, and went on innumerable Villages sponsored trips and outings. She and her second husband toured the world and wrote extensive travel guides. But maybe her greatest joy was giving parties for friends and family. Her luncheons, in preparation and execution, were something that would have made Martha Stewart jealous.

A voracious reader—with a Master's degree in library science—she was still doing the Mercury News word "Jumble" at 91 (even though she sometimes added her own letters to complete the word).

She leaves behind children, grand-children, and great grand-children—all of whom will miss her dearly.

**OBITUARY**

**Nancy Pyle**

**January 21, 1938 – July 15, 2023**

Nancy was born in Syracuse, NY on January 21, 1938. Her family were dairy farmers in Camillus, NY. Nancy was the oldest of four: Patricia and Maureen (both deceased) and Lawrence (NY). She graduated from Lemoyne College, a Jesuit school, with a bachelor's degree in French. In 1960, she married and moved to the San Francisco Bay Area, where she had a son, James and a daughter, Lisa.

She was a beloved teacher for 35 years, and mostly taught 5th grade in San Jose Unified School District at Carson Elementary and Bachrodt Elementary and then three years of 8th grade at Castellero Middle School.

After obtaining her master's degree in Educational Administration at USIU, Nancy was promoted to San Jose Unified District staff, where she was a registered Lobbyist and publisher of a weekly newsletter in four languages. She had become a licensed Realtor and sold residential real estate in her "spare" time and over her summer breaks. After her lobbying, she taught for two years of 5th grade at Schallenberger Elementary before retiring.

The Lobbyist experience lit a fire in Nancy to get involved in politics. When she retired from education, she ran for the job of Community College Trustee, where she served 8 years. During her tenure, she was instrumental in getting a Bond Measure passed for a new nurses' training facility for Evergreen Community College and helped San Jose City College get a new library (with state funds). She turned an unused corner of Evergreen Valley College into a mini-mall and used the revenue on a promised track/football field for SJCC.

In 2004, Nancy won her race for District 10 on the San Jose City Council. She served the maximum 8-year term on SJ City Council, during which time she helped bring numerous businesses to the Blossom Hill Road and Almaden Expwy corridor, including a Whole Foods Market. She helped raise funding needed to keep a swim program open at Almaden Lake Park, turned vacant space next to Pioneer High School into a much-needed day care business, helped the business community, revamped streets, parks, as well as after school youth recreational programs.

Nancy retired to The Villages in San Jose where she was President of the Democratic Club for 3 years. She is survived by her husband Roger, her son James Duggan and her daughter Lisa Duggan, who all live locally.

In lieu of flowers, please send donations to: YWCA Golden Gate Silicon Valley or The American Heart Association.

Celebration of Life will be held for Nancy at Almaden Community Center, 6445 Camden Ave, San Jose, CA. on Friday, August 11 at 5 p.m.

Catholic Mass will be said in her name at Holy Spirit Catholic Church, 1200 Redmond Ave, San Jose, CA on Saturday, August 12 at 10 a.m.

## Remember your loved one with a memorial gift to EVF

Please remember the Evergreen Villages Foundation (EVF) when you are considering a memorial gift in honor of a loved one. The EVF sends a lovely acknowledgement from you. [www.evfsj.org](http://www.evfsj.org)

## Owners responsible for cleaning up after pets

The Villages Rules and CC&Rs state that it is the owner's/handler's responsibility for immediately cleaning and disposing of pet excrement in a sealed container. We are finding and hearing that some owners are not immediately cleaning up after their pets and assume that it is the responsibility of the landscaping crew, which it is not.

The pet poop should be picked up immediately and placed into the dumpsters in the trash enclosure near your home or in the designated pet poop stations in the center parking lots. Please do not place any pet poop in any restrooms or other containers at any of the various centers.
