Come to the Veterans Day Tribute this Saturday

By Bob Semple

Once again, all Villagers are invited to participate in the 2023 Veterans Day Tribute this **Saturday, November 11** at Cribari Auditorium, commencing at **1 p.m.**

Enjoy patriotic selections of a 34-voice chorus led by Mark Fish and listen to two contrasting speakers, Lt. Col. Joshua "Sully" Sullivan and Dr. Clyde Horn. Lt. Col. Sullivan, USAF, is a department chair and professor of Aerospace Studies and Commander of ROTC at San Jose State University, University of California at Santa Cruz, Stanford University and the University of Santa Clara. With almost 3,000 hours as a pilot, about 800 of those in combat, Sully is a true "Renaissance man." Accompanying him will be three ROTC cadets from SJSU.

Clyde Horn, Ph.D., a Vietnam War veteran, recipient of the Purple Heart, an accomplished speaker, and the author of two books about his experience with PTSD and agent orange.

Afterward, the Community Activities department will host a reception for all.

Fiddlers coming to town!

By Victor Clifford

The Villages Music Society (VMS) is delighted to be sponsoring a "toe-tapping" concert performance by the Santa Clara Valley Fiddlers Association (SCVFA) on **Sunday, November 19, from 2:30 to 4 p.m.** in Cribari Auditorium.

This benefit concert will help the VMS to best position itself for sponsoring performances throughout the year.

Open seating tickets will sell for \$20. You may purchase them on Saturday, November 18 from 10 a.m. to noon in the Cribari lobby, or at the door on Sunday, November 19. Cash, checks, and house charges will be accepted.

The image of an old-time fiddler represents the origins of traditional music as played in many parts of rural America. Over the years, SCVFA's members have shared many other traditional genres. Thus, the organization has expanded to include acoustic music from many parts of the country—and the world—all connected through a shared love of music, unique heritages, and the delight of playing music with others. As the group's founder, Bill Wein, put it, "Music self-played is happiness self-made."

The purpose of this local group is to carry on activities, which revive, study, and perpetuate traditional music. They perform and teach a wide variety of styles, including old-time, country music, bluegrass, western swing, Celtic, Scandinavian, and other traditional styles. Their music is played on acoustic instruments such as fiddles, guitars, banjos, mandolins, string basses, accordions, and harmonicas. The participants range in age from under 8 to over 80, and currently there are nearly 160 members from the greater San Francisco Bay Area.

Masks are encouraged, but no longer required. Do come join us—and if the mood strikes you, dance up a storm with your partner!

Association/Homeowners documents available via e-mail

Per an amendment to California Civil Code, homeowner associations are permitted, with owner's written consent, to distribute annual disclosures, (like the pro forma budget summary) and other specified association documents to owners via electronic mail, facsimile, or other electronic means (such as posting on the association's website) instead of sending those documents out by regular mail or personal delivery. This has the potential to provide cost savings to The Villages. Delivery and postage costs for the Villages' annual distribution of the pro forma budget summary alone are close to \$1,000, not to mention the paper and printing costs.

In order to transmit association documents via e-mail or by posting on the homeowners association's website, 1) the homeowners association must first receive the owner's written consent, and 2) the homeowners association sends a separate notice to the owner that the documents have been posted and are available for viewing.

Consent forms for owners to request delivery of documents have been developed for both The Villages Association and Homeowners Corporations. These forms provide an owner's consent to electronic delivery of documents that are capable, under current laws, of being distributed electronically. Owners have the right to revoke this request and receive "hard copies" of the documents by sending a written revocation signed by the owner, to the applicable corporation.

Forms of owner's written consent are available in Business Administration Buildings A and B, and on The Villages web site, <http://www.thevillagesgcc.com> (Click on *Resident Info* and then Click on *Resource Files*.)

Please contact the Public Safety Administration office at 408-239-5246 option 2, or you may email: mhidalgo@the-villages.com to register your vehicle.

If you registered a vehicle that had a temporary plate at the time of registration, but have not provided the permanent license plate number, please contact Public Safety Administration to update your registration with the current license plate number.

It's high time for safety inspections for your furnaces and fireplaces

Cold Weather Safety Tip: As the weather is changing, now is a great time to make sure your furnaces and fireplaces are ready to use. Furnaces should be safety inspected and filters changed before use. A qualified HVAC technician can do both.

Your fireplace and chimney should also be inspected. The area around both your furnace and fireplace should be free from lint, dust, debris and any paper.

This is also a good time to check that your smoke and carbon monoxide alarms are still in good shape and replace them at the proper time. These simple basic things will keep you safe and cozy in the cold months ahead.

Please notify Public Safety of death of spouse or household member

As a friendly reminder, if you experience the passing of a household member or spouse, please add the Public Safety Administration to the list of places to notify of the passing. You may contact us at 408-239-5246 option 2, or you may email: mhidalgo@the-villages.com.

Coyote reminder and tips

Coyotes may try to escort walkers out of an area to protect their pups or food sources when encountered on a trail or street. Humans may perceive this behavior as stalking, which is usually not the case. They may also view your pet as prey. To allow coyotes to be wild while keeping yourself and pets safe, please follow these pointers:

- Never feed coyotes—it is illegal to feed coyotes in most places. Feeding endangers your family and neighbors because it lures coyotes into neighborhoods.
- Keep unattended cats and dogs indoors or in completely enclosed runs, especially at night, and do not assume that a fence will keep a coyote out of your backyard.
- Accompany your leashed pet outside. Make sure you turn on lights if it is dark to check your backyard for unexpected wildlife.
- **Keep dogs on short leashes while walking outside; the Division of Wildlife recommends a leash no longer than 6 feet.**
- Keep noisemakers on hand to scare away coyotes that may enter your yard. Some examples of noise makers are whistles, horns or metal cans with small rocks or coins that rattle.
- Never run away or turn your back on a coyote.
- Do not allow a coyote to get between you and your pet or child—keep children close to you.
- Yell, clap hands, blow a whistle or rattle a can and try to make yourself look larger if you have a close encounter with a coyote.
- An empty soda can with pennies sealed with duct tape makes a very good noise maker when shaken.

Reminder to all small pet owners: A recent rise in coyote aggression has been seen with small dogs, most unleashed. **Please always leash your pets. Keep leashes short.** Coyotes will try to get between you and your pet if the leash is extended far enough. Coyotes are known to attack leashed dogs when the owner gets distracted. Please stay cautious and aware of your surroundings when cleaning up after your pet, talking to a neighbor, checking the mail, etc. Coyotes are opportunists and may make their attacks when you are not paying attention.

Carry a noise maker and always be alert. Use caution when walking past wooded areas, hiding spots between homes, and the golf course. They are widespread in The Villages and can truly be anywhere.

There is no way to completely eliminate coyotes from The Villages, so always use caution when walking, especially with pets. Also, coyotes tend to be most active around sunrise and sunset. Pick different times for walks.

Please report all coyote sightings to Public Safety and Vector Control at the email addresses listed in the article below.

Report Coyote Activity

Please report all coyote sightings to Public Safety and Vector Control at the following email addresses:

- Director of Public Safety Steve Norden at snorden@the-villages.com and include in email the location day and time of the sighting.
- Contact for Vector Control is Vector.sccgov.org/home. Residents can use this to report coyote / wildlife incidents directly to the county.

(SRS) SENIOR RESOURCE SERVICES

Free legal assistance for seniors

Senior Adults Legal Assistance (SALA) is a valuable resource available to seniors. Established in 1973, SALA provides free legal services and community education for residents in Santa Clara County who are age 60 or older. There is no low-income requirement to use SALA's services.

SALA's attorney staff provides a range of legal services from simple advice to referrals to occasional comprehensive legal representation. SALA's caseload consists of legal matters that private attorneys typically do not handle and that have a great impact on the seniors most in need.

SALA specializes in legal matters dealing with:

- Elder Abuse: Restraining or protective orders; domestic violence restraining orders; revocation of Powers of Attorneys (for financial abuse).
- Public Benefits: Social Security & SSI (except disability cases); Medicare and Medi-Cal; and In-Home Supportive Services
- Long-Term Care: Nursing Home & Residential Care issues
- Housing: Landlord-tenant problems
- Incapacity Planning: Advance Health Care Directives; Powers of Attorney
- Probate alternatives: Death of Joint Tenant Affidavits; Small Estate Affidavits (valued at \$166,250 or less)

SALA offers "self-help" packets to clients in the following areas:

- Lodger Statute Eviction
- Affidavit - Death of Joint Tenant
- Small Estate Affidavit (for estates valued at \$166,250 or less)
- Uniform Statutory Form Power of Attorney
- Revocation of Power of Attorney
- Holographic Will
- Statutory Will (for elders with very modest estates)

Clients wishing to obtain a self-help packet must go through the regular appointment process so that an attorney can assess whether the packet is appropriate for their particular case.

SALA services are available, usually one day monthly, by appointment at nearby senior centers. The closest center to The Villages is Southside Center, 408-629-3435, located at 5585 Cottle Road.

Urgent legal assistance is available by calling SALA's hot line at 408-295-5991. SALA uses guidelines to determine if your problem qualifies as an emergency. Currently, elder abuse, termination of Public Benefits and Sheriff's evictions may be considered urgent depending on the circumstances. Be sure to have complete information and the person's name and telephone number to report an emergency.

SRS has a flyer listing fourteen community centers which SALA visits. Stop by the SRS office if you would like a copy or leave a message at 408-239-5253. You may also obtain more information at sala.org.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. Get tickets for Doox of Yale concert at Cribari

On **Saturday, January 13**, see the Doox of Yale perform at Cribari Auditorium from **2 p.m. to 3 p.m.** Tickets are \$20 per person.

The Doox of Yale has a long history of entertaining audience members with their timeless classics, dynamic performance energy and heartfelt singing. This group of talented tenor and bass a capella singers was formed in 1952 with the name, The Duke's Men, but in 2017 the group became mixed-gender and changed their name. Now The Villages will join the diverse venues who have hosted them, including the White House, the Smithsonian, and Drew Barrymore's birthday party. Their repertoire includes nostalgic rock ballads, soulful jazz standards, classic folk tunes and even some catchy pop songs.

Pre-registration is required in Building B.

Register during office hours beginning **Monday, November 13** and ending **Friday, December 8** or sooner if spots fill up. The registration period has been extended by one week due to the Thanksgiving holiday; the priority registration period for residents remains the same.

Sign up for trip to SF's de Young Open

On **Friday, January 5**, come with us to the de Young Museum in San Francisco as we explore the works of artists who live within the nine counties surrounding San Francisco Bay at this triannual (every three years) exhibition. This year 7,766 artists submitted entries for the de Young Open 2023, and the 883 works shown were selected by curators and distinguished Bay Area artists for display. The artworks are presented in a "salon style," where nearly every inch of display space is covered wall-to-wall and floor-to-ceiling, and grouped by themes such as the urban environment, the human figure, surreal imagery, and more. This exhibition supports local arts communities, and the works may be purchased (contact the museum for more information). Lunch options include the museum café and outdoor food stands in the area.

We will depart from Cribari East Parking Lot at 8:30 a.m. with an estimated return time of 3 p.m. Activity Level: Light to Moderate Activity (benches may or may not be available).

The cost per person is \$63 regular price; \$44 for FAMSF members.

- Regular price includes admission, escort, and round-trip transportation.

- Fine Arts Museums of San Francisco members must show valid membership card at registration.

Gratuity for driver is included in price, additional tipping is at your discretion. Audio Tours are not available for this exhibition. Take advantage of this opportunity, it will be three years before it comes back around! **Register in Building B by Friday, November 17** or sooner if tickets sell out.

Step back in time with Victorian Carolers

On **Wednesday, December 13**, celebrate the holidays like it is 1823 with a wonderful performance from the Lyric Theatre's Victorian Carolers! The fabulous quartet will be dressed in full Dickensian costume to share a capella renditions of traditional English Christmas songs as well as secular and contemporary classics in the Cribari Conference Room from **7 p.m. to 8:30 p.m.** Don't be a scrooge, take a journey back in time with us!

The Lyric Theater has been operating in San Jose since 1972 with roots in Gilbert & Sullivan and other light opera, the caroling program was initiated in 2008 and has performed all over the Bay Area. Hot beverages will be provided. The cost per person is \$15. Pre-registration in Building B is required. Register in Building B by Friday, November 17 or sooner if spots fill up.

Distance to the Park is 18 miles. CLUBS & EVENTS

Senior Academy: Bermuda Triangle — Fact or Fiction?

Embedded in the North Atlantic Ocean are 440,000 square miles of open sea that occupy a triangular shape from Miami, Puerto Rico, and Bermuda.

The Bermuda Triangle, or the Devil's Triangle, is an urban legend that generates weird tales about missing airplanes and ships, strange weather phenomena, secret government facilities, and alien encounters dating back to the days of Christopher Columbus.

Similar to the legend of the Loch Ness Monster, there are believers and skeptics. Where did these stories come from and is there any truth to them? Join us on **Wednesday, November 15**

at 2 p.m. via Zoom, or in Foothill Center, to find out.

Our presenter, Bill Lokey, lives in Washington state, so will present his talk over Zoom. Senior Academy will show the Zoom presentation in Foothill Center for those who would prefer to view it there.

Bill is a disaster management specialist. His career in this area began with the Washington State Department of Emergency Management where he developed the state's Disaster Plan. Serving as Assistant Director for Operations, he was responsible for the recovery from the 1980 eruption of Mt. Saint Helens. As Director of Emergency Management for Pierce County, Washington he was involved in the response to the Northridge earthquake and the Oklahoma City bombing. He later joined the Federal Emergency Management Agency (FEMA) as a Federal Coordinating Officer (FCO).

Registration is required. This can be done on our website's (VillagesSA.org) home page. Find the event's description, then click or tap either a **Register For Zoom** or **Register For Foothill** button. You may also call Karen Kosmala at 408-960-4587 if you wish to attend at Foothill Center. If you leave a message, be sure to include the title of the event, your name, phone number, and house number. Also, if you include an email address, then you will receive an email confirmation of your registration.

Learn tips to take perfect family or pet portraits

The holidays are almost upon us and it's that time of year when we're snapping those photos of the family and pets. Please join the Villages Camera Club as we explore ways to make the most of your portrait keepsakes. The program takes place on Tuesday, November 21 at 7 p.m. in the Foothill Center.

Family portrait photography will be presented by retired local photographer Jim Koski who is a resident of The Villages. Jim and his wife Linda ran their studio in Cupertino and specialized in family portraiture. Most of their sessions were outdoors at local parks and in clients' homes across the peninsula. Their presentation will focus on the do's and don'ts of how to work with your subject, lighting considerations and post processing.

Photo by Jim Koski

Retired Deputy Sheriff Greg Sargent opened his first photography studio in Mountain View in 1985 and specialized in weddings and portraits. Greg also presented programs for Kodak, Fuji, and Agfa, as well as lighting demonstrations for Photoflex at trade shows in Las Vegas. Greg will talk about his work in composite dog and cat photography and show you how simple the process can be to make art from your pet images.

Whether you use a smartphone or professional camera, we invite anyone who wants to explore the world of family and pet photography. If you are not a member of the Camera Club and wish to attend, please contact Sy Gelman at s.gelman@ymail.com.

New Villages Cat Club has formed!

The Villages Cat Club has come to fruition! The Board approved the bylaws and granted club status for the formation of the new cat club. With 57 Villagers already signed up we're off to a great start.

We'll try to find a meeting date and time that works for the majority. You can look forward to meetings that may include a cat behavioralist/therapist, and local veterinarians sharing the latest on nutrition and cat care. Learn and shared new innovative ways to care for your cat. Find a cat friendly neighbor that you can share pet sitting responsibilities.

Any suggestions for future topics would be greatly appreciated. Please send your suggestions to Bette Loomis (cell) at 408-234-9798 or email dbloomis@sbcglobal.net

Art Film: 'Michelangelo: Artist and Man'

By Roz Zinns

On **Tuesday, November 14, at 2:30 p.m.** in the Conference Room, The Villages Arts and Crafts Association will present "Michelangelo: Artist and Man." Although we think of him in terms of his fabulous sculptures, many of us wonder why he was given the commission to paint the ceiling of the Sistine Chapel. This took four years to complete amidst the power politics and person rivalries that existed in Rome at this time. Come and learn more about this extraordinary artist. You will be amazed.

This is a 50-minute film and is free for all Villagers and their guests.

Opera Lovers to present ‘The Merry Widow’

On **Thursday, November 16 at 1:30 p.m.** in Montgomery Center, The Villages Music Society’s Opera Lovers will present “The Merry Widow” by Franz Lehár.

Could there be a better way to start off the holiday season than to enjoy the light-hearted operetta “The Merry Widow” set in Paris around 1900? And what a treat to see the magnificent Joan Sutherland having such fun in her role as the rich widow Anna Glawari!

The fate of Pontevedro, the widow’s native country, hangs perilously on her marriage plans—if she weds a foreigner, the state will lose the benefit of her enormous wealth and will be left bankrupt. An Embassy plot to marry her off to the debonair Count Danilo Danilovitch is complicated by political and amorous intrigues.

This production is from the Sydney Opera House and is entirely in English. Come and be swept away by delightful Viennese waltzes and beautiful voices!

We look forward to welcoming you on November 16 in Montgomery Center—no registration is needed. If you would like additional information, please call Mary Stradner at (408) 887-3293. Also visit VillagesMusicSociety.org for additional information about all VMS future events. Opera Lovers will not be meeting in December but will return in the New Year on January 18.

If you are unable to drive, don’t let that stop you from attending. Please contact The Villages Medical Auxiliary at (408) 238-4230 as soon as possible to schedule transportation to and from the event. Please remember to tell them that the opera lasts 2 hours and 35 minutes.

Republican Club hosts Dennis Jamison

By Mary Wagle

Dennis Jamison with Republican Club President Burt Lancaster.

The Republican Club at The Villages hosted dinner and a presentation by Dennis Jamison titled “Who is the EIPCa and Where Are We Going?” on October 27, an event that was attended by 56 of us. Mr. Jamison, the County Coordinator for the Santa Clara County Election Integrity Project, presented a brief history of their organization, and described their efforts of striving toward election integrity and a fair and honest election in 2024. This was our club’s last event of the year. Please keep your eyes open for future events starting in January. The Republican Club would like to thank John Yu and Albert Salcedo, along with their staff, for their hard work with food preparation and service at our evening meetings. Have a Happy Holiday

Season from your Republican Club at The Villages.

Villages Voices bring the holiday magic

The Village Voices invite you to attend our “Thankful for the Holiday Season” concerts, which will take place Saturday, December 2 at 7:30 p.m. and Sunday, December 3 at 2:30 p.m. Open seating tickets will be sold on Saturday, November 25 (the same day as the Craft Fair) in the Cribari Forum Room. You may also contact Madelaine Yannaccone or any Voices’ choir member to obtain tickets that are being sold during the Voices’ Wednesday evening rehearsals. Hurry and buy your tickets before the days of the concerts to avoid long lines at the door.

“Thankful,” our theme song, will help set the stage for a touching, meaningful holiday experience. Hanukkah is celebrated in song with “Light the Candles of Freedom,” “Bidi Bom,” and the symbolic “Light One Little Candle” reminding us that we can make a difference even with one little spark. “Light the Kinara for Kwanzaa” tells of the traditions behind this African American holiday. Catherine Ellacer, our choral director, and her family will entertain you with a special Filipino Christmas song. There will also be fun, sassy numbers like “The Holiday Tango” and the swinging “Jingle Bell Rock.” After the intermission, Bernice Toy and her VMS Dancers will welcome you back as they dance to an upbeat jazzy rendition of “Rudolph the Red-Nosed Reindeer.” And, of course, there will also be refreshments, raffle prizes, and a singalong. Start your holidays on a high note by making it a date to attend our special “Thankful for the Holiday Season.”

Villages Dog Club to host Bake Sale

The Villages Dog Club

The Villages Dog Club will have their annual Bake Sale on **Saturday, December 2**, in the Redwood Room **10 a.m. to 1 p.m.**

Come and support the Villages Dog Club. 20 percent of the proceeds will go to the Silicon Valley Pet Project. SVPP is dedicated to animal rescue by involving the community in new ways to help save the lives of homeless cats and dogs.

We will also welcome donations of blankets, towels, dog, and cat food for animal shelters.

Please help with your donation of baked goods, you can email thevillagesdogclub@gmail.com and let us know what you can donate. The Villages Dog Club appreciates your support.

Honoring Our Villages Veterans

The Villages salutes the men and women who served in the military as well as those who went to war. There are a few in The Villages who served in World War II. Others served in the Korean War, Vietnam and Gulf Wars and, most recently, the war in Afghanistan. Your service and sacrifice represent the best of us and the best of America. We salute you and appreciate the great costs that often come with serving. Many made the ultimate sacrifice. Please remember your Villager friends and neighbors as the nation celebrates all who have so gallantly protected our freedom!

Honoring our Veterans: A Commitment Beyond Veterans Day

By California State Senator Dave Cortese

Today, we pay tribute to the brave men and women who have dedicated their lives to service. To our fallen heroes, our veterans, active-duty service members, guardsmen, and reservists, your patriotism, courage and sacrifice deserve not only recognition, but a commitment that must extend far beyond Veterans Day.

We've taken strides in the right direction to serve our veterans, like the "All the Way Home" campaign that I co-launched, which, since its inception in 2015, has transitioned more than 2,200 veterans from the streets into safe housing. We also opened the Veteran's Housing Facility in San Jose that provides shelter and essential services to 130 homeless veterans. Our concerted efforts have resulted in a nearly 10 percent reduction in the homeless veteran population in Santa Clara County.

This year, the State Legislature achieved significant milestones with new laws like AB 531 and SB 82.

AB 531 is a monumental \$6.38 billion general obligation bond that will facilitate the construction of 11,150 new mental health treatment beds and supportive housing units, expanding outpatient capacity to serve tens of thousands of individuals annually. This historic investment will create dedicated housing for those experiencing behavioral health conditions, including a specific allocation of \$1 billion for veterans' housing. It is the largest expansion of California's behavioral health treatment and residential settings to date.

SB 82 addresses the Disabled Veterans Property Tax Exemption, streamlining the application process to ensure a fair and uniform process for veterans who have served honorably and are disabled due to service-related injuries or diseases.

Let us continue to honor, protect, and care for those who have sacrificed so much for our nation and, today, as we salute our veterans, let us remember that our gratitude must translate beyond Veterans Day.

Senator Dave Cortese represents District 15 which encompasses much of Santa Clara County in the heart of Silicon Valley. Along with his accomplished career as an attorney and business owner, the Senator previously served on the Santa Clara County Board of Supervisors, the San Jose City Council, and the East Side Union High School District Board.

Sam Brown

U.S. ARMY AIRBORNE PARATROOPERS

Captain Sam Brown was awarded this statue (he was a Lieutenant at the time) after his service with the 101st Airborne Division from 1961 to 1962 at Fort Campbell, Kentucky. He made more than 30 parachute jumps from C-119 and C-130 military aircraft.

The above list of names, military branch, ranks and years served were provided by individual veterans, friends or family members. Thanks also to The Villages Veterans Club for its list of names. Voluntary contributions were used in compiling the list, which is not a complete list of our Villages' veterans.

Phil Strong

Phil is an Air Force Veteran who served from September 13, 1952 to December 12, 1956. He retired with the rank of Sergeant. Strong is a musician who played the trumpet in an Air Force Band and provided military honors by playing Taps for those who died serving their country. His final year in the service was spent at the Air Force Base in Thule, Greenland.

More recently, he has served with the U.S. Army Volunteers as an Honor Guard and bugler. He traveled throughout the Bay Area to play TAPS for those who have served.

Phil is shown at left playing Taps at the Villages 50th Anniversary Fourth of July celebration.

Kellen Perry

My vocal trio was recruited to perform for the US Air Force during the Viet Nam war from 1964 to 1966.

We were flown to separate Air Force bases in Michigan and the Upper Peninsula in C-47 Gooney Birds with no pressurized cabins, metal bucket seats and parachutes that fell off of our backs!

We stayed in the officers' quarters on base and performed multiple shows during the weekends.

We also performed on the local radio stations. It was an experience we will never forget.

In an auxiliary role, Kellen Perry (center), brought entertainment to the troops with her fellow musicians.

Jerry Kleinberg

Jerry Kleinberg served in the U.S. Air Force from March 1966 to March 1970 achieving the rank of Captain. During the last three years he was a Minuteman Staff Officer in the 1st Strategic Aerospace Division at Vandenberg Air Force Base in California, which was a Strategic Air Command (SAC) base, now part of the new U.S. Space Force.

All the Minuteman peacetime test launches were conducted at Vandenberg. (At right is an image of one of those launches.) In his role, he observed and evaluated several dozen launches from a command post just a few hundred yards away from the launch pad.

Matt Giordano

I decided to make the Army my career, and had future overseas assignments including Japan, Thailand, Panama, then the Panama Canal Zone and Belgium. For me, it turned out to be a good decision. I have traveled, and had experiences that I could not have had in any other profession. I feel that I served our country. I am thankful that I came back from Vietnam without any injuries, and salute those who died there or came back with physical or emotional wounds.

Stanley Elefant

Stanley Elefant in Yokosuka, Japan.

Everett Jacobsen

I was assigned to the 96th Strategic Air Command (SAC) at Dyess Air Force Base located at Abilene, Texas. My assignment there was working in the Training Control office located next to the flight line (runway). Maintenance on the B-52 bombers and KC-135 air refueling tankers was performed at that location.

In the Training Control office we were responsible for the latest upgrades for these aircraft, the training of the maintenance workers and their testing. With one year left in the service, I was sent to Tin City, Alaska, which is located at the very tip of Cape Prince of Wales overlooking the Diomed Islands in the Bering Strait—40 miles from mainland Russia. This was like going from the oven to the freezer. (100-plus degree weather to 40-degree-below-zero!) This was my overseas duty. My service in the Air Force was entirely within the Cold War era and not Vietnam.

Chuck Benjamin

Charles H. (Chuck) Benjamin Ph.D. (Center), Captain USN Retired, enlisted in the US Naval Reserve in 1954, commissioned Ensign in 1957, retired in 1991.

James Saccento

James Saccento served from 1967 to 1985. He served on the USS Semmes DDG-18 from 1968 to 1970, which included two tours in the Mediterranean Sea.

Michael Sunzeri

Five days after graduating high school in early June 1963, at 17 years old, eight of us went into Navy boot camp in San Diego for 12 weeks.

While still in San Diego, I was Company Honor man, assigned to Radio School. What did I know about being a radioman? Zero. I learned Morse code and I could type it at 60 words per minute. Never used it once after that schooling. Then it was off to the Philippines. I went for almost two years at a message-relay station in San Miguel, Luzon. That was during the Gulf of Tonkin. We were swamped with messages for weeks, no lie. I still keep in touch with a few of those sailors, and we usually have a reunion in a different city each year.

Richard Yearman

SP5 Richard E. Yearman is awarded the Air Medal with "V" Device for heroism in 1967, 44th Med BDE, Long Binh Post, Vietnam.

Thanks to those Villages Veterans who contributed their photos and stories to share with all their friends and neighbors.

Bob Semple

Bob Semple—president of the Villages Veterans Club—shown here after his promotion to Executive Officer of a highly classified missile battery, E-4-44, in South Korea in 1965. His total Army service spanned more than eight years, with Captain as his highest and last rank. He received a Meritorious Unit Commendation (E-4-44).

Lomas Azules holds Great Pumpkin Roll

By Claire Hintergardt

The Lomas Azules' Great Pumpkin Roll was a fun filled party. Guests sported their best Halloween outfits, neighbors met neighbors, and delicious snacks were plentiful. Walter's cookies and bakery snacks along with a variety of other goodies were enjoyed. New neighbors had an opportunity to meet our resident Witch!

Thirty-two pumpkins of various sizes and even a white pumpkin were rolled! Each winner was awarded the Roll coins, a winner's ribbon and a fall themed plate. Following the Roll, neighbors gathered at Walter's garage for Halloween snacks and the awards ceremony.

Congratulations to the 2023 winners: The Fastest Pumpkin Roll—Ed Munoz, the Slowest Pumpkin Roll—Jean Corrigan and the Longest Roll—Ken Rem.

Many thanks to Marky and Lynn for your sign-in location, Walter for your garage, the committee of Joy Rem, Julie Henig, Linda Planting, Jean Corrigan and the helpers, Ed Munoz, Kathy Munoz, Larry Henig, Brian Sullivan and all those who "lent a hand at the last minute." A good time was held by all!

'Inside the Gates' Home Tour in Review

By Mitzi Macon, VMA President

Can you believe it will be 10 years since the "Inside the Gates" home tour began? The first home tour started in 2014. During the health concerns of 2020 and 2021, the event was on hold, and restarted in 2022. After a highly successful and much needed event for the community, the committee agreed to continue the home tour for 2023. Such a milestone warrants a brief look back on how the Home Tour, became such a beloved and "must-attend" event of the year.

Melinda Dobbs and Penny Barcellos, came to the Villages in 2012. Having experience with running home tours in Willow Glen, they dreamed of bringing an event here to The Villages. They brainstormed, planned and presented a proposal to the then President of the VMA, Kathy Warren and Mattie Alesi. As a 501 3(c) organization, the VMA benefits greatly from the fund raising, which helps us continue to seek new programs and services at no cost to Villagers. The event has grown over time to include a yummy Clubhouse lunch, wonderful boutique, amazing table centerpieces and a free shuttle. The booklets are keepsakes for important and future needs as well, thanks to the sponsors and advertisers.

This year marked the 8th annual "Inside the Gates" home tour at The Villages. Those who attended had high praise for the event!

The committee is so dedicated to creating an amazing experience for all attendees. The 2014 committee members still serving on the 2023 Home Tour, along with Melinda and Penny, are Barbara Nilsen and Susan Dooley. The additional 2023 members Mattie Alesi, Sherry Benz, Marie Dillon, Sadna Dutt, Anahid Gregg, Betty Olsen, Pam Watson, Sheryl Ruth, Pam McCarthy and Joe Player combined to make the 2023 event a huge success.

Be sure to block out early October 2024 on your calendar, for the next "Inside the Gates" home tour. You'll be glad you did! As committee chairs Penny and Melinda say, you'll enjoy the many ideas you acquire from our very creative homeowners, while also benefiting the VMA.

Thank you beyond words, to the Home Tour committee, our homeowners and attending guests!

Remember to recycle single-use batteries

By Maxine Amundson

Take charge of battery recycling! The trash is *not* the right place to toss your single-use batteries. Recycling batteries is a sustainable practice that helps eliminate leakage of toxic chemicals that contaminate groundwater, damage fragile ecosystems and potentially make their way into the food chain. Safely and responsibly recycle your batteries. Save them in a container and either place your collection in one of the Villages recycle bins in the trash enclosure or take them to a place like Payless ACE Hardware/Rockery on King Road/Silver Creek and Aborn. For more information on where to safely dispose of your batteries contact Emil Pisarri, 669-609-0461 or puffycat7@icloud.com or visit the Sustainable Villages website at sustainablevillages.vgcc.club

Global Villages Community presents 'The Healing Room' November Topic: Letting Go of Sadness

The Global Villages Community Club brought a new activity to The Villages in October, and it was a huge success! The event, led by Kim Silverman, had full attendance with a wait list. This month, we are doing it again with a different topic— Letting Go of Sadness, Grief, Loss and Depression.

We've all experienced sadness at one point in our lives. Grief and loss are another level that can trigger the feeling of sadness. It could be loss of a pet, a job, a friend or loved one. Sometimes depression can be

triggered and it may not be the direct result of losing someone. Depression could seem like a numbness without feeling anything. This month, we are going to work on letting go of all of these.

This next Healing Room event will be on **Thursday, November 30 from 2 to 4 p.m.** in the Cribari Patio Room. You must pre-register for this event. You may register by texting or calling 408-827-8860 or emailing: kims@kimsilvermantransformation.com. Registrations will be accepted on a first-come basis. **This event is free.**

The purpose of the Healing Room is to learn how to let go of unwanted emotions, release debilitating thoughts, return our bodies to health and wellness, and establish a direct link to our higher soul-self.

The healing room is led by intuitive healer, Kim Silverman, a Certified Quantum Energy Master and Certified Life Coach. She will combine guided meditations and educational moments that allow you to return to a more centered and balanced state of well-being.

WHERE IN THE WORLD IS THE VILLAGER?

Here's how it works: Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to shinrichs@the-villages.com. We'll publish your smiling face with your favorite local paper for all to see.

"The Five-Star Weekend" by Elin Hilderbrand. Hollis Shaw's life seems picture-perfect. She's the creator of the popular food blog Hungry with Hollis and is married to Matthew, a dreamy heart surgeon. But after she and Matthew get into a heated argument one snowy morning, he leaves for the airport and is killed in a car accident. The cracks in Hollis's perfect life—her strained marriage and her complicated relationship with her daughter, Caroline—grow deeper. So when Hollis hears about something called a "Five-Star Weekend"—one woman organizes a trip for her best friend from each phase of her life: her teenage years, her 20s, her 30s, and midlife—she decides to host her own Five-Star Weekend on Nantucket. But the weekend doesn't turn out to be a joyful Hallmark movie. The husband of Hollis's childhood friend Tatum arranges for Hollis's first love, Jack Finigan, to spend time with them, stirring up old feelings. Meanwhile, Tatum is forced to play nice with abrasive and elitist Dru-Ann, Hollis's best friend from UNC Chapel Hill. Brooke, Hollis's friend from their 30s, has just discovered that her husband is having an inappropriate relationship with a woman at work. Again! And then there's Gigi, a stranger to everyone (including Hollis) who reached out to Hollis through her blog. Gigi embodies an unusual grace and, as it happens, has many secrets. Fiction, 2023.

"The Golden Doves" by Martha Hall Kelly. American Josie Anderson and Parisian Arlette LaRue worked in the French resistance, stealing so many Nazi secrets that they become known as the Golden Doves, renowned across France and hunted by the Gestapo. Their courage cost them everything. When they are finally arrested and taken to the Ravensbrück concentration camp, along with their loved ones, a reclusive Nazi doctor does unspeakable things to Josie's mother, a celebrated Jewish singer who joined her daughter in Paris when the world seemed bright. And Arlette's son is stolen from her, never to be seen again. A decade later the Doves fall headlong into a dangerous dual mission: Josie is working for U.S. Army intelligence and accepts an assignment to hunt down the infamous doctor, while a mysterious man tells Arlette he may have found her son. The Golden Doves embark on a quest across Europe and ultimately to French Guiana, discovering a web of terrible secrets, and must put themselves in grave danger to finally secure justice and protect the ones they love. Large Print, Fiction, 2023.

"The Sister Effect" by Susan Mallery. Finley McGowan is determined that the niece she's raising will always feel loved and wanted. Unlike how she felt after her mom left to pursue a dream of stardom, and when the grandfather who was left to raise them abandoned her and her sister, Sloane, when they needed him most. Finley reacted to her chaotic childhood by walking the straight and narrow—nose down, work hard, follow the rules. Sloane went the other way. Now Sloane is back, as beautiful and as damaged as ever...and she wants a relationship with her daughter. She says she's changed, but Finley's heart has been burned once too often for her to trust easily. With the help of a man who knows all too well how messy families can be, Finley will learn there's joy in surrendering and peace in letting go. Fiction, 2023.

"Hello Beautiful" by Ann Napolitano. William Waters grew up in a house silenced by tragedy, where his parents could hardly bear to look at him, much less love him. So, it's a relief when his skill on the basketball court earns him a scholarship to college, far away from his childhood home. He soon meets Julia Padavano, a spirited and ambitious young woman who surprises William with her appreciation of his quiet steadiness. With Julia comes her three younger sisters: Sylvie, the dreamer, is happiest with her nose in a book; Cecelia, the family's artist; and Emeline, who patiently takes care of all of them. Happily, the Padavanos fold Julia's new boyfriend into their loving, chaotic household. But then darkness from William's past surfaces, jeopardizing not only Julia's carefully orchestrated plans for their future, but the sisters' unshakeable loyalty to one another. Fiction, 2023.

CATHOLIC COMMUNITY

'Being Prepared'

By Jean Gillette

Have we learned anything about being prepared, especially in the last few years? The world has faced a pandemic, floods, and fires to mention a few. We have been told repeatedly how to prepare in advance, what to have around us and what to save if necessary. In the gospel according to Matthew 25:1-13 for Sunday, November 12, we read about the 12 Virgins and learn a valuable lesson. Six of the virgins had prepared their lamps with oil and trimmed the wicks, to accompany the bride and groom to the wedding. The other six procrastinated about preparing in advance and were not allowed into the wedding feast.

Which virgin am I most like? Am I ready for Jesus' call? Is my faith strong enough and unshakable enough to choose the way to eternal life? By using it continuously and by keeping it constantly refreshed and strengthened I can accomplish this by being quicker to obey, and more determined to endure. Learning to start early and to be steady are the keys to spiritual preparation. Procrastination and inconsistency are its moral enemies. Last minute preparation does not work, it is necessary to get started well in advance. It takes time, which cannot be purchased or borrowed. It does not store well and needs to be used regularly and recently; This is what spiritual preparation is about. We would be wise to heed this parable. Jesus does ask us to be ready when he calls us to his kingdom. What a tragedy not to be ready when Jesus invites us home.

Jean Gillette Joined St. Francis of Assisi Parish in 1999. She was a lector and Eucharistic Minister at St. Simon's. She continued the same ministry here, adding Altar server and serving on the Catholic Council. She writes for the Catholic Column in the Villager when asked and enjoys being involved in the community.

'Who Do You Say That I Am?'

By Gloria Hayden

"Who do you say that I am?" This statement was taken from Matthew 16:12-20 ESV. This is the question that Jesus asked his disciples, which included His original twelve.

They had come to the region of Caesarea Philippi on their way to Jerusalem. It was a time for Jesus to teach them as they drew nearer to the time of Jesus' Crucifixion. They gave a few answers: John the Baptist, Elijah, Jeremiah or one of the prophets.

He Said to them, "But who do you say that I am?" Simon Peter said, "You are the Christ, the Son of the Living God." Jesus replied to his declaration, "Blessed are you, Simon Bar Jonah! For flesh and blood has not revealed this to you, but my Father which is in Heaven.

You can read this passage for yourselves and learn more about what happens next in the lives of Peter, the disciples and Jesus. We all should be keenly aware of the purpose of Jesus Christ coming into the world. Most people know John 3:16-17 in the bible by heart. It begins with God so Loved the world that He gave His only Son...

We are all headed toward an eternal destination that can't be avoided. There is a reason for all the trouble, turmoil, destruction and death in this world. In recent months our Bible study group has studied the Book of Revelations using Dr. J. Vernon Mc Gee's Commentaries. Additionally, we have almost completed our study of the "Book of Signs" by Dr. David Jeremiah. We have learned a lot and have also discovered that some of our questions can't be answered until Christ returns to receive His Church (the Body of Believers).

Whenever a person is aware or knows of impending danger or threats to others, we are told to sound a warning, speak up and say something. So, I'm treating this as an alarm going forward. One day we all will have to give a personal answer to the question, "Who do you say that I am?" If you are alive and cognizant then you have an opportunity to make sure that you have the correct answer. Your answer should not just be in words but in the life that you are living.

Don't be left behind when Christ returns; you have a chance to make a change now, as you are observing all the misery in our world. We can see that no one has any substantial answers. Your assignment is to look up this verse Hebrews 10:25. Don't isolate yourselves but be encouraged, strengthened and protected with wisdom and 1 Peter 5:8 NKJV.

I did not complete all the scriptures because I have only so many words that I can share with you in this article.

Celebrate with us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word of Life, enjoy a cup of coffee and cookies with friends. The chapel is a place for *needs to be met, faith to be affirmed and new friends to embrace*. You can view our worship services on YouTube at Villages Community Chapel San Jose, CA.

EPISCOPAL

'Gifts of the Scots'

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

As someone of Scottish heritage myself, I am keenly aware of the spiritual debt of gratitude I owe to my forebears for what is now the Episcopal Church. Not that Queen Margaret of Scotland (b.1045) was Episcopalian—in pre-Reformation Europe, she could only be Catholic. Nor even was Samuel Seabury (b. 1729) an Episcopalian, when a secret meeting of post-revolutionary Anglican clergymen sent him to Scotland in 1873 to be consecrated Bishop for a newly independent American church. And yet, they both embodied the distinct piety and fierce independence of leaders forged in the rugged Scottish landscape.

Separated by gender, status, and almost 700 years, Queen Margaret and Samuel Seabury could hardly have been more different. Margaret strove to unite Christians in the Kingdom of Scotland to the rest of Catholic Europe, while Samuel's purposes were schismatic. The Anglican church in America could not continue without a bishop, and Anglican bishops were vowed to serve the King of England. So Samuel went to Scotland to be consecrated by bishops who had made no such oath of loyalty. This allowed him to return to America to continue the apostolic succession for an American Episcopal Church. It might be fair to say, however, that both Margaret and Samuel were blessed by (and blessed) the spirit of the Scots. Transplants, both of them, they brought a distinct commitment to the mission of Jesus and a respect for the particularity of the Scottish history and landscape as a catalyst for grace and continuity.

Please join us for worship on Sundays at 9 a.m. at Montgomery Center.

18-HOLE WOMEN

Shown left to right: Judy Rodriguez, Scott Steele and Helen Varenkamp.

By Nancy Keane

What a beautiful autumn day for our last Captain's Trophy tournament! The golfers finished their play and enjoyed a good lunch followed by the general meeting. At the meeting, the minutes of the last meeting were approved, and we were told we are in good shape financially. The issue of "pace of play" was addressed by our co-captain Patti Bell, and we were encouraged to be considerate respectful to our fellow players. Keeping up with the players in front of you and playing "ready golf" are key factors in making our rounds timely. Janet Gonzales, our handicap chair, reminded everyone of the importance of posting every score. Mazie Rice, our play day chair, announced that we had 2,113 player for the year, and also hoped we all enjoyed the changes in the formats for some of our play days.

Our membership is up to 124 players, and we had eight tournaments and a very successful Invitational tournament in June. The slate of officers for next year was announced and voted upon. Pictures and names will be in a future article.

Captain's Trophy winner was Judy Rodriguez and Low Putts was Helen Varenkamp.

There were a lot of ladies with chip ins and birdies for this day. See the list of names on the Scoreboard page.

BOCCE NEWS

Halloween at the Bash!

By Barbara Orlando

Costumed participants at the Halloween Bash costume parade.

The last Bocce Bash of the 2023 bocce season was our Halloween themed party hosted by Ken and Marie Colaizzi. What a great time everyone had. There was a costume parade which was judged, and winners were Pam and Lee Thompson. Great costumes all around. Wonderful snacks were shared by all bash goers, with hot mulled wine and pumpkin pie provided by the hosts. Thank you to Ken and Marie for hosting this last bash and a special thank you to Patti Smith our Bash Director for organizing Friday bashes throughout 2023. We'll see everyone at the bash in 2024 on our newly refurbished courts. Contact Patti at 408-223-7868 for more information on hosting a Friday bash in 2024. It's lots of fun.

After the Championship game on October 25, Wendy Ledamun, our club's Social Director hosted a Taco Lunch catered by Ciclaly's Tacos. All 140 attending were well fed, and the food was delicious. Thank you to Wendy and her volunteers who helped put on this wonderful event.

Please "Save the Date" on your calendars for the club's Holiday Party, our last social event for the year on Saturday, December 16, 2023. More information on how to reserve your place will be coming out soon.

Remember there is "Winter Play" every Wednesday from noon to 3 p.m. The courts are already reserved for you, all you must do is drop in and play. Winter play started on Wednesday, November 1 and continues through Wednesday, January 31. Yes, the courts will be open during construction of the third court. Courts 1 and 2 will only be closed for resurfacing and new sideboard replacement.

Next week the results of the members' vote on the newly elected board, which took place at the meeting on Sunday, November 5.

IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen have now changed to afternoon play, gathering every Thursday afternoon at 1 p.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

Thursday, November 2 was sunny and warm. A beautiful day for golf. Sixteen Ironmen played. **Third Place** was a two-way tie between the DHs, Dave Hathaway and Doug Herring with net 28s. **Second Place** was also a two-way tie between Roger Pyle and Lee Thompson with net 27s, and Prakash Deshmukh won **First Place** with a net 25.

There were two **Birdies**: one by Al Bruno on hole #2, the other by Dave Hathaway on hole #5. Lee Thompson won **Closest to the Flag** on hole #9 at 10 feet, 1 inch.

Dave Hathaway won **Low Gross** with a score of 30.

Golfer of the Day honors went to David Hathaway with low gross, third place, and a birdie. Way to go, Dave!

The Ironmen 9 hole, par 3 group would love to add new members. We are a very sociable group, and play basically pressure-free golf. And the first round is on us. Just call Jerry Juracich at 408-440-8283.

Deep Thoughts:

"That's great. They should put the hole in the fairway." - The quick-witted Scottish professional golfer, Colin Montgomerie, replied when informed that he ranked first in fairway hits.

"When hitting wedge shots, I've a flair that's turning my hair gray; they stop, I swear, right next to where, the pin was...yesterday." - Dick Emmons, author and journalist

PICKLEBALL

By Anahid Gregg

The Villages Pickleball Club competed in the annual Villages vs. Silver Creek Valley Country Club (SCVCC) Invitational last Sunday at Silver Creek. The event was organized by Sherry and Michelle, along with Villager, Phyllis Seeger, who works at the SCVCC racquet sports venue.

The venue was beautiful, the food was amazing, and the Pickleball was tough. The format ranked the players on each team, with ranked teams playing against each other. In the first round, there were several hard-fought battles, with two Villager teams winning both their games— Joy Chen and Steve Yang, and Bert Tang and Srinivasan.

Round two saw a swap, with teams mixing it up—1 vs. 2, 3 vs. 4, etc. Tim McQuay and Mark Gregg won both their games. Joy and Steve split games this round, giving them three wins overall. The team of Bert Tang and Srinivasan won both— making them our only undefeated team! Both

Bert and Srinivasan are new to the game—with great futures in the game!

The final session was open play with a Villager and a “Creeker” playing on each side. The trash-talk kicked in with some very competitive games and a lot of laughter. So, while we lost, 23 to 9, we had a blast playing, and look forward to the Invitational returning to The Villages in the fall. We’re also talking about inviting some of the Creekers over for some open fun play!

Overall, it was a great day of Pickleball and camaraderie. Thanks to everyone who participated!

We have welcomed two new members from the 18-Hole Ladies Club this month, Reine Fedor (Dual-18) and Asako Nakamura (Primary).

This year’s Turkey Shoot will be on November 21 and the Holiday Luncheon/General Meeting will be on December 12. Look for more information about these two events soon.

Golf Thoughts

- In primitive society, when native tribes beat the ground with clubs and yelled, it was called witchcraft; today, in civilized society, it’s called golf.

- “Golf is just an expensive way to play marbles!”

The 2023 Villages Team Play Grudge Match—This was probably one of the most anticipated events in history of golf! (OK it actually wasn’t). On October 22, we had a showdown of epic proportions, a clash of titans, a battle for supremacy that had been building for years (OK more like a few weeks). This is the Grudge Match you’ve all been waiting for (or probably not)!

Executive Committee Meeting: Curious as to what transpires at The Men’s Golf Club Executive Committee meetings? You are cordially invited to sit in, participate and make a difference. If you have a point of view, an opinion or a concern that needs to be presented, we would love to hear from you.

We meet the first Tuesday of the month (except in July) at 8:30 a.m. in the Montgomery Center. The next meeting will be December 6, 2023. MGC Members are always welcomed and encouraged to attend.

Also, remember to visit our website at villagesgolfers.com for the latest Men’s Golf Club information. Kyle Finley does a great job with the website, keeping us up to date with all of the latest information we need to know regarding the club.

TENNIS TALK

By Betty Olsen

It’s been a busy fall for the Villages Tennis Club. Roy Pennington, Peggy Seidel and Jim Murphy organized our second Village Tennis League (VTL) for October and November. There are four teams captained by Jim Murphy, Roy Pennington, Sherry Benz and Betty Olsen.

The final match for each team is Sunday, November 12 at 1:30 p.m. All four teams will be playing, so come down to see your fellow tennis members play their final match.

A celebration party is planned for after the last match on Sunday, November 12, which should be around 3 p.m. Bring something to share.

At the same time—September, October and November—the Villages Women’s USTA 6.5 team played its last match on Tuesday, November 2. Again, we almost came away with a win. Sherry Benz and Lolivic Shaw won in a third set tie-breaker and Joy Rem and Betty Olsen lost in a third set tie-breaker 10-8. However, we do have one distinctive win over the number-one team.

It is now time to embrace the holidays. You don’t want to miss the Tennis Club Holiday Party on Sunday, December 3 at the Clubhouse. Linda Dumont and her committee is planning a special holiday dinner and dance. Stay tuned for future announcements with details and instructions for making reservations—put this date on your calendar right now!

By Betty Hall

Hope everyone set their clocks back that *fall back* hour last Sunday. It's awful when you rush to get somewhere on time and find that you're an hour early.

Shonis have been busy in the last couple of days. We still golf on Tuesdays but starting last Tuesday we now get an extra hour of sleep. We don't start until 9:30 a.m. for our shotgun sign-in and tee-off is now at 10:30 a.m. And Bandini on the Par 3 continues with our dedicated divot fixers.

On Halloween, we enjoyed a great breakfast in the Bistro at 8 a.m. Lots of costumes, great time to socialize and well attended. Too many costumes to show everyone but here's a couple.

On Saturday, October 28, the Shonis challenged the Swingers to a bocce competition—best of three games. It was a lot of fun and hopefully we can turn it into an annual event. There were prizes and later food for all. The Shonis won the match two out of three games. As you can see, it was chilly but sunny and fun.

Winter Weather & Daily Golf Course Conditions

Remember that at this time of year, weather becomes a daily factor and the resultant golf course conditions can affect play. Be aware of potential frost delays if it's cold, potential cart-paths-only status if conditions are wet and rainy, and, under rare, extreme weather or wind conditions, course closure if a storm creates an unsafe atmosphere for play.

Please call the Maintenance Hotline at 408.223.4663 each day for an update on golf course conditions

And remember that the flag at the driving range will indicate the golf course status for the day:

Green Flag = Open for Play

Yellow Flag = Frost Delay

Red Flag = Carts on Paths Only

Black Flag = Golf & Practice Facilities Closed

Winter Rules

From now until further notice, we will be playing Winter Rules defined as 6-inch relief, through the green (includes the rough), no nearer the hole, pick-clean-and-place, no penalty.

Interseeding Schedule

Interseeding Fairways

Through November, we will start Interseeding the fairways with rye grass. This practice will require additional irrigation to help the seed germinate. We do this to help create a uniform turf condition in our fairways and to fill in continual bare spots on the fairways.

Fairway Topdressing

Through November we will be Topdressing the fairways with a layer of sand, and the sand will be dragged in to help it settle into the top layer of the turf. This new practice will, in the long term, create a more porous top layer of turf to allow for better permeation of water, air and nutrients to the roots. This will ultimately boost the health and consistency of the fairway turf. A gypsum application will follow Topdressing to aid in turf growth and seed germination.

PINSEEKERS

By Jim White

Twelve Pinseekers hit the 10th tee for our first afternoon of golf since April.

The sun was bright and the fairway dew had mostly evaporated as we, once again, chased the little ball across the length of 22 football fields trying to drop it in nine holes.

At the end of the day, Jerry Juracich took top honors with a Net 35. In second position, Martin Hoek and Jim White tied with Net 37. In third place, with a Net 38, was Frank Garcia, and rounding out the top of the leader board was Jim Keane at Net 39. It was another great day of fun, friendships, and golf. Please join us for more fun.

Tips From The Pro – PGA Director of Golf Scott Steele Lighter is Better

Do you know how much your driver shaft weighs? If you don't know, you should. One of the most common requests we receive when we are giving golf lessons or providing club fittings is, "How can I hit it farther with my driver?"

It's really a simple equation, a faster club speed equals a longer drive. Statistics show on average, every mile per hour gained in club speed can garner an additional 3 to 5 yards in total distance. That is significant. So how do you increase your club speed without a drastic change in your swing? **Go lighter.** The lighter the shaft, the more speed you can generate, it's basic physics. The modern era of golf has maximized how much COR a driver can produce, so what's next? The shaft. Lightweight shafts are the new craze in golf, and for our demographic at The Villages, lightweight shafts are something everyone should try. Of course, the results may vary depending on how the impact condition (center face contact) varies and how much spin is produced (more spin equals less distance). But if you do not try a lighter weight golf shaft, you are doing yourself a dis-service. So come to the Pro Shop and try something new, instead of the old 70-gram-80-gram shaft, try a 35-gram-40-gram shaft and see if you can hit it farther—after all, that's what we all want.

Let us know if these tips help.

OBITUARY

Norma Ann Gwinn December 11, 1928 – July 30, 2023

Norma Ann Gwinn passed away peacefully on July 30, 2023, at the age of 94 in Ventura, California. Norma was born in Gilroy and lived in Santa Clara County in all but the last two years of her life. She was a resident of The Villages from 1998-2020.

A loving wife, companion, mother, grandmother, and great-grandmother, Norma had a positive outlook on life, a good sense of humor, and a "glass-half-full" spirit. She was a true friend to many, always ready to lend an ear or a helping hand.

Prior to retirement in 1985, Norma worked as the Deputy Clerk of the Santa Clara County Court System, Sunnyvale Municipal Court. Her dedication and hard work made a lasting impact on the community.

Through the years, Norma pursued a wide range of hobbies and interests. She cherished her many friendships, both in the neighborhood and across the country. She particularly enjoyed her retirement years, indulging in traveling, dancing, playing bridge, and entertaining. She had a natural talent for hospitality and was a wonderful cook, passing on her love of good food and recipes.

She was a Lifetime member of the USS Indianapolis Legacy Organization, always willing to answer inquiries about her husband's role in the rescue of the ship's survivors.

Norma will be deeply missed by her children: Don (Katie) Gwinn, Jane (Steve) Goodall, and Carol (Bart) Burnside. She is also survived by her step-children: John (Deanna) Gwinn and Kathy (Ron) Romero. Norma leaves behind a legacy of love through her 10 grandchildren, 17 great-grandchildren, and her siblings: Margorie (Richard) Heredia, Janice Renzo, and Ernest Olivieri.

Norma was preceded in death by her beloved husband, Wilbur Charles "Chuck" Gwinn; her long-time companion, Sidney Safir; and her former spouse Robert E. Gwinn. In addition to her parents Ernesto and Erida Olivieri, she is also predeceased by her siblings, Delores Spence and Louis Olivieri.

A Celebration of Life is planned in The Villages to honor Norma's remarkable journey on December 9, 2023. Please contact her daughter, Jane at 805-340-7788 if you would like details on the time and place.

In lieu of flowers, the family kindly requests contributions to be made to the USS Indianapolis/Gwinn "Angel" Scholarship Fund at 800 Cottageview Drive, Suite 1040, Traverse City, MI 49684, or to the Villages Community Chapel at 2500 The Villages Pkwy E, San Jose, CA 95135.

Norma's memory will forever live on in the hearts of those who were fortunate enough to know her.
